Strategic Human Resource Management Ananda Das Gupta,2020-03-25 The concept of strategic human resource management has developed widely in the last couple of years especially because of the impact of human resources on the competitiveness of organizations The development of human resource strategies involves taking into account their multiple mutual dependencies and the fact that they must be vertically integrated with the business strategy These strategies define the intentions and plans related to the overall organizational considerations such as organizational competitiveness effectiveness or image and to more specific aspects of human resources management such as resourcing motivating valuating learning and development reward and employee relations Strategic management of human resources provides a large perspective on the way critical issues or success factors related to people can be addressed and how different concepts of strategic decisions are made with long term impacts on the behavior and success of the organization The fundamental objective of human resource strategic management is to generate strategic capabilities by ensuring that the organization has the high qualified committed and well motivated employees it needs to achieve and sustain the competitive advantage The emergence of strategic human resource management SHRM is influenced by global competition and the corresponding search for sources of a sustainable competitive advantage SHRM has achieved its prominence because it provides a means by which business firms can enhance the competitiveness and promote managerial efficiency It facilitates the development of human capital that meets the requirements of a competitive business strategy so that organizational goals and the mission of

the organization will be achieved The HRM system is defined as a set of distinct but interrelated activities functions and processes that are directed at attracting developing and maintaining or disposing of a firm s human resources Many agree that HRM is the most effective tool which contributes to the creation of human capital and in turn contributes to organizational performance and the competitive advantage This book puts emphasis on understanding the role of HRM between organizations and people and provides an analytical approach toward encompassing HRM employment relations and organizational behavior As a management discipline HRM draws insights models and theories from cognate disciplines and applies them to real world settings Further this book discusses how current theoretical perspectives and frameworks e g those related to strategic competitiveness knowledge management learning organization communities of practice etc can be applied by reflective practitioners to create an eco friendly organizational culture

Human Resource Management

Michael Poole,1999 This collection sets out many of the contributions to the theoretical conceptual and critical advance of the academic subject of human resource management This has become recognized as an emergent disciplinary field in which theories and models are generated and their propositions tested by rigorous empirical research It has also become increasingly international in its outlook This comprehensive set explores the following themes origins developments and critical analyses comparative and international perspectives on human resource management strategic human resource management and emergent issues for the new millenium including globalization and the multinational enterprise international assignments and expatriation managing diversity competences and knowledge innovation and creativity and ethics

South African Human Resource Management Ben Swanepoel,Barney Erasmus,Heinz Schenk,2008 Book Strategising designing and planning as preparatory HRM work Sourcing work talent Facing the countrys people empowerment challenge Meeting the reward and care challenge Handling labour and employee relations challenges Championing change and transformation Managing HRM related information including HRM and sustainability reporting Based on most recent theoretical developments the emphasis is on the practical applications Samples of relevant documents are included and an accompanying CD contains a wealth of relevant resources as well as a continuing integrating case study that serves as a basis for these applications and individual and group activities As a package South African Human Resource Management will be extremely valuable to both current and aspirant managers and human resource practitioners

Human Resource Management S S Khanka,2007 This book has been written for the students of M B A M Com and other Diploma Courses in Management It would also be useful to the practitioners in the field of Human Resource Management The book covers the whole syllabus of HRM prescribed by the UGC Course Development Committee on Management The book makes a presumptions attempt to knead all aspects of HRM logically dividing them into seven sections to enable the readers comprehend the key and vital issues of HRM in a dynamic environment Human Resource Strategy Shaun Tyson,1995 This new text successfully demonstrates the links between human resource management and

business strategy It begins with an analysis of the literature on HRM and strategy and goes on to discuss how new models of HRM are created The book seeks to explain the fit between HR strategy and business strategy by describing how different models of HRM are developed to sustain and advance business objectives A description is given of each of the main contributions through which HRM can add value together with examples from companies of all sizes and in many different industries The book ends with a proposed theory of HRM based on the Frameworks it has described Sustainable Human Resource Management Strategies and Practices Sugumar Mariappanadar,2024-11-30 The 2nd edition of Sustainable Human Resource Management Strategies Practices and Challenges delves into the evolving landscape of sustainable HRM Replacing three chapters it introduces fresh topics like Corporate Sustainability Business Strategy Context for Sustainable HRM High Performance Sustainable Work Practices for Corporate Sustainability and Sustainable HRM for Employee Health and Well being All chapters are updated with the latest developments since the 1st edition in 2019 This edition s significance lies in its role in academic curricula worldwide meeting the demand for sustainable HRM courses and aiding research expansion As businesses align with sustainability goals this book becomes a guide for HR and line managers fostering integrated economic social and environmental outcomes **Strategic Human Resource Management** Catherine Bailey,David Mankin,Clare Kelliher,Thomas Garavan,2018 What is strategic HRM and how do you apply it in business What makes good HR strategy and how do you develop it What are the key issues that need to be considered when creating developing and embedding a strategic approach to managing people These are the fundamental questions asked by HR professionals and tackled in this innovative and comprehensive textbook Drawing on the latest academic research the well respected author team take a reliably thematic approach to SHRM Broken into four distinct parts the book addresses the context theories themes and future of managing people strategically Case studies and examples include Tata Motors Samsung Pizza Express and Deliveroo ensuring that theoretical discussion is always linked to practical application New Strategic HRM in Action boxes take this one step further by presenting students with a scenario in which they themselves can make strategic decisions and reflect on their own evaluation of real life business practices Critical thinking is essential in SHRM so frequent Critical Reflection boxes Review Questions and questions accompany every case study ensure students are challenged to engage with the subject critically and reflectively Global case studies and an opening chapter dedicated to the global context of SHRM challenge the dominant Western perspective and provide a rounded and adaptable view of SHRM A user friendly structure and wide range of learning features including learning objectives key concept boxes and summaries ensure the text remains accessible even for those completely new to SHRM ONLINE RESOURCES For Students Glossary Web links For Instructors Additional case studies PowerPoint slides Seminar activities Suggested case study answers Figures from the book
