Thinking and Learning through Children's Literature Miriam G. Martinez, Junko Yokota, Charles Temple, 2017-04-18 Much of teachers attention these days is focused on having students read closely to ferret out the author's intended meaning and the devices used to convey that meaning But we cannot forget to guide students to have moving engagements with literature because they need to make strong personal connections to books of merit if they are to become the next generation of readers literate people with awareness of and concern for the diversity of human beings around them and in different times and places Fortunately guiding both students personal engagement with literature and their close reading to appreciate the author's message and craft are not incompatible goals This book enthusiastically and intelligently addresses both imperatives first surveying what is gained when students are immersed in literature then celebrating and explicating the main features of literature students need to understand to broaden their tastes and deepen their engagement at the same time they meet external standards then presenting a host of active methods for exploring all major genres of children's books and finally presenting suggestions for interdisciplinary teaching units grounded in literature Created by noted leaders in the fields of children's literature and literacy the book is enlivened by recurring features such as suggested reading lists issues for discussion links to technology and annotations of exemplary books

Chron Michaela Love, 2021-10-22 An explosion rocks Sam's world causing her to lose her memories and she finds herself lost in a forest with a stranger There she and the stranger meet an older man named Albin who provides them with only enough information for them to begin a mission he is suddenly sending them on Through a magical portal he creates they are transported to another world to search for a mystical key Completely lost and confused they find shelter in a cave behind a waterfall only to discover that it is not vacant Chris the owner of the shelter is sent on the same mission except he has been there for two years with no way back home The three of them band together to continue the mission recruiting others along the way A ruthless king from another world who wants the Key and its powerful counterparts for himself sees Sam as a possible heir to his throne In an effort to thwart their mission he throws many trials her way to test her strength and abilities making their mission harder than it was before
