Get Set For Philosophy:

Get Set for Philosophy Douglas Burnham, 2019-06-01 This is the first book to combine an introduction to Philosophy as a degree subject with the practical study and assessment skills that the student is likely to need. It begins by helping a student to make an informed choice about which philosophy course to apply for and goes on to introduce the subject via key problems and philosophers. It expertly guides the reader towards philosophical thinking as an activity and offers practical advice for developing techniques specific to the study of philosophy. Features: Gives brief biographies of major philosophers. Provides clear definitions of key terms and guidance on further reading. Includes sample essays and examination questions. Covers time management and self-motivation skills. Offers tips on making use of contact time with tutors. [Get Clients Now!](#) C. J. Hayden, 1999 In a world where the average consumer is bombarded with more than 4 000 marketing messages each day, how can you make your voice heard above the din? How can you make your service stand out from the crowd? How can you reach the marketing-weary public and attract new clients? *Get Clients Now* shows you how. This inspirational and motivational book features a 28-day marketing program that shows you how to locate and keep new clients in greater numbers than you've ever dreamed possible. [How to Make Real Money Selling Books](#) Brian Jud, 2013-03-14 The worldwide book market generates almost 90 billion annually, and more than half of those sales are made in non-bookstore outlets such as discount stores, airport shops, gift stores, supermarkets, and warehouse clubs. *How to Make Real Money Selling Books* provides a proven strategy for selling books to these enterprises. You will learn about developing a product strategy, conducting test marketing, contacting prospective buyers, promoting your product, selling to niche markets, and much much more. **Authoring Your Life** Marcia B. Baxter Magolda, 2023-07-12 Who am I? What do I want in relationships? How do I know what to believe? How do I manage the stresses of living? This is a guide to addressing life's challenges and competing demands. It will help you to reflect on the problems and setbacks you encounter to discover your own voice, uncover your authentic sense of values, build your confidence, and find meaning in your life. This is however far more than a self-help book, and it addresses multiple audiences. Because everyone's circumstances differ and life is unpredictable, this book does not offer simplistic solutions and steps to follow. Instead, Marcia Baxter Magolda immerses you in the stories of thirty-five adults whom she has followed and interviewed for over twenty years. With her guidance and using the self-authorship framework she has developed, you will recognize in yourself many patterns and parallels from the protagonists' stories of emotional and intellectual growth. By reflecting on these life stories, you will gain insights about your individual values and identity and strengthen your sense of self-reliance to handle significant transitions and unexpected circumstances. In addition to helping you identify the phases of your journey to self-authorship, Marcia Baxter Magolda offers reflective exercises and questions to help you uncover your strengths and identify the barriers that may be inhibiting you from building the internal psychological compass that will serve as the foundation for your journey. Offering advice on how to be good company for those who have set

out on their journey to self authorship the book is also addressed to partners family members friends teachers mentors and employers so they can offer support to those that face these challenges Finally for scholars of adult development this book offers the latest articulation of the developing theory of self authorship *Isms* Gregory Bergman,2006-05-30 If you love words you ll love iSMs There are words and then there are ISMs More than just expressions with a wacky suffix ISMs are the eccentric geniuses of the English language From esoteric philosophies and arcane religions to avant garde artistic movements and kinky sexual practices ISMs describe our highest forms of human thought and endeavor and our very lowest In this engaging and enlightening book you ll explore more than 200 of the most interesting mysterious and obscure ISMs discovering the true meaning of these intriguing words as well as the often bizarre etymologies mythologies and the common and not so common usage behind them With ISMs as your guide you ll be the most sophisticated wordsmith since Yogi Berra

Sisyphus's Boulder Eric Dietrich,Valerie Gray Hardcastle,2005-02-17 Consciousness lies at the core of being human Therefore to understand ourselves we need a theory of consciousness In *Sisyphus's Boulder* Eric Dietrich and Valerie Hardcastle argue that we will never get such a theory because consciousness has an essential property that prevents it from ever being explained Consequently philosophical debates over materialism and dualism are a waste of time Scientific explanations of consciousness fare no better Scientists do study consciousness and such investigations will continue to grow and advance However none of them will ever reveal what consciousness is In addition given the centrality of consciousness in philosophy Dietrich and Hardcastle claim that philosophy itself needs to change That the central problems of philosophy persist is actually a profound epistemic fact about humans Philosophy then is a limit to what humans can understand Series A
