'Barry' Davis, 2008-03-31 Roderic B. Davis Sr is better known as Coach Barry or Barry Coach. Barry has been coaching since 1976 when he was 19 years old. Due to his coaching and interacting with youth and their parents, he has had plenty of opportunities to talk to both his players and their parents about different situations in their life. He soon found out that coaching just for that particular sport was not the only reason why he was coaching. Everyday issues and situations about day to day life were the priority. When Barry talked to them not having the time to think of a politically correct response or a perfect answer, God blessed him to be able to speak to them from his heart. Barry realized he was coaching for life. Today he still teaches and coaches basketball while giving life lessons with a common sense approach. It is said Common Sense is not all that common. **From My Heart** shows how regular everyday issues and situations can either be solved or changed for the better by using plain old common sense. **From My Heart** will make people sit up and take inventory of their lives to see if there was anything they could have done better and if there is anything they can do better to improve their life. **From My Heart** is a book filled with God-inspired messages. It was written to help people deal with life's issues and situations. As you read you will see Barry has a passion for children, families and people in general who are trying to live their lives the best way they can. These messages are about all different aspects of life. Even though common sense may not seem to be that common sooner or later common sense has gotta kick in ***International Marketing*** Daniel W.
