

Great Experiment

Frank Thistlethwaite

Great Experiment:

The Great Experiment John H. Rhodehamel, 1998 Rhodehamel brings Washington vividly to life a man who was born a loyal subject of the British crown and became the leader of a radical revolution a victorious military leader who relinquished the trappings of power to return to farming and a reluctant statesman who forged the institutions of a popular government that have endured for two centuries 100 color illustrations Showcasing the Great Experiment Michael David-Fox, 2011-10-01 During the 1920s and 1930s thousands of European and American writers professionals scientists artists and intellectuals made a pilgrimage to experience the Soviet experiment for themselves Showcasing the Great Experiment explores the reception of these intellectuals and fellow travelers and their cross cultural and trans ideological encounters in order to analyze Soviet attitudes towards the West Many of the twentieth century s greatest writers and thinkers including Theodore Dreiser Andr Gide Paul Robeson and George Bernard Shaw notoriously defended Stalin s USSR despite the unprecedented violence of its prewar decade While many visitors were profoundly affected by their Soviet tours so too was the Soviet system The early experiences of building showcases and teaching outsiders to perceive the future in the making constitute a neglected international part of the emergence of Stalinism at home Michael David Fox contends that each side critically examined the other negotiating feelings of inferiority and superiority admiration and enmity emulation and rejection By the time of the Great Purges these tensions gave way to the dramatic triumph of xenophobia and isolationism whereas in the twenties the new regime assumed it had much to learn from Western modernity by the Stalinist thirties the Soviet order was declared superior in all respects Drawing on the declassified archival records of the agencies charged with crafting the international image of communism David Fox shows how Soviet efforts to sell the Bolshevik experiment abroad through cultural diplomacy shaped and were in turn shaped by the ongoing project of defining the Soviet Union from within These interwar Soviet methods of mobilizing the intelligentsia for the international ideological contest he argues directly paved the way for the cultural Cold War **The Greatest Experiment Ever Performed on Women** Barbara Seaman, 2011-01-04 With the ardent tone of a close friend Barbara Seaman draws on forty years of journalistic research to expose the menopause industry and shows how estrogen therapy often causes more problems including breast cancer heart attack and stroke than it cures The Greatest Experiment Ever Performed on Women tracks the well intentioned discovery of synthetic estrogen through the unconscionable and misleading promotion of a dangerous drug *The Great Experiment* Thomas Dillon O'Brien, 1922 *The Integration of Major League Baseball* Rick Swaine, 2009-06-08 This book is a record of the men and events team by team during Major League Baseball s integration It focuses especially on the owners executives and managers who were the heroes villains or spectators of integration and it sheds new light on the unheralded champions of integration and on those whose culpability has so far been overlooked Individual chapters cover each of baseball s integration era teams and a final chapter covers expansion teams of the 1960s Each team s responsible individuals

are examined its acquisition deployment and treatment of black players documented and the effect of its integration actions on team performance analyzed Appendices provide populations of integration era Major League cities first black players by team first black players in various minor leagues rosters of black players by team a timeline of black player milestones and a list of black All Star selections through 1969

Jackie Robinson Mary Linge, 2007-07-30 When the Brooklyn Dodgers recruited Jackie Robinson from the Negro Leagues Kansas City Monarchs in 1947 it marked a turning point both in baseball and civil rights history Robinson became the first African American to play in the Major Leagues and in doing so led generations of black players into the previously all white world of professional baseball As one of the greatest players professional baseball has ever seen Robinson fought fiercely for civil rights on and off the diamond throughout his lifetime and in doing so became a great American hero Mary Kay Linge recounts the extraordinary story of Robinson's life from his early childhood in the South to his college years at UCLA to becoming a Hall of Famer and a major figure in the NAACP In analyzing the surrounding social and cultural contexts of Robinson's time this biography examines the legacy of a man who forever changed baseball A timeline statistical appendix bibliography of print and electronic sources for further reading and photographs enhance this biography

