History And Memory In Modern Ireland:

History and Memory in Modern Ireland Ian McBride, 2001-11-08 Discussing the relationship between the past and the present in Irish society this 2001 title outlines the ways in which Irish identities have been shaped by oral tradition icons and images rituals and re enactments It examines pivotal moments in Irish history such as the 1798 rebellion the Famine the Great War and the Northern Ireland troubles investigating the ways in which they have been recalled commemorated and mythologised Beginning with the conviction that commemoration has its own history the essays address questions concerning the workings of communal memory How have particular political and social groups interpreted appropriated and distorted the past for their own purposes How are collective memories transmitted from one generation to the next Why does collective amnesia work in some situations and not in others What is the relationship between academic history and popular memory

History and Memory in Modern Ireland Ian McBride, 2001-11-08 This volume addresses a subject of vital importance to the study of Irish history literature and politics Although collective memory and commemoration has attracted much attention from British French and American scholars this is the first major study of the relationship between history and memory in Ireland closing a remarkable gap in the literature considering the frequency with which Unionists as well as nationalists have invoked the past erected monuments and observed anniversaries This book helps define the main concepts and issues in an emerging field of inquiry

The Oxford Handbook of Religion in Modern Ireland, 2024-01-16 What does religion mean to modern Ireland and what is its recent social and political history The Oxford Handbook of Religion in Modern Ireland provides in depth analysis of the relationships between religion society politics and everyday life on the island of Ireland from 1800 to the twenty first century Taking a chronological and all island approach it explores the complex and changing role of religion both before and after partition The handbook's thirty two chapters address long standing historical and political debates about religion identity and politics including religion's contributions to division and violence They also offer perspectives on how religion interacts with education the media law gender and sexuality science literature and memory Whilst providing insight into how everyday religious practices have intersected with the institutional structures of Catholicism and Protestantism the book also examines the island's increasing religious diversity including the rise of those with no religion Written by leading scholars in the field and emerging researchers with new perspectives this is an authoritative and up to date volume that offers a wide ranging and comprehensive survey of the enduring significance of religion on the island

Shakespeare, memory, and modern Irish literature Nicholas Taylor-Collins, 2023-02-14 This original and innovative book proposes dismemory as a new form of intertextual engagement with Shakespeare by modern and contemporary Irish writers Through reflection on these canonical writers and ranging across thirteen Shakespeare plays Taylor Collins demonstrates how Irish writers who helped to fashion and critique the Irish nation state carry an indelible if often subdued mark of Shakespeare's early modern English influence The volume overall renews and revitalises the

Shakespeare modern Ireland connection Taylor Collins reveals Hamlet's hauntological legacy in *Playboy of the Western World* Ulysses and Ghosts how the corporal economies that exert pressure from Coriolanus and Ben Jonson flicker through to the antiheroes in Beckett's Three Novels and how the landed legacies of territorial contests in Shakespeare are engaged with in Yeats's poetry and similarly how the diseased muddiness in Hamlet is addressed by Heaney **The memory of catastrophe** Peter Gray, Kendrick Oliver, 2024-07-30 Investigates the dynamic relationship between experiences of profound social and cultural disruption and human memory Critical comparisons are made across a wide variety of catastrophic experiences and memories not just of war but also of massacre genocide rebellion famine partition shipwreck and fire The book is an accessible showcase for a wide range of methodological approaches to the study of memory including literary studies cultural studies participant observation and historical studies and uses a variety of oral visual and written sources Offers a diverse chronological and geographical range of catastrophic cases from seventeenth century England to the recent conflicts in the former Yugoslavia from Ireland to the Indian sub continent from Mexico to wartime Leningrad Well written and accessible a fascinating read

The Origins of Sectarianism in Early Modern Ireland Alan Ford, John McCafferty, John David McCafferty, 2005-12-08 Ireland is riven by sectarian hatred This simple assumption provides a powerful explanation for the bitterness and violence which has so dominated Irish history Most notably the troubles in Northern Ireland have provided fertile ground for scholars from all disciplines to argue about and explore ways in which religious division fueled the descent into hostility and disorder In much of this literature however sectarianism is seen as somehow a given in Irish history an inevitable product of the clash of the Reformation and Counter Reformation something which sprang fully formed into existence in the sixteenth century In this book leading historians provide a detailed analysis of the ways in which rival confessions were developed in early modern Ireland the extent to which the Irish people were indeed divided into two religious camps by the mid seventeenth century and also their surprising ability to transcend such stark divisions

The Cambridge History of Ireland: Volume 4, 1880 to the Present Thomas Bartlett, 2018-02-28 This final volume in the Cambridge History of Ireland covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland

