The Headless Snowman D.L. Sherwood,2020-01-31 Bobby can't wait to build a snowman Adorning his creation in an old red scarf peppermint eyes and a magician's black hat Bobby couldn't be more proud he did it all by himself But later that night after dinner Bobby saw something very strange happen with his snowman *The Headless Snowman* Michael Donaldson,2018-11 Bullies rely on fear Even the biggest bully is afraid of something The Headless Snowman is a story about something scaring bullies So if we tell someone we are being bullied they will help **Umbrella Girl** Natasmi,2022-01-07 Umbrella Girl has been through many lives before ones she couldn't continue on living Ever changing she believed she could never settle for the linear narrative of life growing old and letting the world take its course on her was never quite her style She stood in front of the Grey Building with an umbrella that weighed her down A stranger she could trust came into view and she finally had the courage to ask for help I've only lived once and I'm determined to make this life count I floated by with routines and deadlines while she did whatever made her world brighter Can you hold my umbrella The day she asked me that fateful question I knew everything would change While orphaned twins try to follow the straight lines set by their late parents an unexpected fox like visitor comes back to fill in the empty gaps of our lives a hall of mirrors another fiery incident that leads to another crash as panic of losing more loved ones emerges There are giants in the sky days go by with rain and puddles The only thing protecting her was a single umbrella as her multiple lives danced around her anticipating her next move **The View from Cracker Hill** Bettejane Synott Wesson,2011-02-25 **The Fairgrounds** Blake Alb,2022-02-21 Can you stomach the Fairgrounds Based on nothing but a modern day message in a bottle and a secret invention that can measure the ebb and flow of Karma itself watch as three troubled strangers each takes a leap of faith to find fairness in an unfair world But things get close and personal as a masked vigilante vows to take Karma into his own hands But no matter what brought our band of less than merry men together one thing is for certain common enemies make for strange bedfellows In Book 1 get acquainted with each of our three misunderstood adventurers as they independently try to make sense of a secret message embedded in a mysterious 2 bill Who wrote the secret message and can they be trusted Each of our protagonists must face their inner conflicts and weigh the pros and cons of endeavoring on such a risky pilgrimage Is it fate that guides these complete strangers towards a common destiny Or is it simply a disaster waiting to happen the wishful and wistful thinking wrought by the telltale imaginations of overzealous dreamers **Super Mario Encyclopedia: The Official Guide to the First 30 Years** Nintendo,2018-10-23 Power Up Super Mario Encyclopedia is jam packed with content from all seventeen Super Mario games from the original Super Mario Bros to Super Mario 3D World Track the evolution of the Goomba witness the introduction of Yoshi and relive your favorite levels This tome also contains an interview with producer Takashi Tezuka tips to help you find every coin star sun and mushroom even explanations of glitches With information on enemies items obstacles and worlds from over thirty years of Mario Super Mario Encyclopedia is the

definitive resource for everything Super Mario **Unexpected Shiny Things** Bruce Dethlefsen, 2011 In his second full length collection poems of innocence and experience take readers from the schoolyard to the trout stream from birth to death Bruce Dethlefsen's familiar folksy voice acquires new depth and darkness As Max Garland notes there's clarity that's not to be confused with naiveté or simplicity Dethlefsen chooses to speak in a plain voice that makes room for the lyrical in these poems using a common vocabulary and an understated tone of voice While his previous collections have hinted at darker tints to life this book allows the darkness its due paying attention to death to loss to grief and to anger The people in this book including the poet speaker are conflicted and multi dimensional failing trying again and in the meantime loving as best they can W E Butts praises the balance of the elliptical conversational playful and serious in Dethlefsen's poems The shifts in voice using song pun and rhyme by turn bring the reader closer to the heart of the book and then playfully skittishly evade and deflect the attention It is by what he leaves out as much as what he says that Dethlefsen expresses the inexpressible The terms which spring to mind on reading Bruce Dethlefsen's poems tenderness kindness gentleness aren't words we're used to hearing in relation to contemporary poetry These poems have a wide scope and a lot to give They're tough enough to admit how fragile they and we are And they whisper whatever you are feeling whatever you are going through you are not alone You are not alone Together these poems lead us to in Garland's words a redemptive vision of the world around us Visit brucedethlefsen.org for more information about the poet Visit cowfeatherpress.org for supporting materials including discussion questions for book groups an interview with the poet and audio from **Unexpected Shiny Things**

The Corpse Flower Bruce Beasley, 2016-06-01 The Corpse Flower brings works from Bruce Beasley's first four award winning collections together with twenty five new poems organizing them around the metaphor that gives the book its title an enormous tropical bloom that reeks like carrion and around whose three day florescence dung beetles flies sweat bees swarm pollen gummed all over their furred feet The corpse flower serves as a figure for Beasley's coming to terms with birth and death fecundity and decay the illusion of death and the flourishing of the rare and beautiful out of the materials of the decayed The Corpse Flower traces a spiritual pilgrimage weaving autobiography into a larger meditation on the materials of language and of the life of the spirit Beasley's is a deeply physical spirituality as he writes in one poem the soul's impossible to tell from the objects of its appetite Throughout these poems family mythology as well as religious and mythic narrative and iconography become occasions for extraordinary meditations on the physicality of birth and death beginnings and endings This substantial selection of Bruce Beasley's work written over a twenty year period offers the opportunity to experience page by page a poet's evolution and to follow a unique creative mind as it reaches through interrogations of faith science and art toward some form of resolution a resolution increasingly represented by the beauties of language itself On Summer Mystagogia These brilliant poems often both mythic and demotic powerfully initiate the reader into a world at once marred and yet suffused by the signs and wonders of an irresistible grace A wonderfully resilient and hard won poetry of witness
