Case Studies in Elementary and

Secondary Curriculum Marius Boboc, R. D. Nordgren, 2010 Case Studies in Elementary and Secondary Curriculum provides 21 real world cases that provide the opportunity for educators to explore the different perspectives that different stakeholders take on the concept of curriculum The cases examine how curriculum comes to life as a complex process including the whole continuum ranging from design to implementation and evaluation and how this process can be analyzed and changed Handbook of Teaching and Learning in Sociology Sergio A. Cabrera, Stephen Sweet, 2023-01-20 Showcasing advanced research from over 30 expert sociologists this dynamic Handbook explores a wide range of cutting edge developments in scholarship on teaching and learning in sociology It presents instructors with a comprehensive companion on how to achieve excellence in teaching both in individual courses and across the undergraduate sociology curriculum

Reforming Legal Education David M. Moss, Debra Moss Curtis, 2012-11-01 In today's volatile law school environment curriculum reform has emerged as a significant focus It is commonly understood that law schools effectively teach certain analytical skills but are less successful in other areas and often scramble to adapt to evolving aims This book demonstrates how law schools are successfully reforming their curriculum and lays the framework to show how all schools of law can engage in a continuous reform model that proactively shapes our profession It is expected that faculty and professional staff engaged in legal education will utilize this book as a primary resource to guide their respective reform efforts Each contributed chapter presents a case study of a data driven curriculum reform effort The initial chapters set the conceptual context for the book while the final chapter offers summative recommendations for considering legal education reform as derived from the earlier case study chapters This book adds significantly to the literature in legal education as we gain first hand insight into evidence based reform for the legal education community Susan Udelhofen, 2014-04-25 Discover your road map for creating a curriculum based on the Common Core State Standards Explore various stages of curriculum development from the preliminary work of building academic support to creating Common Core curriculum maps and tracking school improvement goals Learn to effectively share information during the curriculum building process and engage in significant collaborative conversations around the curriculum **Curriculum Inquiry in South African Higher**

Education Eli Bitzer, Nonnie Botha, 2011-11-01 At once evocative and suggestive this exemplary book gives me hope that educators and scholars across the world will seize the opportunity to self reflect and enlarge and enrich both their research and their practice in ways that will markedly contribute to the revitalisation of the higher learning in the twenty first century The urgency of the need for revitalisation of both research and practice in this domain of inquiry cannot be overstated Prof Clifton Conrad University of Wisconsin Madison USA **Collaborating for English Learners** Andrea Honigsfeld, Maria G. Dove, 2019-01-18 Looking for a silver bullet to accelerate EL achievement There is none But this we promise when EL specialists and general ed teachers pool their expertise your ELs language development and content mastery will improve exponentially Just ask the tens of thousands of Collaboration and Co Teaching users and now a new generation of educators

thanks to this all new second edition Collaborating for English Learners Why this new edition Because more than a decade of implementation has generated for Andrea Honigsfeld and Maria Dove new insight into what exemplary teacher collaboration looks like which essential frameworks must be established and how integrated approaches to ELD services benefit all stakeholders Essentially a roadmap to the many different ways we can all work together this second edition of Collaborating for English Learners features All new examples case studies illustrative video and policy updates In depth coverage of the full range of strategies and configurations for determining the best model to adopt Templates planning guides and other practical tools to put collaboration into practice Guidelines self assessments and questionnaires for evaluating the strategies effectiveness By this time the big benefits of teacher collaboration are well documented Where teachers and schools struggle still is determining the best way to do so especially when working with our ELs That s where Andrea Honigsfeld Maria Dove and their second edition of Collaborating for English Learners will prove absolutely indispensable After all there are no two better authorities
