Introduction To Gangs:

An Introduction to Gangs George W. Knox,2000 **Introduction to Gangs** George W. Knox,D. Lee Gilbertson,Gregg Etter,Carter F. Smith,2016-02-26 Introduction to Gangs is a practical guide and handbook for anyone dealing with gang violence including police courts prisons community police psychologists and more It includes case studies illustrations of gang graffiti gang terminology gang identification maps or illustrations summary statistics graphs and more In addition it gives voices to those impacted by the world of gang crime and gang violence including gang members former and active and their families *Introduction to Gangs in America* Ronald M. Holmes,Richard Tewksbury,George Higgins,2011-12-02 Gangs have long been a social and criminal threat to society Introduction to Gangs in America explains how gangs are addressed as a criminal justice and public policy problem providing a student friendly easily accessible concise overview of the role place structure and activities of gangs in American society The book describes what gangs are **Gangs and the Military** Carter F. Smith,2019-09-20 Over the past several decades there has been a continuous and growing focus on street gangs outlaw motorcycle gangs and domestic extremist groups Many of these groups have members with military training and some actively recruit from current and former military veterans and retirees That military experience adds to the dangerousness of veteran gang members as well as those groups they associate with Communities everywhere are experiencing the damaging impact of gang criminal behavior By observing gang activity from the Revolutionary War to today Smith examines the presence of military trained often veteran gang members in the communities He looks at the turning points in gang investigations in the military and also looks at the laws and policies designed to specifically counter the criminal activity the threats of gang activity pose on a community Grounded in current knowledge and research Gangs and the Military successfully addresses the growing presence of criminal gang members in the United States As well as reflects on how the authorities that counter and combat them are doing so on a national and global level *Gangs and Society* Louis Kontos,David C. Brotherton,Luis Barrios,2003-05-01 Compiled by three leading experts in the psychological sociological and criminal justice fields this volume addresses timely questions from an eclectic range of positions The product of a landmark conference on gangs Gangs and Society brings together the work of academics activists and community leaders to examine the many functions and faces of gangs today Analyzing the spread of gangs from New York to Texas to the West Coast the book covers such topics as the spirituality of gangs the place of women in gang culture and the effect on gangs of a variety of educational programs and services for at risk youth The final chapter examines the gang photography phenomenon by looking at the functions and politics of different approaches to gang photography and features a photographic essay by Donna DeCesare an award winning journalist The Handbook of Gangs Scott H. Decker,David C. Pyrooz,2015-07-21 Pulling together the most salient current issues in the field today The Handbook of Gangs provides a significant assessment by leading scholars of key topics related to gangs gang members and responses to gangs Chapters cover a wide array of the

most prominent issues in the field of gangs written by scholars who have been leaders in developing new ways of thinking about the topics Delivers cutting edge reviews of the current state of research and practice and addresses where the field has been where it is today and where it should go in the future Includes extensive coverage of the individual theories of delinquency and provides special emphasis on policy and prevention program implications in the study of gangs Offers a broad understanding of how other countries deal with gangs and their response to gangs including Great Britain Latin America Australia and Europe Chapters covering the legacies of four pioneers in gang research Malcolm W Klein Walter B Miller James F Short Jr and Irving A Spergel

Youth Gangs James C. Howell, 1998 The United States has seen rapid proliferation of youth gangs since 1980 During this period the number of cities with gang problems increased from an estimated 286 jurisdictions with more than 2 000 gangs and nearly 100 000 gang members in 1980 Miller 1992 to about 4 800 jurisdictions with more than 31 000 gangs and approximately 846 000 gang members in 1996 Moore and Terrett in press An 11 city survey of eighth graders found that 9 percent were currently gang members and 17 percent said they had belonged to a gang at some point in their lives Esbensen and Osgood 1997 Other studies reported comparable percentages and also showed that gang members were responsible for a large proportion of violent offenses In the Rochester site of the OJJDP funded Program of Research on the Causes and Correlates of Delinquency gang members 30 percent of the sample self reported committing 68 percent of all violent offenses Thornberry 1998 In the Denver site adolescent gang members 14 percent of the sample self reported committing 89 percent of all serious violent offenses Huizinga 1997 In another study supported by OJJDP and several other agencies and organizations adolescent gang members in Seattle 15 percent of the sample self reported involvement in 85 percent of robberies committed by the entire sample Battin et al 1998 This Bulletin reviews data and research to consolidate available knowledge on youth gangs that are involved in criminal activity Following a historical perspective demographic information is presented The scope of the problem is assessed including gang problems in juvenile detention and correctional facilities Several issues are then addressed by reviewing gang studies to provide a clearer understanding of youth gang problems An extensive list of references is provided for further review