Sam Lacy and Wendell Smith Wayne Dawkins, 2024-07-31 This dual biography highlights the transformative influence of Sam Lacy and Wendell Smith two journalists who changed American sport and society through their calls to desegregate Major League Baseball and recognize Black baseball players In a decade long battle Lacy and Smith tirelessly advocated for the inclusion of Black players in the major leagues reporting in the Baltimore Afro American and Pittsburgh Courier respectively Both sports writers covered players in the Negro Leagues following off season games in places like Mexico Cuba and the Dominican Republic In 1947 Lacy's and Smith's work helped break through MLB's racial barriers when Jackie Robinson joined the Brooklyn Dodgers Over the coming years Lacy and Smith on individual career trajectories but sharing a common goal would report on the dissolution of the Negro Leagues and future MVPs such as Willie Mays Hank Aaron and Elston Howard The book considers the lasting legacies of these sports journalists both recognized in the writers wing of the Baseball Hall of Fame Through its thoughtful analysis of Lacy and Smith's groundbreaking impact on America's pastime this book will appeal to students and general readers interested in sports history and journalism and Afro American history

The Great Experiment Frank Thistlethwaite, 1965 *Herb Pennock* Keith Craig, 2016-04-29 Herbert Jefferis Pennock 1894 1948 was a Hall of Fame pitcher for the dynastic 1920s New York Yankees Considered one of the best left handed pitchers in history Pennock won 241 games on the mound never lost in his five World Series starts and came within four outs of pitching the first no hitter in a World Series in 1927 More than just a great pitcher Pennock was well respected by teammates and locals alike He was known as a principled practical gentleman with an intellect that matched his pitching skills and a humanity that bested both In *Herb Pennock Baseball's Faultless Pitcher* Keith Craig recounts Pennock's ascent from well to do Kennett Square to the heights of major league baseball Signed

by the Philadelphia A s legendary Connie Mack as an 18 year old school boy Pennock would flourish into a dependable pitcher for the New York Yankees He was part of the iconic Murderer s Row team and played a crucial role in their World Series victories For 22 seasons Pennock s forte was control not power he studied each hitter every at bat and exploited all weaknesses When Pennock s playing career came to an end he used that same single minded diligence as the General Manager of the woeful Philadelphia Phillies where he reinvented the team through the careful development of its farm system that resulted in the 1950 pennant winning Whiz Kids Including interviews with Pennock s family members and Kennett Square residents who personally knew the baseball legend Herb Pennock Baseball s Faultless Pitcher is the first biography to paint such a complete picture of Pennock and the times he lived in Featuring original photographs provided by his family this book delivers an invaluable look into the life of a great ballplayer savvy front office executive and honorable man

The Mighty Experiment Seymour Drescher,2004-10-14 This study analyses Great Britain s withdrawal from the transatlantic slave system It argues that it was a rational social experiment and that emancipation was designed to minimise agitation on both sides of the Atlantic

The Black Bruins James W. Johnson,2017 The intertwined story of five influential African American athletes who came together as teammates at UCLA in the 1930s

Much More Than a Game Robert Fredrick Burk,2001 A history of baseball since 1921 describes the paternalistic era when racial segregation was rigidly maintained and the inflationary era when unions fought for increasingly higher pay and occupational mobility

Branch Rickey Lee Lowenfish,2007-01-01 He was not much of a player and not much more of a manager but by the time Branch Rickey 1881 1965 finished with baseball he had revolutionized the sport not just once but three times In this definitive biography of Rickey the man sportswriters dubbed The Brain The Mahatma and on occasion El Cheapo Lee Lowenfish tells the full and colorful story of a life that forever changed the face of America s game As the mastermind behind the Saint Louis Cardinals from 1917 to 1942 Rickey created the farm system which allowed small market clubs to compete with the rich and powerful Under his direction in the 1940s the Brooklyn Dodgers became truly the first America s team By signing Jackie Robinson and other black players he single handedly thrust baseball into the forefront of the civil rights movement Lowenfish evokes the peculiarly American complex of God family and baseball that informed Rickey s actions and his accomplishments His book offers an intriguing richly detailed portrait of a man whose life is itself a crucial chapter in the history of American business sport and society

Blackout Chris Lamb,2006-03-01 Chronicles the story of Jackie Robinson s first spring training during 1946 a time when America was struggling with racism and segregation as well as with the impact of the Second World War documenting the player s ordeal on and off the field the reaction of the black and white communities the influence of the press and Robinson s own determination and anxieties

