## **Intricate Collection I:**

**Through My Eyes** Peter Leis, 2016-03-07 In 2001 the author of this book suffered a stroke that left him partially handicapped. It became necessary to do what he could to learn to live with the aftereffects and limitations of the stroke. This book is the result of advice from his doctor to write down some of his earlier memories to see if he had suffered any long term memory loss. In the writing of these memories he gradually became confident enough to keep on writing until he had enough stories to put together in a book. The writing of the stories has given him back his past and now he has a base to build his new life on. For him it has been like opening a new door and now rather than be held hostage by the restriction imposed by the stroke he can confidently build on that past and plan ahead.

**BION [Believe It Or Not]** Bob Kat, 2013-07-25 BION Believe It Or Not Book 3 of the CUL8R Time Travel Mystery Romance series. Change the past. Save the future. Four high school friends are able to do two things no one else on the planet can do: talk with dead people and time travel to the past. However, Kelly, who lost her phone during their last adventure, is temporarily grounded. She worries that her new friends will time travel without her, leaving her all alone in her new home in Ft. Myers Beach, Florida. But they surprise her on her birthday and soon they are back in Scott's lab, listening to the old radio that Thomas Edison had invented and called The Telephone to the Dead. As they slowly turn the dial, Kelly, Scott, Austin, and Zoey hear hundreds of sad, lonely voices of souls that have passed but apparently never moved on, pleading for help. When they first discovered the radio in Kelly's aunt's garage, they had been touched by the cries and pleas coming from its speakers, but they had no way to go back in time to help them. That is, until Scott reveals an invention of his own: a time travel app. They've already tested it twice, with both trips being very successful but not without danger. Even though they returned with a few scrapes and bruises and even a gunshot wound, they are eager to go on a new adventure and help solve a mystery. A young woman's voice comes through and asks them to find her twin brother, Jesse, who had run away to the circus in 1927, then disappeared and was never heard from again. Going back and living with a circus sounds like fun. Plus, an old book written by his sister provides a glimpse into the past as well as a photo of Jesse, a photo that grabs their attention and sets the girls' hearts racing. They land in a cornfield in Wichita Falls, Texas, as the circus is setting up. It doesn't take them long to discover that circus life is not all glamour and fun; it's a lot of hard work. As usual, they jump in and quickly find jobs, places to sleep, and new friends. But most importantly, they find Jesse. Now all they have to do is keep him alive. For Zoey and Jesse, it's love at first sight. It's a first romance for both of them, and their love blossoms as they travel from city to city. Zoey knows she's too young to settle down, and that Jesse is from a different time and culture, but her feelings for him are strong. Her and her friends' time travel mission has taken on a new dimension. Should they be successful and save his life, will Zoey be able to let him go? Is it possible for him to come to 2013 with her? Is it possible for her to stay in 1927 with him? Ultimately, can she give up everything she has in the present for true love in the past? Jesse's talent working with the big cats catches the attention of the Martin Maxwell, the owner of the circus.

Maxwell promotes him to the center ring as a replacement for their current lion tamer who is planning on moving up to the Ringling and Barnum Bailey Circus Unfortunately not everyone shares Zoey s love for Jesse and wants him to disappear forever Kelly Scott Austin and Zoey must figure out who wants Jesse dead and stop him or her before Jesse s fate is sealed