Gangs in America's Communities James C. Howell, Elizabeth Griffiths, 2018-02-08 *Gangs in America's Communities* Third Edition blends theory with current research to help you identify essential features associated with youth violence and gangs as well as apply strategies for gang control and prevention Authors Dr James C Howell and Dr Elizabeth Griffiths introduce you to theories of gang formation illustrate various ways of defining and classifying gangs and discuss national trends in gang presence and gang related violence across American cities They also offer evidence based strategies for positioning communities to prevent intervene and address gang activity New to the Third Edition A series of new case studies document the evolution of numerous gangs in large cities including the community aspect evolutionary nature and how cities influence levels of violence New discussions highlighting the role of social media insights into how gangs use it to recruit members and

the response from law enforcement Current nationwide gang trends are discussed to encourage you to analyze and interpret the most recent statistics for which representative data is available Updated macro and micro gang theories enable you to explore a recent encapsulation of leading developmental models New discussions around female gang members offer you potentially effective programs for discouraging females from joining gangs along with highly regarded delinquency prevention and reduction programs that have the potency to be effective in reducing gang crimes among young women A comprehensive gang prevention intervention and suppression program in Multnomah County Oregon shows how theory was successfully applied to reduce gang activity in a local community New research on gang structures and their rates of crime illustrate the connections between violent crimes and the amount of violent offenders within a gang Additional discussion of distinguishing features e g typologies of major gangs and numerous examples of gang symbols tattoos and graffiti has been added to help readers identify and differentiate various types of gangs A Dictionary of Gangs Bill Sanders,2019-02-05 A worldwide fascination with gangs is evident they are a major focus of the criminal justice system and the object of much media attention This new Oxford Reference title of over 250 entries gives a concise overview of key terms used in the study and understanding of gangs the first dictionary of its kind to focus on gang vernacular Broad in scope it covers colloquialisms used in gang culture to describe certain behaviours common among gang members such as caught slipping and jumped in sociological and criminological terms in relation to gangs such as social disorganization and social learning as well as general academic concepts which apply to gangs including Critical Race Theory acculturation moral panic and identity It also includes entries on gangs both inside and outside of the United States and theories of key gang researchers **Gangs** Bill Sanders,2016-02 This is a textbook for undergraduate majors and non majors in an introductory Juvenile Delinquency course or course on Gangs *An Introduction to Violent US Gangs* Federal Bureau of Investigation,2014-04-28 STUDENT STUDY An Introduction to Violent US Gangs Understanding Violent Gangs in the US Includes the A Z of American Street Prison and Outlaw Motorcycle Gangs Gangs pose a serious threat to public safety in many communities throughout the United States Gang members are increasingly migrating from urban to suburban areas and are responsible for a growing percentage of crime and violence in many communities Much gang related criminal activity involves drug trafficking however gang members are increasingly engaging in alien and weapons trafficking Additionally a rising number of U S based gangs are seemingly intent on developing working relationships with U S and foreign based drug trafficking organizations DTOs and other criminal organizations to gain direct access to foreign sources of illicit drugs Criminal gangs commit as much as 80 percent of the crime in many communities according to law enforcement officials throughout the nation Typical gang related crimes include alien smuggling armed robbery assault auto theft drug trafficking extortion fraud home invasions identity theft murder and weapons trafficking Gang members are the primary retail level distributors of most illicit drugs They also are increasingly distributing wholesale level quantities of marijuana and cocaine in most urban and suburban communities