The Team That Forever Changed Baseball and America Society for American Baseball Research (SABR),2012-04-01 Of all the teams in the annals of baseball only a select few can lay claim to historic significance One of those teams is the 1947 Brooklyn Dodgers the first racially integrated Major League

team of the twentieth century The addition of Jackie Robinson to its roster changed not only baseball but also the nation Yet Robinson was just one member of that memorable club which included Carl Furillo Gil Hodges Pee Wee Reese Pete Reiser Duke Snider Eddie Stanky Arky Vaughan and Dixie Walker Also present was a quartet of baseball's most unforgettable characters co owners Branch Rickey and Walter O Malley suspended manager Leo Durocher and radio announcer Red Barber This book is the first to offer biographies of everyone on that incomparable team as well as accounts of the moments and events that marked the Dodgers 1947 season Commissioner Happy Chandler suspending Durocher Rickey luring his old friend Burt Shotton out of retirement to replace Durocher and brilliant outfielder Reiser being sidelined after running into a fence In spite of all this the Dodgers went on to win the National League pennant over the heavily favored St Louis Cardinals And of course there is the biggest story of the season where history and biography coalesce Jackie Robinson who overcame widespread hostility to become Rookie of the Year and to help the Dodgers set single game attendance records in cities around the National League

The Disappearance of Childhood Neil Postman, 2011-06-08 From the vogue for nubile models to the explosion in the juvenile crime rate this modern classic of social history and media traces the precipitous decline of childhood in America today and the corresponding threat to the notion of adulthood Deftly marshaling a vast array of historical and demographic research Neil Postman author of Technopoly suggests that childhood is a relatively recent invention which came into being as the new medium of print imposed divisions between children and adults But now these divisions are eroding under the barrage of television which turns the adult secrets of sex and violence into popular entertainment and pitches both news and advertising at the intellectual level of ten year olds Informative alarming and aphoristic The Disappearance of Childhood is a triumph of history and prophecy

Maharajah of Bikaner Hugh Purcell, 2010-12-14 The story of the Indian soldiery in the Great War needs a new telling and one important chapter of it will be about the Maharajah of Bikaner Dashing autocrat and a formidable public speaker Ganga Singh commanded his own camel corps called the Ganga Risala fought on the Western Front and in Egypt became the first Indian general in the British Indian army and persuaded the maharajas to unite into the Chamber of Princes As a result of this and his war record he was invited by Lloyd George to attend the Imperial War Conference in 1917 and then the Versailles Peace Conference two years later where he persuaded the other delegates to include India in the new League of Nations quite an achievement as it was not an independent nation Less successfully he tried to prevent the dismemberment of Turkey

The International Context of the Spanish Civil War Gaynor Johnson, 2009-03-26 This book which consists of essays by leading scholars in the field of twentieth century international history examines the wider context of one of the most bitter and bloody civil wars in European history the Spanish Civil War The chapters discuss all of the major debates that surround the ideological and political context of the war including the extent to which it could be regarded as a dress rehearsal for the Second World War The book also debates the nature of civil war in the twentieth century and as such will be of interest to military and

international historians as well as to historians of the history of ideas **Sovereignty Or Submission** John Fonte,2011 The International Criminal Court claims authority over Americans for actions that the United States does not define as crimes In short the Twenty First Century is witnessing an epic struggle between the forces of global governance and American constitutional democracy Transnational progressives and transnational pragmatists in the UN EU post modern states of Europe NGOs corporations prominent foundations and most importantly in America s leading elites seek to establish global governance Further they understand that in order to achieve global governance American sovereignty must be subordinated to the global rule of law The U S Constitution must incorporate evolving norms of international law Sovereignty or Submission examines this process with crystalline clarity and alerts the American public to the danger ahead Global governance seeks legitimacy not in democracy but in a partisan interpretation of human rights It would shift power from democracies U S Israel India to post democratic authorities such as the judges of the International Criminal Court Global governance is a new political form a rival to liberal democracy that is already a significant actor on the world stage America faces serious challenges from radical Islam and a rising China Simultaneously it faces a third challenge global governance that is internal to the democratic world is non violent but nonetheless threatens constitutional self government Although it seems unlikely that the utopian goals of the globalists could be fully achieved if they continue to obtain a wide spread influence over mainstream elite opinion they could disable and disarm democratic self government at home and abroad The result would be the slow suicide of American liberal democracy Whichever side prevails the existential conflict global governance versus American sovereignty and democratic self government in general will be at the heart of world politics as far as the eye can see Dismantling Democratic States Ezra N. Suleiman,2003 Publisher Description
