Live For The Future Now A Study Of 1 And 2 Thessalonians:

Be Ready (1 & 2 Thessalonians) Warren W. Wiersbe, 2010-08-01 Experience eternity Today During His life and ministry Christ assured the apostles that He would one day return for His people But how should this future event affect our lives today In Paul s letter to the Thessalonians he reveals that the promise of Christ s return is more than a doctrine of our faith It is a remarkable truth that can shape how we live how we connect and how we view ministry Part of Dr Warren W Wiersbe s best selling BE commentary series Be Ready has now been updated with study questions and a new introduction by Ken Baugh A respected pastor and Bible teacher Dr Wiersbe balances the prophetic with the practical and shares how Christ s powerful promise can impact every aspect of life So be encouraged Be revived And Be Ready **A Commentary on 1 & 2 Thessalonians** David Pawson, 2015-02-13 Speculation about the second coming of our Lord is nothing new The saints in Thessalonica were already being misled Paul s two corrective letters among his earliest deal with the issue in a way that is profound and practical as well as giving details to be found nowhere else in the New Testament The rapture the man of lawlessness the temple these and other features are uniquely here But there is also much sound advice for those who are so heavenly minded they are no earthly use Meddling in other people s business living on the generosity of others rather than earning despising prophetic words sexual behaviour that is lust rather than love these are just some of the arrows that find a target within the church After two thousand years these letters are as relevant today as they ever were Paul probably never guessed they would become part of scripture which God intended to be used until history ended and eternity began **1 & 2 Thessalonians: An Introduction and Study Guide** Richard S. Ascough, 2017-01-12 1 Thessalonians provides a fascinating glimpse into the origins and social life of the Christ group in the ancient Roman city of Thessalonike while 2 Thessalonians reveals how the community developed at a somewhat later time This guide narrates the story of the founding of the group by considering the social and cultural contexts the literary form the rhetorical strategies the theologies and the reception of the two canonical letters While centering on the texts of 1 and 2 Thessalonians themselves Ascough draws widely on literary and archaeological data giving particular attention to typical group behaviours among small unofficial associations in the Greek and Roman period The first four chapters focus on 1 Thessalonians from the initial formation of the Christ group out of a small association of artisans through to how members negotiated various sorts of relationships with Paul and his companions with outsiders in Thessalonike and beyond and especially with fellow believers within the group itself The final two chapters turn attention to the shifting circumstances that required a second letter to be written with its focus on disorder and disruption of social practices and theological beliefs The epilogue briefly surveys Christianity at Thessalonike beyond the 1st century This guide presents an overview of the historical development of the Christ group at Thessalonike Moving beyond treating the canonical letters as simple repositories of theological opinions Ascough demonstrates how 1 and 2 Thessalonians reveal ordinary life in ancient Roman cities In so doing he invites readers to enter

the world of one of the many fascinating communities of Christ believers in the 1st century of the Common Era 1 and 2 Thessalonians Zondervan,2016-05-24 Concentrate on the biblical author's message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God's Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author's original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes **1-2 Thessalonians** Matt Smethurst,2017-08-15 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word These 12 week studies lead participants through books of the Bible and are made up of four basic components 1 reflection questions that help readers engage the text at a deeper level 2 Gospel Glimpses that highlight the gospel of grace throughout the book 3 Whole Bible Connections that show how any given passage connects to the Bible's overarching story of redemption culminating in Christ and 4 Theological Soundings that identify how historic orthodox doctrines are taught or reinforced throughout Scripture With contributions from an array of influential pastors and church leaders these gospel centered studies will help Christians see and cherish the message of God's grace on every page of the Bible Over the course of 12 weeks this study connects Paul's letters to the Thessalonians to the lives of Christians today These epistles encourage readers by reminding them of the salvation God will bring to all those whom he has called strengthening them to pursue lives of holiness and love as they anticipate Jesus's return *1-2 Thessalonians (Redesign)* James H.
