**The life and work of st. Paul** Frederic William Farrar,1883      THE LIFE AND WORK OF ST. PAUL Frederic William Farrar,2022-03-03 The chief object has been to give a definite accurate and intelligible impression of St Paul s teaching of the situations in which he was engaged of the circumstances which educed his statements of doctrine and practice of the innermost heart of his theology in each of its phases of his Epistles as a whole and of each Epistle in particular as complete and perfect in itself Sometimes in our custom of studying the Bible year after year in different texts and isolated chapters we are but too apt to lose sight of what the Bible is as a whole and even of the special significance of its separate books      **The life and work of st. Paul. Poular ed** Frederic William Farrar,1891      **The Life and Work of St. Paul** F. W. Farrar,2014-05-21 This is a voluminous and comprehensive biography of one of the most important figures in the history of Christianity Aside from Jesus himself one of the most important and best known individuals of the New Testament is Paul the Apostle formerly Saul of Tarsus A Hebrew born of Hebrews Paul s conversion to Christianity was unquestionably one of the seminal events in the history of the religion because it would be Paul who spread Christianity across much of the Mediterranean In the process over half of the history recorded in the Acts of the Apostles covers the life of Paul and over half of the letters of the New Testament were written by him Many churches and cathedrals in the western world have been named after him and on any given Sunday in any number of churches around the world his writings and the events of his life form the basis of sermons devotional literature books Bible studies music movies and prayers At the same time even as Paul s life and works are better documented than just about any other figure in the New Testament a lot about him remains mysterious In addition to what was written in Scripture other sources have helped to fill in the gaps particularly a tradition that holds Paul was martyred in Rome during the reign of Nero Despite the primary source material that comes from the books of the New Testament primarily Acts and Paul s own writings no autobiography of Paul exists and the Bible did not record the details of his life      **The Life and Work of St. Paul Practically Considered and Applied** Alexander ROBERTS (D.D.),1867      **The Life and Work of St. Paul** F.
