Burkhalter, 2010-12-10 History Romance Destiny The Third Novel in the Trilogy Dr John Burel s great grandson John Harrison was a toddler when his family pioneered from South Carolina to Mississippi As a youngster he proudly helped his family bellwether the Civil War and rebirth of the New South By the early 1900s he was a prosperous farmer and landowner Time passed quickly and too soon he was an old man Join Grandpa and feel the biting north wind as he shuffled onto the front porch cupped his hands around his mouth and shouted It s hog killing day Watch the bustling families rush toward the big house to slaughter enough hogs to carry them through the winter Summer finally arrived and brought old time gospel singing and preaching to their country church on the hill Mama rose early on Sunday morning and filled her basket with fried chicken biscuits baked sweet potatoes and fried apple pies After preaching there was going to be another dinner on the ground Everyone was excited Without a doubt those were the good years But all that changed Walk down the dismal road with the Burrell family as they helplessly watched the reckless Roaring Twenties and Great Depression bring a flourishing economy and their comfortable lifestyle to a grinding halt Feel Grandpa s pain and humiliation when the bank called in his Deed of Trust and he was forced to sell his last 640 acre farm and home for a few dollars Sit for awhile and listen to his grandson Cecil Allen Burrell The Man Himself as his thought provoking stories detail how they all survived those disastrous years With their eyes on the future John Harrison s children and grandchildren navigated their way back into prosperity and eventually reclaimed their part of the American dream the same dream brought to America by their Great3 Grandfather Dr Jean Baptiste Elzear Burel in 1778 *Blue Heaven* Willard Wyman, 2012-09-05 The year is 1902 A young stock handler named Fenton Pardee has just survived the train wreck that almost destroyed William F Cody s Wild West show Surveying the train s smoldering ruins and what is left of Cody s company of stunt riders trick shooters and stage actors Fenton realizes that turning the West into a circus to thrill the world is no longer thrilling for him Salvaging a saddle horse and three pack mules he heads back into the West seeking the reality of the Montana Rockies *Blue Heaven* marks the return of Fenton Pardee veteran guide and packer who figured so memorably in *High Country* Willard Wyman s highly acclaimed first novel Now Wyman moves back in time filling in the story of the legendary packer As he begins his westward journey Fenton is not nearly as sure of where he is going as of what he wants to leave Crossing the National Divide he follows Indian trails and game trails learning the lay of the land as he moves into a wilderness that

comforts him as it draws him ever deeper into it Stumbling into the camp of Tommy Yellowtail a Flathead Indian as determined to remain in these mountains as Fenton is to embrace them he finally finds his way Together the two men discover that showing people what they want to preserve has its own way of keeping it alive The tale of Fenton and Tommy and of the women they love one of whom is tragically taken from them cuts through the romance of the West to offer an earthier reality even as twentieth century expansion and a looming world war threaten to take it all away Wings of the Hawk Charles G. West,2000-08-01 An action packed adventure of the Old West from the author of Trial at Fort Keogh REVENGE CAN TURN A BOY INTO A MAN AND PUT A MAN SIX FEET UNDER At just fourteen Jim Tracey found himself without a friend in the world running from the Indian war party that had killed his father But he was saved by a pair of grizzled old fur trappers and he learned to fend for himself and live off the land When Jim finally returns home to St Louis he finds that there was more to his father s murder than he d thought Though the Indians did the killing someone else did the planning someone too close for comfort Now young Jim must untangle a thick web of lies and when the dirty dealings come to light he will come face to face with a murderer But if he tastes the vengeance owed him it won t be as the boy everyone knew as Jim it will be as a man named Trace McCall A Thousand Sleeps Mike Taylor,2018-05-31 What if the friend you grew up with had just walked off into the forest and you were told by an old woman that he would not be seen again for four generations What if a Judge sent armed men to hunt for him when you couldn t find him This same Judge would stop at nothing to get the missing deed to the valley and the water that runs through it and he knows your friend has it It is also the story of a young boy and his secret friendship with one who is at odds with his family And of a father who is unsure of his future or his past caught in a tailspin of emotion deeply troubled by what is expected and what is right And the love he traded to become the future head of the Appleton fortune Set in the old west in the town of Goose Creek A Thousand Sleeps follows two friends Tom and Al who embark on a perilous journey that will take them into their old age But they won t be alone The Appleton s a powerful and ruthless family driven by greed and violence will join them along with an unsuspecting young writer for the local paper who digs up a dangerous past that might have been better left buried In the end it is the story of rebirth a discovery of self Of old friends reunited lost love rekindled A father and son finding each other And forbidden friendships embraced by all **Crisscrossers~Crisscrossing** William Atkins,2019-10-10 When the four year war ended the former slaves had no gardens to harvest food and they had no live stock animals to eat They also had no shelter no clothing no reparations no land or money They in every sense of the word were penniless So it was not What should they do tomorrow For if they could not live each day to many their tomorrows may never come The urgency of their immediate day to day self survival left little room for considering the well being of others In their prior world of slavery they were fed but considered less than human During those years of enslavement they were considered the same as other beasts of the field However in this new world of freedom their tasks as beast of the field were no longer needed So they had to find new sources of food and

shelter They had to find new ways to survive or die like the other worthless beasts of the field The fictional characters in my stories dealt with their new crises They also witnessed sickness and death in their shacks and in the fields Their attempts to be invisible and move around quietly seeking food at night caused for many in the white populations to call them Coons Each of my former slave characters crisscrossed each other with their new insecurities Some experienced unexpected tragedy Their release from bondage even caused pain fear resentment and anger Some of my fictional characters are named Master Hind Turpin Old Gus Charley Boy Sallie Mae Indian Ike Boogeyman and Mo The roles they portray and the emotional reactions of the characters are unpredicted as they crisscrossed each other s paths Their crisscrossing led them to new paths of unfamiliar worlds and surprising adventures As the former slaves crisscrossed each other s paths they discovered hidden relationships that were never talked about They also had some unexpected predicaments that created anxieties some that will sadden them and some that will also brighten their days to give rise and hope for adventurous tomorrows I invite you to read join and share the emotions of my characters who crisscrossed each other s paths as they sought ways to deal with the new challenges that each day presented
