York,2024-03-12 Kill him Kill myself Vanish into thin air Those were my options I tried the first two and failed miserably Everly Sutton thinks she s finally found the happiness she s chased for so many years Colton West is handsome successful and charming everything she hoped for in a man When he proposes after mere months she says yes without hesitation It isn t

long after the vows are exchanged that Everly realizes she's made the worst mistake of her life. It's hard to outrun a secret when it follows you around like a dark shadow. Desperation and fear force Everly to disappear from her old life for good. She finds refuge on remote Winborne Island. She's convinced she's freed herself from her nightmare marriage until reminders of a childhood secret, a secret that she once divulged to Colton in a vulnerable moment, come back to haunt her. Everly was sure she'd escaped the man for good. But she soon finds evil is especially wicked when it comes from the heart. Full of jaw-dropping twists and turns, fans of Frieda McFadden and Mary Stone will love this addictive and atmospheric psychological thriller. A standalone psychological thriller from the author of the Detective Logan Cooper crime thriller series. *If at First You Don't Succeed, Fly Again* Eliza Watson, 2023-04-26

What do you do when a career in family history turns your life into a mystery? At last, Caity Shaw is engaged to her Irish love, Declan. However, rather than planning their future together, she is stuck organizing other couples' weddings and special events at her uncle's English estate. Desperate to escape the manor's media frenzy due to the home's recent appearance on a popular TV show, Caity quits despite her sister Rachel's objection. To everyone's surprise, including her own, Caity hires her former coworker and archenemy as her replacement. Shortly after returning home to Declan in Ireland's tranquil countryside, Caity lands a job assisting a renowned probate genealogist, aka a heir hunter. Her first task is to deliver a family heirloom to a beneficiary in Scotland. What seems like a simple courier job soon has Caity involved in an intriguing family mystery. Caity's wedding plans are put on hold, and her genealogy skills are put to the test when she must solve the mystery to save her and her boss's reputation. *If at First You Don't...* John Brudy, 2014-04-17

To Amos Jordan, Secretary for Cislunar Navigation, no situation was unsolvable. There were rules for everything, weren't there? Except maybe this thing. *Quotes for Signboards, Marquees, Church Signs, Inspiration, and Reflection* Stan H. McCarley, 2024-02-02

Character is doing what is right when no one else is looking. Keep your fears to yourself but share your courage with others. Never put the key to your happiness in someone else's pocket. Quantity is what you count, quality is what you count on. Very few burdens are heavy if everyone lifts. These are just a few of the quotations that I have included in this book. It is a culmination of over four decades of gathering quotes and sayings, noticing church and marquee signs and bumper stickers, and most recently researching on the Internet. In the preface for this book, I went through and listed quotes that meant a lot to me, but as I look back, I realize that they all mean something to me. I hope that you can use them for motivation, reflection, and inspiration. *If at First . . . (Short Story)* Peter F. Hamilton, 2011-06-20

Peter F. Hamilton has proven himself a modern master of epic space opera, carrying the tradition of far future empire building begun by Heinlein and Asimov into the new millennium. But Hamilton is also a master of the short story, and when he tackles one of science fiction's most enduring themes, time travel, the result is as provocative as it is entertaining. It starts in 2007 with a break-in. The victim, Marcus Orthew, the financial and technological genius behind Orthanics, the computer company whose radical products have delivered a one-two punch to the industry, all but knocking PCs and Macs out of the ring. The perpetrator, a man obsessed with

Orthew Just another simple case of celebrity stalking or so everyone assumes at first including Metropolitan Police Chief Detective David Lanson But when Lanson interviews the suspect he makes a startling claim Orthew is from the future Or rather a future a parallel timeline Thus begins the ride of a lifetime for Lanson as his pursuit of the facts tumbles him headlong down a rabbit hole and the hunter finds himself hunted *The Louisiana Purchase and American Expansion, 1803-1898* Sanford Levinson, Bartholomew Sparrow, 2023-06-14 The 1803 purchase of the Louisiana Territory was a watershed event for the fledgling United States Adding some 829 000 square miles of territory the Louisiana Purchase set a striking precedent of Presidential power and brought to the surface profound legal and constitutional questions As the nation continued to expand westward and into the Pacific and Caribbean critical social political and constitutional questions arose that greatly tested American resolve and reshaped the nation s founding premises In this exciting collection Sanford Levinson and Bartholomew Sparrow bring together noted scholars in American history constitutional law and political science to examine role that the Louisiana Purchase played in shaping both the expansionist policies of the nineteenth century and critical interpretations of the Constitution *The Louisiana Purchase and American Expansion 1803 1898* provides a fascinating overview of how the U S Constitution and the American political system is inextricably tied to

**Solution-focused Therapy** Bill O'Connell, 2005 O Connell presents a comprehensive introduction to Solution focused therapy SFT His writing is accessible making this an easy book to read The way in which the material is organized and presented is appealing The tone of the writing is down to earth and I imagine that few readers would feel alienated by the language regardless of training or theoretical background This book provides not only an in depth introduction to SFT but also provides the more experienced therapist with further ideas and principles O Connell manages to keep an air of hope and optimism in his writing which left me with a renewed sense of enthusiasm for working with clients in a SFT way Having read a substantial amount of literature in brief therapy I found this book to be one of the best I have come across O Connell communicates his ideas in a clear and rational way and most importantly with an essential dose of humanity I would recommend this book to almost everyone regardless of their professional background as it instills a sense of hope and change

**Counselling Psychology Review** A thoroughly enjoyable read about an inspiring approach to facilitating others without pathologising them this book not only offers practical guidelines for beginners and validating supportive ideas for the more experienced it could also inspire those who are simply interested in efficient and effective ways of empowering people via reminders of their potential to live zestful creative fruitful connected lives

**Nurturing Potential** Solution Focused Therapy is a comfortable introduction to SFT which is best suited for students or those new to the model or to professionals in other fields It supports the novice practitioner in feeling that providing good therapy is within their grasp Bill O Connell s presentation of solution focused therapy encourages theoretical integration practicality and trust in the abilities of the client over purity Hopefully such an approach would appeal to all therapists

**The Brief Therapy Networks** Solution Focused Therapy Second

Edition a is a popular introduction to the theory practice and skills of an approach which is increasingly used by a variety of professionals including counsellors psychologists mental health workers and social workers Its popularity lies in the fact that it is both time limited and cost effective which are key considerations for many practitioners nowadays For this the Second Edition the book has been fully revised and updated and now includes new sections on solution focused supervision and running a solution focused reflecting team Most chapters include brief practice points for counsellors This book will be of great interest to trainees of solution focused therapy as well as practitioners who work in a range of contexts where the emphasis is on providing effective brief interventions Bill O Connell is Director of Training for Focus on Solutions Limited in Birmingham He was previously Head of the Counselling Department at Westhill College of Higher Education Birmingham and is co editor of Handbook of Solution Focused Therapy Sage 2003