The Politics of Irish Memory E. Pine, 2010-11-17 Irish culture is obsessed with the past and this book asks why and how In an innovative reading of Irish culture since 1980 Emilie Pine provides a new analysis

of theatre film television memoir and art and interrogates the anti nostalgia that characterizes so much of contemporary Irish culture Ireland's Great Famine in Irish-American History Mary Kelly,2013-11-18 Ireland s Great Famine in Irish American History Enshrining a Fateful Memory offers a new concise interpretation of the history of the Irish in America Author and distinguished professor Mary Kelly s book is the first synthesized volume to track Ireland s Great Famine within America s immigrant history and to consider the impact of the Famine on Irish ethnic identity between the mid 1800s and the end of the twentieth century Moving beyond traditional emphases on Irish American cornerstones such as church party and education the book maps the Famine s legacy over a century and a half of settlement and assimilation This is the first attempt to contextualize a painful memory that has endured fitfully and unquestionably throughout Irish American historical experience

Irish Global Migration and Memory Marguerite Corporaal,Jason King,2018-03-08 Irish Global Migration and Memory Transnational Perspectives of Ireland s Famine Exodus brings together leading scholars in the field who examine the experiences and recollections of Irish emigrants who fled from their famine stricken homeland in the mid nineteenth century The book breaks new ground in its comparative transnational approach and singular focus on the dynamics of cultural remembrance of one migrant group the Famine Irish and their descendants in multiple Atlantic and Pacific settings Its authors comparatively examine the collective experiences of the Famine Irish in terms of their community and institution building cultural ethnic and racial encounters with members of other groups and especially their patterns of mass migration integration and remembrance of their traumatic upheaval by their descendants and host societies The disruptive impact of their mass arrival had reverberations around the Atlantic world As an early refugee movement migrant community and ethnic minority Irish Famine emigrants experienced and were recollected to have faced many of the challenges that confronted later immigrant groups in their destinations of settlement This book is especially topical and will be of interest not only to Irish migration and refugee scholars but also the general public and all who seek to gain insight into one of Europe s foundational moments of forced migration that prefigures its current refugee crisis This book was originally published as a special issue of Atlantic Studies Global Currents *Memory Ireland* Oona Frawley,2014-05-16 Recent years have seen cultural memory become a significant element in area studies and the humanities Ireland with its trauma filled history and huge global diaspora presents a fascinating subject for work in this vein This series as a whole seeks to construct a landscape of cultural memory in Ireland looking to map through an examination of various historical moments spaces and cultural forms the ways in which cultural memory shifts over time Volume 3 focuses on the impact of trauma on cultural memory by considering two cruxes the Famine and the Troubles as formative to the study of Irish cultural memory Topics include hunger strikes monuments to the Famine trauma and the politics of memory in the Irish peace process and Ulster Loyalist battles in the twenty first century Gathering the work of leading scholars such as Graham Dawson Richard Kearney Margaret Kelleher David Lloyd and Joseph Valente this collection is an essential contribution to the field of Irish studies *History, Memory*

and *Public Life* Anna Maerker, Simon Sleight, Adam Sutcliffe, 2018-07-06 History Memory and Public Life introduces readers to key themes in the study of historical memory and its significance by considering the role of historical expertise and understanding in contemporary public reflection on the past Divided into two parts the book addresses both the theoretical and applied aspects of historical memory studies Approaches to history and memory introduces key methodological and theoretical issues within the field such as postcolonialism sites of memory myths of national origins and questions raised by memorialisation and museum presentation Difficult pasts looks at history and memory in practice through a range of case studies on contested complex or traumatic memories including the Northern Ireland Troubles post apartheid South Africa and the Holocaust Examining the intersection between history and memory from a wide range of perspectives and supported by guidance on further reading and online resources this book is ideal for students of history as well as those working within the broad interdisciplinary field of memory studies

Sacred and Secular Martyrdom in Britain and Ireland since 1914 John Wolffe, 2019-11-28 During and immediately after the First World War there was a merging of Christian and nationalist traditions of martyrdom expressed in the design of war cemeteries and war memorials and the state funeral of the Unknown Warrior in 1920 John Wolffe explores the subsequent development of these traditions of sacred and secular martyrdom analysing the ways in which they operated sometimes in parallel sometimes merged together and sometimes in conflict with each other Particular topics explored include the Protestant commemoration of Marian and missionary martyrs and the Roman Catholic campaign for the canonization of the saints and martyrs of England Secular martyrdom is discussed in relation to military conflicts especially the Second World War and the Falklands In Ireland there was a particularly persistent merging of sacred and secular martyrdom in the wake of the Easter Rising of 1916 although by the time of the Northern Ireland Troubles in the later twentieth century these traditions diverged In covering these themes the book also offers historical and comparative context for understanding present day acts of martyrdom in the form of suicide attacks