Some gangs traffic illicit drugs at the regional and national levels several are capable of competing with U S based Mexican DTOs U S based gang members illegally cross the U S Mexico border for the express purpose of smuggling illicit drugs and illegal aliens from Mexico into the United States

Gangs Scott Cummings, Daniel J. Monti, 1993-03-03 This book is an examination of contemporary gangs in American cities Gangs have proliferated over the past ten years and pose a new set of challenges to public officials law enforcement agencies and urban educators Most major cities are now confronted with serious problems derived from gang violence drug traffic and disruption of the public educational system In the face of deindustrialization and deepening recession many minority youngsters view gangs as attractive alternatives to a futile search for employment in a deteriorating urban economy Perhaps most significant gangs are now beginning to emerge in small and medium sized cities Some of the nation s leading scientists and scholars have been brought together in this book to examine the contemporary contours of America s gang problem including Daniel J Monti Joan Moore Scott Cummings Howard Pinderhughes Diego Vigil Ray Hutchison Felix Padilla Jerome H Skolnick Pat Jackson and Robert A Destro New material dealing with wilding gangs migration and drug trafficking and public educational disruption appear in this volume Other topics covered include how gangs are organized what social function they serve their relation to conventional society and the social and psychological factors that contribute to their rise The relationship of the contemporary gang problem to past research is explored and a rich variety of case histories and comparative analysis is presented The book also includes a section on public policy

The History of Street Gangs in the United States James C. Howell, 2015-06-09 This book is an historical account of the emergence of youth gangs and the transformation of these into street gangs in the United States The author traces the emergence of these gangs in the four major geographical regions over the span of two centuries from the early 1800s to 2012 The author s authoritative analysis explains gang emergence and expansion from play groups to heavily armed street gangs responsible for a large proportion of urban crimes including drive by shootings that often kill innocent bystanders Nationwide street gangs now account for 1 in 6 homicides each year and for 1 in 4 in very large cities In recent years the number of gangs gang members and gang homicides increased even though the U S has seen a sharp drop in violent and property crimes over the past decade The author s historical analysis reveals the key contributing factors to transformation of youth gangs including social disorganization that occurred following large scale immigration early in American history and urban policies that pushed minorities to inner city areas and public housing projects This analysis includes the influence of prison gangs on street gangs The first generation of prison gangs emerged spontaneously in response to dangers inside prisons The second generation was for many years extensions of street gangs that grew enormously during the 1980s and 1990s particularly in large urban areas in which public housing projects have served as incubators for street gangs The third generation of prison gangs is extremely active in street level criminal enterprises in varied forms often highly structured and well managed organizations that are actively involved in drug trafficking In recent

years returning inmates are a predominant influence on local gang violence Now prison gangs and street gangs often work together in street level criminal enterprises This book identifies the most promising ways that gang violence can be reduced The best long term approach is a combination of gang prevention intervention and suppression strategies and programs Targeted suppression of gang violence is imperative Street workers that serve as violence interrupters can break the cycle of contagious gang violence

Gangs in the Caribbean Randy Seepersad, 2013-09-17 The present volume represents the first published book on gangs in the Caribbean The study of criminal gangs is both timely and of the utmost importance to policy and security in the region In many countries across the Caribbean criminal gangs are increasing in number and prominence and official crime data indicate that they are responsible for an increasing proportion of violent crimes The Caribbean region experienced a dramatic increase in murder rates from 14.3 murders per 100 000 inhabitants in 2000 to 28.1 murders per 100 000 inhabitants in 2010 In some of the countries with comparatively high murder rates such as Jamaica and Trinidad and Tobago the proportion of gang related murders has reached alarming levels In the case of Trinidad and Tobago for example for the period 2001 to 2012 29.5% of all murders which occurred were classified as gang related with fully 38% being so classified in 2012 The Caribbean represents a diverse region with very different cultures and security issues Foreign experiences and research on gangs may not generalize to the region nor may foreign policy be entirely relevant The present volume represents an attempt to come to terms with the phenomenon of gangs in the Caribbean and presents a wealth of empirical data as well as an analysis of the varying issues from a number of disciplinary perspectives Much of what is currently known about gangs in the Caribbean is brought together in this volume with the primary aims of understanding the varying issues and examining relevant strategies for dealing with the proliferation of criminal gangs

