In Labans Field:

In Laban's Field Norm Sibus, 1993 Norm Sibus's wry expansive poems tell stories and his characters ancient and modern prophets emperors and cabbies address the old unanswered questions with their lives their failures and losses their unanticipated moments of love He shares the stoic pessimism of Tiberius reflecting on the accident of his rule and Marcus Aurelius contemplating his impending death This pessimism is remote from the easy cynicism of our age yet Sibus is among the most modern of poets He defines the present world by what it lacks or by small things of the past it retains despite itself His classicism is without nostalgia and he doesn't long for the desert when his Old Testament figures speak There is always unfinished business for the poems to explore **The Laban Sourcebook** Dick McCaw, 2012-03-29 Rudolf Laban 1879 1958 was a pioneer in dance and movement who found an extraordinary range of application for his ideas from industry to drama education and therapy Laban believed that you can understand about human beings by observing how they move and devised two complimentary methods of notating the shape and quality of movements The Laban Sourcebook offers a comprehensive account of Laban's writings It includes extracts from his five books in English and from his four works in German written in the 1920s and translated here for the first time This book draws on archival research in England and Germany to chart the development of Laban's groundbreaking ideas through a variety of documents including letters articles transcripts of interviews and his unpublished *Effort and Recovery* It covers The beginning of his career in Germany and Switzerland in the 1910s His astonishing rise to fame in Germany in the 1920s as a dance teacher choreographer and creator of public dance events Following his move to England in 1938 the application of his ideas to drama education industry and therapy Each extract has a short preface providing contextual background and highlighting and explaining key terms Passages have been selected and are introduced by many of the world's leading Laban scholars [Dance in the Field](#) T. Buckland, 1999-07-19 This international collection on dance ethnography the first of its kind comprises original contributions on fieldwork in dance and human movement Based on extensive fieldwork experience it explores the major theoretical approaches methods and concerns of dance and movement research from anthropological and ethnochoreological perspectives The result underlines the existing and continuing growth in dance ethnography which will also be of interest to those in dance studies anthropology cultural studies folklore ethnomusicology and sociology [A Field Guide to Actor Training](#) Laura Wayth, 2014-07-01 *Limelight* A Field Guide to Actor Training will help you answer this question The book is designed to be an introduction to various theater training methodologies highlighting their basic tenets and comparing and contrasting each system of training and rehearsal The goal is to provide a one stop shopping kind of resource for student beginning actors who are seeking training through private studios or graduate schools and who crave guidance in selecting training that is right for them Starting with the big question of Why is actor training important and moving on to overviews of the major acting methodologies vocal training physical actor training and advice on how to find the right kind of training for each individual A

Field Guide to Actor Training is an essential resource for the student actor *Fields in Motion* Dena Davida, 2011-10-01

Fields in Motion Ethnography in the Worlds of Dance examines the deeper meanings and resonances of artistic dance in contemporary culture The book comprises four sections methods and methodologies autoethnography pedagogies and creative processes and choreographies as cultural and spiritual representations The contributors bring an insiders insight to their accounts of the nature and function of these artistic practices giving voice to dancers dance teachers creators programmers spectators students and scholars International and intergenerational this collection of groundbreaking scholarly research points to a new direction for both dance studies and dance anthropology Traditionally the exclusive domain of aesthetic philosophers the art of dance is here reframed as cultural practice and its significance is revealed through a chorus of voices from practitioners and insider ethnographers **The Moving Researcher** Ciane Fernandes, 2014-12-21

The Moving Researcher offers a complete approach to Laban Bartenieff Movement Analysis detailing the original method exploring recent developments and examining its applications With contributions from internationally renowned professionals at key institutions this book covers all concepts taught as part of the Certificate of Movement Analysis *The Complete Conductor's Guide to Laban Movement Theory* Lisa A. Billingham, 2009

Movement is at the core of conducting and Rudolf Laban 1879 1958 is considered perhaps the most influential scholar of human movement His ideas have shaped the practice of dancers for generations but are significantly less known among conductors This concise book is a thoughtful and practical introduction to Laban s life and theories perfect for conductors seeking to better connect their understanding of a musical score to their actions on the podium Publisher **Interdisciplinary Arts** Suzanne Ostersmith, Kathleen Jeffs, 2023

Interdisciplinary Arts helps students explore their capacities for creativity and cross disciplinary thinking by drawing from the fields of theatre dance and visual arts They will learn how to transfer the skills they gain from the book to any endeavor or career they undertake *Living on One Day's Rations* Douglas B. Bailey, 2001

In eleven thought provoking sermons based upon texts from Genesis and Exodus Douglas Bailey highlights events from the lives of Jacob his son Joseph and Moses But these messages are more than simple biblical exegesis drawing on insights from scholarly research Bailey demonstrates that the spiritual struggles and faith of Jacob Joseph and Moses are very pertinent to vital issues we face in our lives today For example Jacob s growing pains make us wonder What prizes are worth working for and Why does God pick a fight with us and challenge us to a wrestling match Similarly the story of Joseph leads us to ask why genuine forgiveness is truly painful And sermons reviewing major episodes in the life of Moses raise such questions as Can we really trust God to come through when the chips are down and Can an affluent society ever accept God s limited offer of one day s blessings one day at a time Bailey mines the texts for answers to these timely questions proving that the ancient texts are still very relevant An ordained minister in the United Church of Christ Douglas B Bailey is a graduate of the University of Michigan B A Yale Divinity School B D S T M and the University of Wisconsin Ph D In addition to serving

pastorates in Vermont Maine Massachusetts and Wisconsin Bailey spent over twenty years in administration for Franklin County Children s Services in Columbus Ohio Bailey contributed to the 1998 Daily Book of Prayer published by United Church Press and continues to serve as a supply pastor for vacationing clergy He is also an active member of the United Christian Center ecumenical campus ministry board at Ohio State University

Motion and Representation Nicolas Salazar Sutil,2015-05-15 An examination of the ways human movement can be represented as a formal language and how this language can be mediated technologically In Motion and Representation Nicol s Salazar Sutil considers the representation of human motion through languages of movement and technological mediation He argues that technology transforms the representation of movement and that representation in turn transforms the way we move and what we understand to be movement Humans communicate through movement physically and mentally To record and capture integrated movement both bodily and mental by means of formal language and technological media produces a material record and cultural expression of our evolving kinetic minds and identities Salazar Sutil considers three forms of movement inscription a written record notation a visual record animation and a computational record motion capture He focuses on what he calls kinetic formalism formalized movement in such pursuits as dance sports live animation and kinetic art as well as abstract definitions of movement in mathematics and computer science He explores the representation of kinetic space and spatiotemporality the representation of mental plans of movement movement notation including stave notation Labanotation and such contemporary forms of notation as Choreographic Language Agent and the impact of digital technology on contemporary representations of movement in particular motion capture technology and Internet transfer protocols Motion and Representation offers a unique cultural theory of movement and of the ever changing ways of representing movement
