Grammatically Correct Functionally Illiterate:

Grammatically Correct; Functionally Illiterate Milton J. Stringmeyer,2001-02   **Understanding Written Grammar** Jane Walpole,2000 Unlike a standard grammar handbook that merely states the rules and provides an example or two Understanding Written Grammar seeks to illuminate the rationale and logic of grammar and therefore treats its subject as a reflection of the way the human mind thinks   **An Introduction to Grammar for Language Learners** Don Ringe,2018-08-23 Explains universal concepts of language structure to help students preparing to study a foreign language   Navigating the Complexities of Stroke Louis R. Caplan,2013-08-01 Strokes afflict thousands of people every year Yet for every fatal case many more victims survive often going on to live long productive lives Of course none of it is simple not preventing a brain attack nor survival rehabilitation or living with cerebrovascular disease The key is education for both the moment of crisis and the long term Navigating the Complexities of Stroke provides a practical guide for the lay public and medical professionals Dr Louis R Caplan one of the world s leading experts guides readers through the subject in a straightforward and accessible manner He examines the anatomy of the brain explaining the specialized functions of different regions and describes the flow of blood from the heart He turns to the mechanics of the stroke itself clearly discussing the complexities of the two major kinds the ischemic and hemorrhagic and the resulting damage Most helpfully Caplan offers information and advice that readers will find immediately useful the medical conditions and other factors that create risk stroke symptoms abnormalities that doctors look for tests available to evaluate strokes complications and disabilities that can result and the paths of treatment and rehabilitation He offers real life cases of victims and their families that demonstrate successful recovery but also reveal the sometimes troubling impact of strokes on survivors and their families who can suffer frustration and demoralization that the medical profession often overlooks in its biological focus Caplan also examines strokes in children and young adults who are often neglected in literature that is largely aimed at seniors Navigating the Complexities of Stroke empowers victims families and general medical providers It puts in readers hands the knowledge necessary to avoid strokes address them quickly and effectively recover so they won t lose heart when it is needed most   Generation 1.5 Meets College Composition Linda Harklau,Kay M.
