Getting To Know My Bible Fall:

A Pocket Guide to the Bible Kevin O'Donnell, 2013-04-17 A small very easy to use guide to the Bible This book uses an attractive design and concise text to give the reader an accessible way into the Bible The book takes the reader step by step through the Bible helping him or her to understand the key subjects and types of book it contains and suggests passages of the Bible to begin reading This is not a commentary or a handbook it doesn't deal with weighty issues or debates over interpretation historicity etc Nor is it a zany guide for the young rather it is for those who want a simple unfrightening approach to this important book and who will feel more comfortable with the small format *This Book Is for You* Tricia Lott Williford, 2021-08-17 This is a book about falling in love with the Bible that feels nothing like reading a book about the Bible This Book Is for You will help you learn that the Bible has something life changing to say about who you are where you are and the God who is in the midst of it When you finish this book you just might say I see what she did here I didn't realize it but I was learning while I was laughing She invited me into a dialogue about things I didn't know I wanted to learn She stirred within me a love for the Bible but it didn't hurt at all This Book Is for You invites you into the author's life using stories humor and charm revealing how the Bible has become Tricia Lott Williford's daily lifeline Regardless of your notions of the Bible Tricia will help you engage with it as a living meets me where I'm at thing Tricia is not a seminarian She is a lover of God's Word She is not a highbrow academician She is educated as a grade school teacher who sometimes uses comic relief to make her point She is not a theologian a Bible teacher or even a Bible scholar Tricia is a lover of messy people a mom of two teenage boys who are likely late for school and wearing mismatched socks She has been known to absentmindedly doodle in the margins of overdue library books She has battled depression and anxiety to degrees that have nearly drowned her She has begged the Lord for miracles that only He could provide And somewhere in the midst of all that she fell hopelessly in love with the Word of God as a light to her next step and the air for her next breath Now Tricia wants you to experience this too Connecting With God Ron Luce, 2009-02-15 Since 1986 Ron Luce and Teen Mania have held huge events reaching millions of teens with the message of living completely abandoned lives for Christ With the hearts minds and loyalties of today's teens more at risk than ever it is imperative to fill their minds with the things of God In Connecting with God Luce provides engaging daily readings on topics of interest to teens including friends entertainment parents school and more For teens wanting a deeper relationship with Christ as well as those searching for answers to life's questions here is a valuable tool that will lead them into a more passionate deeply committed relationship with Christ that they can then speak out to the world **Falling in Truth: The Education of a Jehovah's Witness** Steve McRoberts, How to Study Your Bible L. In the Midst of Pain Juanita R. McNeil, 2012-10 The reason why I wrote this book is that I am hoping that I can reach out to others who are in pain and hopefully help them persevere and cope through life s toughest battles I want to encourage people who are in some type of pain in hopes that I can help them recover from it Now the first four chapters of this book is about my life as a child growing up in a vicious atmosphere and how this same vicious cycle always seems to repeat itself This vicious cycle grew with me into my adulthood This book also contains what reality is like for me and how it is for others Reality is very different for each individual and each individual deals with it differently I will also tell you about how I dealt with the pain and how others can learn to deal with it too Now if there is someone out there who is in despair and thinks that death is the only answer to all their pain well please I hope that you will continue to read this book I do pray that it will help you or help you deal with someone you know who thinks that death is the only answer Believe me when I say that death is not the answer because it s not So my purpose of my book is to help you change your perspective on life in THE MIDST OF PAIN But it is

only now that I have come to realize that after enduring some serious traumas in my life life is good after all and it is such a blessing to live for God Just think how life can bring you understanding on how to use your pain as an opportunity to help others in need who are right in the middle of a crisis Just when you think you can t handle no more and that you feel like you are at the end of your rope that is when God shows up and God will show off his blessings in your life Please believe me when I say that this is the most beautiful and wonderful feeling to ever have No one can make you feel as good as God does Now not only will God make you feel good but he will also change your life to the good All you have to do is just reach out and take his hand because he is waiting for you This book is based on the facts and the truth about my life Now through the pain that I have endured I have gained some insight for the purpose of my book I am blessed to say that this book has changed my life and I am in hopes that it will help change other people s lives too The more I read my own book the more I learn from it I do hope that it will do the same for you too for it is my desire to help all those who are in need of an answer May God bless you as you read this book

BACKSLIDING AND FALLING AWAY GODSWORD GODSWILL ONU,2015-03-30 The word backslide literally means to turn back or turn away from God our first love or the Word of God to satan the world the flesh or evil Backsliding is a sliding back Though backsliding is not sudden in onset it may escalate rapidly Backsliding is different from falling away or apostasy which is the extreme end of backsliding Apostasy or falling away is the act or state of rejecting the Christian Faith and belief in the Lord Jesus Christ But backsliding has to do with going into sin getting lukewarm leaving your first love living in compromise and worldliness and such things It is a sliding back a going back from our former good state

From the Darkness to the Light Paul Kwame Kyei,2012-06 My journey in this life began in a small village in Ghana in West Africa My father was a fetish priest a practitioner of our traditional religion As a boy I became a Christian the first in my family to do so I served in the Methodist Church for many years and I was known there as a fiery preacher Then I found the ascended masters the great souls of East and West from all races and religions who have returned to God in the ritual of the ascension Elizabeth Clare Prophet their messenger became my mentor and teacher I have followed the path of the masters and their teachings for nearly forty years

In those years I have witnessed miracles and passed through many tests and challenges I have seen black magic and witchcraft and felt their effects I have seen how the Light overcomes the Darkness Through it all the masters have never left me This is the story of my journey My hope is that what I have written may shed some light on the path for those who follow