Schools, Violence, and Society Allan M. Hoffman, 1996-05-30 This book is designed to examine issues related to schools violence and society Since the 1960s crime and violence have been increasing in America's schools This violence is not limited to inner city schools but has struck virtually every strata and socio economic level of American culture and society The prevalence of crime and violence occurring in our nation's schools has become the concern of policymakers on the national and state levels Concern has spread to parents educators and students themselves This edited volume reviews violence in society school violence and crime Coverage includes past trends in school violence and describes the current extent of the problem as well as aspects of its causes and prevention The influence on the students and community of gang activity gang related issues drugs alcohol and weapons on campus is discussed

Gangs, Drugs and Youth Adversity Deuchar, Ross, McLean, Robert, 2021-12-02 In Glasgow street gangs have existed for decades with knife crime becoming a defining feature More than a decade on from Deuchar's original fieldwork this book explores the transitional experiences of some of the young men he worked with as well as the experiences of today's young people and the practitioners who work to support them Through empirical data policy analysis and contemporary insights this dynamic book explores the evolving nature of gangs and the

contemporary challenges affecting young people including drug distribution football related bigotry and the mental health repercussions emerging from social media *Gangs and Youth Subcultures* Kayleen Hazlehurst,Cameron

Hazlehurst,2018-01-16 Gangs are growing in many different social economic and political environments coupled with an alarming breakdown of public order Failures to contain or reduce gang crime in European Asian South American African and North American cities may be symptoms of fundamental problems threatening the fabric of many societies The spread of gangs to suburbia and remote locations is a palpable worldwide threat But despite nearly a century of scholarly inquiry into street gangs and youth subcultures no single work systematically reflects on comparative international experiences with gangs *Gangs and Youth Subcultures* takes up this challenge Kayleen Hazlehurst and Cameron Hazlehurst argue that theories of gang behavior in immigrant communities and the influence of transnational crime syndicates are better tested in more than one host society Similar phenomena would be better understood if placed in a comparative context To this purpose the editors assembled expert scholars and policy advisers from North America Europe South Africa and Australasia *Gangs and Youth Subculture* lays the groundwork for an explanation of why gangs continue to grow in strength and influence and why they have spread to remote locations Kayleen Hazlehurst and Cameron Hazlehurst present new findings and innovative preventive strategies in a clear concise fashion No other work brings together experts on gangs and youth subcultures from so many countries As such this trailblazing book will interest scholars and teachers of criminology and sociology justice system administrators as well as law enforcement officers and youth workers internationally **Gangs in the Era of**

Internet and Social Media Chris Melde, Frank Weerman, 2020-08-13 The ubiquity of the internet and social media has influenced the lives of people across the globe including young people involved in street gangs and troublesome youth groups This development raises important questions about the causes features and consequences of online gang behavior as well as the consequences of this new phenomenon for gang prevention and intervention In this edited volume members of an international network of gang researchers the Eurogang Program of Research present findings and insights from recent academic gang studies focused on the use of internet and social media It focuses on online features of gangs and the consequences of social media for the study of these groups The second section of the book focuses on the meaning of online media for the prevention monitoring and intervention of gangs and for gang disengagement processes This is the first volume focused on the role of internet and social media in the study of gangs Providing much needed insights into online gang processes it will appeal to students and researchers interested in gangs and juvenile delinquency and to professionals practitioners and policy makers working on preventing or reducing gang involvement and delinquent behavior Gangs, Peers, and Co-offending: Oxford Bibliographies Online Research Guide Terrance J. Taylor, 2010-05 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online

archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In criminology as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Criminology a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www aboutobo com](http://www.aboutobo.com)

Introduction To Gangs Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Introduction To Gangs PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Introduction To Gangs PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources

available. In conclusion, the availability of Introduction To Gangs free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
