## **Hungarians In Transition Interviews With Citizens Of The Nineties:**

**Hungarians in Transition** Leland R. Cooper, Andrea Kenesei, 1993      **The American Bibliography of Slavic and East European Studies** Patt Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology      **Public Opinion** William A. Blade, 2002 Twenty four news networks a plethora of newspapers and magazines vibrant news talk radio and the ubiquitous Internet highlight our society as information driven With such a steady stream of hard facts mixed with publicised opinions the mainstream population has an opinion on everything Most anyone seems itching to argue their side of an issue making once private beliefs fodder for general consumption A staple of any medium s content is a regular public opinion poll on whatever hot topic strikes the editor s fancy From the significant to the mundane public opinion permeates society Accordingly politicians have taken note of these opinions and adopted stands and values that put them in tune with public sentiment An understanding of the nature of public opinion therefore is paramount in today s world This book assembles and presents a carefully chosen bibliography on public opinion in its many forms The collection of references makes for a valuable resource in studying and researching the critical issue of public opinion Easy access to these pieces of literature are then provided with author title and subject indexes      **International Journal of Public Opinion Research** , 1989

*Small Press Record of Books in Print* Len Fulton, 1994      **Choice** , 1993      **Bibliographic Guide to Slavic, Baltic and Eurasian Studies 1994** Nypl, 1995      **Центрально-Восточная Европа во второй половине XX века: ч. 1. Трансформации 90-х годов** , 2002      **The British National Bibliography** Arthur James Wells, 2003      **The Cumulative Book Index** , 1994 A world list of books in the English language      **The Hungarian Avant-Garde and Socialism** Katalin Cseh-Varga, 2022-10-06 The emergence and the activities of a second public sphere in the areas of Soviet influence were intricately linked to the performative and intermedial production and usage of alternative spaces Applying a multitude of perspectives and networked topography The Hungarian Avant Garde and Socialism investigates artistic strategies of spaces namely those of the artist s studio exhibitions installations clubs apartments cellars event halls and chapels all of which existed parallel to or were interwoven with the regulated public sphere in Hungary from the beginning of the 1960s to the era immediately following the K d r regime This book captures and discusses the exclusionary and inclusionary mechanisms inscribed into public spheres behind the Iron Curtain in all their paradoxes through the looking glass of an artist generation that was controversially labelled neo and later post avant garde Cross referencing the international tendencies in the marginal art worlds that existed between and beyond the Cold War reality of Blocs The Hungarian Avant Garde demonstrates how mostly non conformist artists in Hungary and by extension the spaces they created reacted to the conflicting contradictory nature of public spheres in the post totalitarian condition      Soldiers and Politics in Eastern Europe, 1945-90

Zoltan D. Barany,1993-07-27      **Racial Criminalization of Migrants in the 21st Century** Salvatore Palidda,2016-05-23

Over the last two decades in the West there has been a significant increase in the arrest imprisonment and detention of migrants The racial criminalization and victimization of migrants and Roma people has led judicial authorities local governments the police mass media and the general population to perceive migrants and gypsies as responsible for a wide range of offences Taking into consideration the political and cultural conditions that affect and interconnect societies of emigration and immigration the contributors examine and compare a range of cases in Europe and the United States The contributions demonstrate how the persecution of the current enemy is the total political fact of the 21st century in that it ensures consensus and business or what might be termed the crime deal of today This provocative book has international appeal and will be a valuable resource for academics researchers and policymakers with an interest in migration and social and ethnic control      **Emerging-market Multinational Enterprises in East Central Europe** Ágnes

