Half Crazy:

Serious Bizness David Evans, Jennifer Allen, David Babcock, 1984 A score of sketches and songs parody modern manners and morals at a machine gun pace It covers everything from the problems of using the telephone in the age of divestiture to explaining the origin of babies to some obnoxiously precocious children to arranging a dinner party for a date by which one of the proposed quests will be unfortunately dead Songs include a bizarre torch song in the style if not the spirit of Piaf a Steve n Eydie style Vegas number and a new wave rendition of A Bicycle Built for Two Publisher **The Old Man at the Railroad Crossing and Other Tales** William Maxwell, 2016-05-17 In these tales with one foot firmly planted in the present Maxwell brings a certain sophisticated urbanity to the oral traditions of the fable and fairy tale The total effect is of something midway between the Brothers Grimm and Kafka with perhaps a touch of Zen NYRB April 1966 While modern enough in locale and context they are as old as humanity itself in what concerns them And always that voice the age old voice of the storyteller the eternal magic of the speaking human voice Such simplicity takes true artistry and Maxwell has that in spades *A Million Little Pieces of Feces* Python Bonkers, 2006-02 Selected excerpts and outside reviews can be found by clicking on the blue Python Bonkers hyperlink This book may share an alphabetical lineage with the Frey book but there is no melodramatic redemption here it is not a parody of that book but its own entity As one of the characters from the book says We re still involved in the commission of the acts that will require redemption and those stories are always so much more fun Bonkers and his bizarre team embarks on a gonzo tear through the streets of Los Angeles and across the pop cultural landscape as well In his satirical quest for truth in journalism and life he must navigate through the many odd tiers of social class in both the Southern California culture and in his Machiavellian office life and its absurd red and blue political divisions This is no heart wrenching tale of excess its destination is hilarity so it presses the pedal to the metal and takes no prisoners *Miles Apart* Tamika Melvin Williams, 2012-04 Tamia Mia Miles is a Southern girl from North Carolina who always dreamt of doing two things having a career in fashion and getting married Mia thought once she did these things she would be living the life she always dreamed about That was until the love of her life Saquan Say Miles decided to get into the fast life and put her last Mia loves her husband so much she stays with him despite the countless hurts and life threatening pains she encounters Then one day Mia learns the unthinkable of her husband and her life is tested Will Mia finally get enough and put her feelings first and leave Say or will she forgive and forget as usual let s see **Imperial CEO's Overbearing Love** Jiu DianXia, 2020-12-30 I ll take care of it The uncle of her husband on their wedding night whispered viciously in her ear In front of a frightening Steel Blooded Business Demon he was the one who was crazy for favoring his wife He had begged her to pave the way for her so that she could do whatever she wanted If not he would pamper her to the heavens Just because he glanced at the clothes he directly monopolized the entire shopping mall under her name He said As long as you want it I want it Stand By -- London Calling! been the greatest bad writer America has ever produced Or perhaps the worst great writer I do not know There are few faults you can accuse him of that he is not guilty of But I love him Neil Gaiman An unholy love That s what young Erllys Janway found herself in the throes of as she awaits word from her brother Pell Barneyfield as to whether they are truly blood related If he can come up with the proof they re not related and then make it to Foleysburg where MacWhorter s traveling circus is camped then Erllys won t be compelled to marry Golden Tongue the circus barker But first Pell ll have to traverse Old Twistibus a road so crooked they gave it a name In the meantime Angus MacWhorter kindly owner of the circus is offered 1000 for a 10 diorama of a hanged fish with a crown What s with that Only the answer to all of the riddles of this classic 1953 tale the last Keeler published in English during his lifetime **To Love a Wilde** Kimberly Kaye
