Jest For The Halibut:

Jest for the Halibut Felix Hamilton Fellhauer, 2001-04 More than fifty years ago when I started collecting and sometimes trying to write bits of humor such as jokes anecdotes funny verse cartoons and epigrams In the course of selling this type of material to publishers of house organs newsletters small newspapers and magazines I branched out into other kinds of fillers i e items editors could use to fill the blank part of a page in their publication So not everything in what appears to be a book of humor is funny We have however tried to collect items which are inspirational uplifting or entertaining We make no apologies for those items we wrote ourselves When one has a deadline it has to be met Upon retirement with no more deadlines to meet computers just starting to simplify rewriting and desktop publishing becoming affordable I started a little publication we call The Funny Paper Its avowed purpose is to encourage budding authors of all ages to become published authors by writing humor and other kinds of filler material Sixty one editions later we realized that in our files we had a golden treasury We needed a title and we found one tucked away in the recesses of our memory Jest For The Halibut is dedicated to all those who write try to write or want to write and especially to those who have had attained some success with humor This is the kind of book that should be in every library