Szunomár,2020-11-23 The rise of multinational enterprises MNEs from emerging markets is topical important and poses a number of questions and challenges that require considerable attention in the future from academia as well as business management The recent takeovers of high profile companies in developed or developing countries by non European emerging market MNEs EMNEs such as Lenovo Wanhua China Hindalco India CVRD Brazil Cemex Mexico Lukoil Russia etc as well as the greenfield or brownfield investments of emerging companies such as Huawei ZTE Tata Pepco etc show a new trend where new kind of firms become major players globally EMNEs have become important players in several regions around the globe ranging from the least developed countries of Africa through the developing markets in Latin America and Asia to the developed countries of the United States or the European Union including East Central European ECE countries EMNEs presence on the global level has resulted in numerous studies in the international literature but those research results barely cover EMNEs activities in the ECE region in the East Central European EU member countries including the Czech Republic Hungary Poland Slovakia and Slovenia The existing books typically focus on the investment activity of a single country or region such as China or East Asia but a comprehensive analysis is still missing in this regard The novelty of this edited volume is that it aims at exploring EMNEs location determinants strategies activities and challenges in East Central Europe by discussing its anomalies to the traditional theories as well as to other types of MNEs in the ECE region The authors focus on EMNEs not only from China but from other important emerging countries too such as Russia India South Korea Taiwan Turkey Brazil or South Africa      Activism in Hard Times in Central and Eastern Europe Patrice C.

McMahon,Paula M. Pickering,Dorota Pietrzyk-Reeves,2024-06-07 Activism in Hard Times in Central and Eastern Europe elevates the voices of civic activists from Central and Eastern Europe CEE and analyzes a wealth of information to generate new insights into how activism in the region manages to be vibrant diverse and consequential Because of these countries unique historical trajectory CEE activists have in important ways leap frogged their counterparts in the West Giving special

attention to activists in Bosnia and Herzegovina BiH Hungary Poland Russia and Ukraine the book focuses on responses to the recent hard times the shrinking of public space for civil society democratic backsliding polarization and Russia's war in Ukraine The contributors contend that CEE activists provide important lessons for others confronting similar challenges around the world The book is well suited for a variety of undergraduate and graduate courses such as comparative politics human rights global governance social movements Central and East European politics and contemporary world politics This timely and readable book co created by academics and activists and written in a conversational tone will also be of interest to the interested public and practitioners The book encourages readers to think differently about the role of civil society and activism as well as about how new tools and polarizing dynamics affect activism in this region Chapters 2 3 6 and 8 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Everyday Postsocialism in Eastern Europe Jill Massino, Markus Wien, 2024-09-15 The collapse of state socialism ushered in dramatic political and economic change producing new freedoms and opportunities but also new challenges and disappointments Focusing on laborers professionals youth women sexual minorities foreign students and emigrants Everyday Postsocialism in Eastern Europe explores these multifaceted changes and people's varied experiences of them The featured narratives complicate hegemonic representations of transformation revealing ruptures and continuities progress and reversals Highlighting the multi directionality of change over the last thirty years the book reappraises 1989 as an epochal event for all

Bulgaria, Hungary, Romania, the Czech Republic, and Slovakia Britannica Educational Publishing, 2013-06-01 Bulgaria Hungary Romania the Czech Republic and Slovakia share a remarkably similar trajectory on their individual paths to becoming the nations they are today Each had ties to the Roman Byzantine and Ottoman empires in earlier times all became Eastern bloc countries in the 20th century and all successfully emerged from Communist rule in the late 20th and early 21st centuries These multi layered lands where folk traditions still exist alongside the hallmarks of modern life and the remnants of communist rule are the subjects of this sweeping tome

**World Health Systems** Xiaoming Sun, 2019-11-26 Your all in one companion for health personnel World Health Systems details different health systems including their related health insurance and drug supply systems in various parts of the world with both macro and micro perspectives The book is arranged in five parts the first part presents from multidisciplinary perspectives outlines of various health systems throughout the world as well as current trends in the development and reform of world health systems The second and third parts expound on the health systems in developed countries discussing the government's role in the health service market and basic policies on medication administration and expenses before analyzing the health systems of Britain Canada Australia Sweden Germany France Japan Poland USA Singapore Hongkong China and Taiwan China The fourth and fifth parts discuss health systems in less developed countries and areas typically the BRICS and other countries in Asia Thailand Vietnam the Philippines Armenia and Kyrgyzstan Africa

Egypt Morocco Europe Hungary Czech Republic and Bulgaria and South America Cuba Chile and Mexico summarizing their past experiences while making assessments of their current efforts to shed light on future developments Details a variety of health systems throughout the world Compares their fundamental features and characteristics Discusses their respective strengths and shortcomings Provides insight from an author who holds multiple impressive titles in the health sector Public health professionals and academics alike will want to add World Health Systems to their library *Foreign Operations, Export Financing, and Related Programs Appropriations for 1998* United States.
