these to compare and to bring to your attention Also you may say that I may have digressed sometimes on topics which are according to you nothing to do with your career but I am talking about social norms cultures and traditions in those examples They are just for general knowledge and possibly as cautionary tales about things you do not do especially when you have taken up a job abroad far away from your own country and in a strange culture away from your own land The Liar's Guide to Getting Ahead John Fitzgerald,2008-02-01 The Liar s guide will show you how to tell if someone is lying to you as well as showing you how not to get caught in lying The tactics explained in this book are the same as those used by Law enforcement and major corporations today Getting Ahead of the Gayme Mason R.