Public History in Ireland Leonie Hannan, Olwen Purdue, 2024-06-28 Through a collection of essays that reflect the complexity of the island's historical past as it operates today Public History in Ireland delivers a scholarly yet accessible introduction to contemporary topics and debates in Irish public history Despite the reputation that Ireland both north and south has gained as a place of contestation this is the first book length study to tackle its diverse and often difficult public histories Public History in Ireland offers examples drawn not only from museums heritage and collections prime mediators of public historical interpretation but also from the work of artists and academics It considers the silences in Ireland's history telling including those of the recent conflict in Northern Ireland and of the traumatic public discoveries and re evaluations of the island's institutions of social control The book's key message is that history is active making itself felt in ongoing debates about heritage identity nationhood post conflict society and reparative justice It shows that Irish public history is freighted and often fraught with jeopardy but as such it is rich with insight that has relevance far beyond this island's shores This book

is useful for students scholars and practitioners working in the fields of public history and the history of Ireland

Forgetful Remembrance Guy Beiner, 2018 *Forgetful Remembrance* offers a new approach to the study of memory by focusing on vernacular historiographies and the notion of forgetting Using the 1798 Irish Rebellion Beiner explores how communities try to obscure inconvenient and uncomfortable events from the past *Ireland and India* M.

Silvestri, 2009-10-22 Through a consideration of historical memory commemoration and the imagined communities of nationalism Ireland and India examines three aspects of Ireland's imperial history relationships between Irish and Indian nationalists the construction of Irishmen as imperial heroes and the commemoration of an Irish regiment's mutiny in India

Memory and Recovery in Times of Crisis Fiona Larkan, Fiona Murphy, 2017-11-09 This book presents a social scientific reading of the challenges of memory and recovery in times of crisis Drawing on different interpretations of what constitutes crisis this collection uses lenses of economics identity and commemoration to question how memory and recovery is being constituted through larger discourses of political claims of moving forward healing and identity *Memory and Recovery in Times of Crisis* examines how memory is dis or re-interred through social processes and further how recovered memories are challenged or legitimized It also presents a set of questions that will stimulate further reflections on what kind of role understandings of memory of crisis can play in recovery Given the world we find ourselves living in in 2017 a world subject to multiple intersecting crises how we understand the dynamics of memory and recovery is a pressing issue indeed This book will appeal to both scholars and students of anthropology and sociology **Remembering 1916** Richard S.

Grayson, Fearghal McGarry, 2016-03-02 The year 1916 witnessed two events that would profoundly shape both politics and commemoration in Ireland over the course of the following century Although the Easter Rising and the Battle of the Somme were important historical events in their own right their significance also lay in how they came to be understood as iconic moments in the emergence of Northern Ireland and the Irish Republic Adopting an interdisciplinary approach drawing on history politics anthropology and cultural studies this volume explores how the memory of these two foundational events has been constructed mythologised and revised over the course of the past century The aim is not merely to understand how the Rising and the Somme came to exert a central place in how the past is viewed in Ireland but to explore wider questions about the relationship between history commemoration and memory *Ireland's Heritages* Mark McCarthy, 2017-09-29 This book

is the first sustained attempt to incorporate critical scholarship and thought at the cutting edge of contemporary geography history and archaeology into the burgeoning field of Irish heritage studies It seeks to illustrate the validity of multiple depictions of the Irish past showing how scrutiny of heritage practices and meanings is so essential for illuminating our understanding of the present Examining Ireland's heritages from a critical perspective that celebrates notions of heterogeneity and uniqueness the distinguished contributors to this book scrutinise the multiplicity of complex relations between heritage history memory commemoration economy and cultural identity within various historical geographical and

archaeological contexts Using several examples and case studies this book raises issues not only from a uniquely Irish perspective but also investigates the memorialisation and marketing of the Irish past in overseas locations such as the USA and Australia

A Nation and Not a Rabble Diarmaid Ferriter, 2017-02-21 The renowned Irish historian delivers an excellent scholarly reevaluation of the 1916 Easter Rebellion and the turbulent decade that followed Library Journal On Easter Monday of 1916 the Irish Republican Brotherhood launched an armed uprising against British rule that would continue for six days But Easter Rising was only the beginning of an ongoing revolutionary struggle In A Nation and Not a Rabble Diarmaid Ferriter presents a fresh look at Ireland from 1913-1923 drawing from newly available historical sources as well as the testimonies of the people who lived and fought through this extraordinary period Ferriter highlights the gulf between rhetoric and reality in politics and violence the role of women the battle for material survival the impact of key Irish unionist and republican leaders as well as conflicts over health land religion law and order and welfare
