The Anti-masonic Review, and Magazine, 1828 **The Enemy Never Came** Scott McArthur, 2012-10-01 Distributed by the University of Nebraska Press for Caxton Press Although the Pacific Northwest was the area furthest removed from the actual battles of the Civil War it was nonetheless profoundly affected by the war **The Enemy Never Came** examines the everyday lives of the volunteer soldiers who battled Native American renegades of the region and of the settlers who were deeply affected by the war yet unable to do much about it Pacific Northwest pioneers soon chose sides most allying with the North others supporting the southern states right to withdraw from the union Still others attempted to ignore the entire issue of the War between the States leaving that problem to the folks back east Because communication with the rest of the nation was slow and tenuous during the early years of the war the early settlers of what are now Oregon Washington and Idaho concentrated on controlling the restive Native Americans whose land and society had been overwhelmed by white settlers These same settlers however nonetheless vigorously argued politics and worried about invaders from the south from the British colonies to the north and from the sea none of whom ever materialized **Duncan's Ritual of Freemasonry** Malcolm C. Duncan, 1976-04-12 An elegantly illustrated handbook of Freemasonic ritual Explained and interpreted by copious notes and numerous engravings Duncan's Masonic Ritual and Monitor will be a cherished possession of any Mason who receives it This scarce antiquarian book is a facsimile reprint of the original Because of this work's cultural significance we have made it available as part of our commitment for protecting preserving and promoting a high quality modern edition that is true to the original work Retaining all the traditional charm of McKay's Standard Edition this volume includes both the Guide to the Three Symbolic Degrees of the Ancient York Rite and to the degree of Mark Master Past Master Most Excellent Master and the Royal Arch as written by Malcolm C Duncan **Duncan's Ritual of Freemasonry** Malcolm A. Duncan, 2012-03-06 The fraternal society of the Masonic Order steeped in mystery for over 600 years is brought to light in a fascinating volume that serves as a guide for neophytes as well as a reference for the initiated Duncan's Ritual of Freemasonry reveals the spiritual paths taken by inductees as they move through each initiated degree of enlightenment Mark Master Past Master Most Excellent Master and the Royal Arch The Freemasons rituals arcane symbols and mystical doctrines are also probed and accurate explanations of gestures tools and terms are accompanied by more than 100 illustrations and original engravings The work is a fascinating exploration of the theories and practices of the world's most enduring secret society **Masonic Voice-review**, 1918 **Duncan's Masonic Ritual and Monitor** Malcolm C. Duncan, 2021-01-01 Duncan's Masonic Ritual and Monitor by Malcolm C Duncan The objects which Freemasonry was founded to subserve are honorable and laudable nor is it intended in the following pages to disparage the institution or to undervalue its usefulness It has at various times and in several countries incurred the ill will of political parties and of religious bodies in consequence of a belief on their part that the organization was not so purely benevolent and philanthropic

as its members proclaimed it to be In the State of New York many years ago it was supposed but we think unjustly to wield a powerful political influence and to employ it unscrupulously for sinister ends Duncan s Masonic Ritual and Monitor by Malcolm C Duncan The war between Masonry and Anti Masonry which convulsed the State at that period is still fresh in the remembrance of many a party veteran The Order however has long since recovered from the obloquy then heaped upon it and is now in a flourishing condition in most parts of the civilized world Duncan s Masonic Ritual and Monitor by Malcolm C Duncan The purpose of this work is not so much to gratify the curiosity of the uninitiated as to furnish a guide for the neophytes of the Order by means of which their progress from grade to grade may be facilitated Every statement in the book is authentic as every proficient Mason will admit to himself if not to be public as he turns over its pages Duncan s Masonic Ritual and Monitor by Malcolm C Duncan The non Masonic reader as he peruses them will perhaps be puzzled to imagine why matters of so little real importance to society at large should have been so industriously concealed for centuries and still more surprised that society should have been so extremely inquisitive about them But such as Old Stapleton says in Jacob Faithful is human nature Duncan s Masonic Ritual and Monitor by Malcolm C Duncan The object of the Order in making a profound mystery of its proceedings is obvious enough Sea birds are not more in variably attracted toward a lighted beacon on a dark night than men to whatever savors of mystery Curiosity has had a much greater influence in swelling the ranks of Masonry than philanthropy and brotherly love The institution however is now sufficiently popular to stand upon its own merits without the aid of clap trap so via the mantle that shadowed Borgia Duncan s Masonic Ritual and Monitor by Malcolm C Duncan
