The Elvis Movies James L. Neibaur, 2014-04-04 Elvis Presley's stature as the King of Rock and Roll will never be challenged Between his first RCA hit single in 1956 the number one smash Heartbreak Hotel and his death in 1977 Elvis amassed more than 100 hits on the music charts Presley's dominance on the music chart was paralleled only by the singer's motion picture career Between 1956 and 1969 Elvis appeared in more than thirty films further cementing his place as one of the most popular entertainers of the twentieth century While there have been countless books that explore the real Elvis tucked beneath layers of showbiz mythology such volumes often dismiss his motion picture career as insignificant or overlook his onscreen work entirely In *The Elvis Movies* James L. Neibaur looks at the thirty one features that Presley made from *Love Me Tender* in 1956 to *Change of Habit* in 1969 Most of these were star vehicles tailor made for his image As Neibaur points out Elvis had a real interest in being a good actor but his initial promise was soon thwarted by anti creative decisions that sold a packaged version of the singer Despite lapsing into a predictable formula of lightweight musicals Elvis Presley's star power ensured that the films became box office successes Neibaur examines each film providing information about their production and offering assessments about their value in general as well as their place in the Presley canon Additional details include behind the scenes personnel costars DVD availability and featured hit songs An entertaining and informative look at an often underrated aspect of the singer's career *The Elvis Movies* offers readers insight into his films This volume will be a welcome resource to fans of the singer who want to know more about the King and his successful ventures on the big screen

[Rock Star/Movie Star](#) Landon Palmer, 2020-06-30 During the mid 1950s when Hollywood found itself struggling to compete within an expanding entertainment media landscape certain producers and studios saw an opportunity in making films that showcased performances by rock n roll stars Rock stars eventually found cinema to be a useful space to extend their creative practices and the motion picture and recording industries increasingly

saw cinematic rock stardom as a profitable means to connect multiple media properties Indeed casting rock stars for film provided a tool for bridging new relationships across media industries and practices From Elvis Presley to Madonna this book examines the casting rock stars in films In so doing Rock Star Movie Star offers a new perspective on the role of stardom within the convergence of media industries While hardly the first popular music culture to see its stars making the transition to screen the timing of rock s emergence and its staying power within popular culture proved fortuitous for a motion picture business searching for its place in the face of continuous technological and cultural change At the same time a post star system film industry provided a welcoming context for rock stars who have valued authenticity creative autonomy and personal expression This book uses illuminating archival resources to demonstrate how rock stars have often proven themselves to be prominent film workers exploring this terrain of platforms old and new ideal media laborers whose power lies in the fact that they are rarely recognized as such Combining star studies with media industry studies this book proposes an integrated methodology for writing media history that combines the actions of individuals and the practices of industries It demonstrates how stars have operated as both the gravitational center of media production as well as social actors who have taken on a decisive role in the purposes to which their images are used

[The Big Elvis Quiz Volume One](#) Matt Shepherd,2023-11-27 The Big Elvis Quiz Volume One from the author of Elvis Presley Stories Behind the Songs offers a variety of questions to test the knowledge of new and casual fans as well as lifelong followers of The King The quiz begins with questions from Elvis childhood and also tests the reader s knowledge on Elvis parents The King s early recordings Colonel Parker Graceland as well as the big hits and early movies Author Matt Shepherd says I hope this will provide fans with a quiz over the festive period about their favourite idol the one and only Elvis I had great fun putting the various quizzes together and I discovered things I didn t know about Elvis I hope this quiz book will also double up as a fact finding mission for those wanting to learn more about one of the world s greatest ever performers The Big Elvis Quiz Volume One features 250 questions It is the first of a two volume quiz book which tackles questions on Elvis early life first recordings big hits from the 1950s TV appearances and his earliest and some say best movies The book ends in 1962 with two additional mixed quizzes tackling other highlights from Elvis career

Elvis Presley Spencer Leigh,2017-08-03 If you love Elvis you will love this book Everything you wanted to know about Elvis in astonishing detail his life his love of music his movies and his career If you had just landed on this planet and had no idea who Elvis Presley was you might listen to a song and say That s good but if you walked into an arena and watched him perform it would be a different beast altogether He had incredible stage presence If you want to know what the X Factor really is watch Elvis Presley from the Foreword by Russell Watson On Tuesday 16 August 1977 Elvis Presley collapsed and died in the bathroom of his home in Memphis He was 42 years old The media went into overdrive On the news there were pictures of fans weeping and late night vigils There were special supplements in the newspapers and experts analysed his career the good and the bad but never the ugly Once again Elvis

Presley was the biggest selling record artist on the planet Spencer Leigh renowned biographer has written a masterful account about Elvis He delves into how music became an integral part of the America s Deep South Elvis birthplace He discusses what separated Elvis from his contemporaries just how old was Priscilla when they first met his bizarre relationship with his manager Colonel Parker how did he reinvent himself for Las Vegas and most importantly why did he have to die so young *Elvis Presley* Steve Templeton,2002 A collection of movie posters that spans Elvis film career This work includes background information about each movie along with specific information about each poster style and pricing Heavenly Wasteland Immortal Palace Qi KaiDeSheng,2019-11-04 The Myriad Domain s great world was vast and endless with many secret realms planes and worlds attached to it Here there were many lower realm kingdoms with powers that were like the stars middle dukedoms with powers that weren t ordinary upper realm kingdoms with legacies that hadn t declined in several thousand years and the Royal Court that was recognized by the heavens and earth the strongest and strongest in the Foreign Lands Qin Hengtian brought the Creation Immortal Court system to summon many ancient Chinese civil and martial officials and martial arts novels **All the King's Horses** Kimberly Gatto,Victoria Racimo,2017-08-14 When Elvis Presley decided he wanted to buy a horse in 1966 he didn t want just any horse He wanted a Golden Palomino Priscilla Presley remembers He would get up at 3 00 in the morning go to certain farms and ranches and say Do you have a Golden Palomino for sale People would say That was Elvis Presley Elvis s legendary love of horses drove him to find the Golden Palomino who would become his beloved companion Rising Sun and to fill Graceland s stables and Circle G Ranch with horses for family and friends to ride In the first ever book dedicated to Elvis s equestrian side horse lovers Kimberly Gatto and Victoria Racimo share rare stories interviews and photographs that shed light on the beautiful quiet life the King lived when he was with his horses

Flaming Star Introduction

In today's digital age, the availability of Flaming Star books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Flaming Star books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Flaming Star books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Flaming Star versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Flaming Star books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Flaming Star books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Flaming Star books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Flaming Star books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Flaming Star books and manuals for download and embark on your journey of knowledge?
