

LEO STRAUSS AND THE THEOLOGICO-POLITICAL PROBLEM

HEINRICH MEIER

CAMBRIDGE

Leo Strauss And The Theological Political Problem

William Bain

Leo Strauss And The Theological Political Problem:

Leo Strauss and the Theologico-Political Problem Heinrich Meier, 2006-01-09 This book by one of the most prominent interpreters of Leo Strauss's thought was the first to address the problem that Leo Strauss himself said was the theme of his studies the theologico political problem or the confrontation with the theological and the political alternative to philosophy as a way of life In his theologico political treatise which comprises four parts and an appendix Heinrich Meier clarifies the distinction between political theology and political philosophy and reappraises the unifying center of Strauss's philosophical enterprise The book is the culmination of Meier's work on the theologico political problem It will interest anyone who seeks to understand both the problem caused by revelation for philosophy and the challenge posed by political religious radicalism The appendix makes available for the first time two lectures by Strauss that are immediately relevant to the subject of this book and that will open the way for future research and debate on the legacy of Strauss Leo Strauss and the Theologico-political Problem Heinrich Meier, 2006 This book by one of the most prominent interpreters of Leo Strauss's thought was the first to address the problem that Leo Strauss himself said was the theme of his studies the theologico political problem or the confrontation with the theological and the political alternative to philosophy as a way of life In his theologico political treatise which comprises four parts and an appendix Heinrich Meier clarifies the distinction between political theology and political philosophy and reappraises the unifying center of Strauss's philosophical enterprise The book is the culmination of Meier's work on the theologico political problem It will interest anyone who seeks to understand both the problem caused by revelation for philosophy and the challenge posed by political religious radicalism The appendix makes available for the first time two lectures by Strauss that are immediately relevant to the subject of this book and that will open the way for future research and debate on the legacy of Strauss Leo Strauss and the Theologico-Political Problem Heinrich Meier, 2006-01-09 This book by one of the most prominent interpreters of Leo Strauss's thought is the first to examine the theme that Leo Strauss considered to be key to his entire intellectual enterprise The theologico political problem refers to the confrontation between the theological and the political alternative to philosophy as a way of life In this study Heinrich Meier clarifies the distinction between political theology and political philosophy and sheds new light on the unifying center of Strauss's philosophical work The book is the culmination of his work on the general topic of the theologico political problem Leo Strauss and the Problem of Political Philosophy Michael P. Zuckert, Catherine H. Zuckert, 2014-06-30 This critical study of the influential political theorist dispels popular myths and reveals the inner logic of his varied and notoriously complex writings Political theorist Leo Strauss was unexpectedly thrust into the media spotlight for his alleged influence on neoconservative politics With The Truth about Leo Strauss Michael and Catherine Zuckert challenged the many claims and speculations about this complex thinker Now with Leo Strauss and the Problem of Political Philosophy they offer a more comprehensive interpretation of Strauss's thought using the many

manifestations of the problem of political philosophy as their touchstone Strauss they argue sought to restore political philosophy to its original Socratic form This is demonstrated through his critique of positivism and historicism two intellectual currents that undermined his Socratic project The authors also explore Strauss's interpretation of both ancient and modern political philosophers including Plato Aristotle Machiavelli and Locke Finally they examine Strauss's thought in the context of the twentieth century when his chief interlocutors were Schmitt Husserl Heidegger and Nietzsche Leo Strauss and the Problem of Political Philosophy is the most in depth treatment of this often misunderstood thinker examining his ideas across his long career It reveals Strauss's overall intellectual project to decode how ancient and modern theory attempted to solve the problem of political philosophy And it shows why Strauss considered the ancient solution both philosophically and politically superior

Between Athens and Jerusalem David Janssens, 2009-01-08 Examines the early works of German Jewish philosopher Leo Strauss 1899-1973

Modern Democracy and the Theological-Political Problem in Spinoza, Rousseau, and Jefferson L. Ward, 2014-12-04 The book examines the intersection of two philosophical developments which define contemporary life in the liberal democratic west considering how democracy has become the only legitimate and publicly defensible regime while also considering how modern democracy attempts to solve what Leo Strauss called the theologico political problem

Radical Political Theology Clayton Crockett, 2013-10-01 In the 1960s the strict opposition between the religious and the secular began to break down blurring the distinction between political philosophy and political theology This collapse contributed to the decline of modern liberalism which supported a neutral value free space for capitalism It also deeply unsettled political religious and philosophical realms forced to confront the conceptual stakes of a return to religion Gamely intervening in a contest that defies simple resolutions Clayton Crockett conceives of the postmodern convergence of the secular and the religious as a basis for emancipatory political thought Engaging themes of sovereignty democracy potentiality law and event from a religious and political point of view Crockett articulates a theological vision that responds to our contemporary world and its theo political realities Specifically he claims we should think about God and the state in terms of potentiality rather than sovereign power Deploying new concepts such as Slavoj Žižek's idea of parallax and Catherine Malabou's notion of plasticity his argument engages with debates over the nature and status of religion ideology and messianism Tangling with the work of Derrida Deleuze Spinoza Antonio Negri Giorgio Agamben Alain Badiou John D Caputo and Catherine Keller Crockett concludes with a reconsideration of democracy as a form of political thought and religious practice underscoring its ties to modern liberal capitalism while also envisioning a more authentic democracy unconstrained by those ties

Political Theology of International Order William Bain, 2020-04-09 Is contemporary international order truly a secular arrangement Theorists of international relations typically adhere to a narrative that portrays the modern states system as the product of a gradual process of secularization that transcended the religiosity of medieval Christendom William Bain challenges this narrative by arguing that modern

theories of international order reflect ideas that originate in medieval theology. They are in other words worldly applications of a theological pattern. This ground breaking book makes two key contributions to scholarship on international order. First it provides a thorough intellectual history of medieval and early modern traditions of thought and the way in which they shape modern thinking about international order. It explores the ideas of Augustine, Thomas Aquinas, William of Ockham, Martin Luther and other theologians to rise above the sharp differentiation of medieval and modern that underpins most international thought. Uncovering this theological inheritance invites a fundamental reassessment of canonical figures such as Hugo Grotius and Thomas Hobbes and their contribution to theorizing international order. Second, this book shows how theological ideas continue to shape modern theories of international order by structuring the questions theorists ask as well as the answer they provide. It argues that the dominant vocabulary of international order system and society, anarchy, balance of power and constitutionalism is mediated by the intellectual commitments of nominalist theology. It concludes by exploring the implications of thinking in terms of this theological inheritance albeit in a world where God is only one of several possibilities that can be called upon to secure the regularity of order.

Leo Strauss and Anglo-American Democracy Grant N. Havers, 2013-10-15. Leo Strauss and Anglo American Democracy critically interprets Strauss's political philosophy from a conservative perspective. Most mainstream readers of Strauss have either condemned him from the Left as an extreme right wing opponent of liberal democracy or celebrated him from the Right as a traditional defender of Western civilization. Rejecting both portrayals, Grant N. Havers shifts the debate beyond the conventional parameters, stating that Strauss was neither a man of the Far Right nor a conservative but in fact a secular Cold War liberal. In *Leo Strauss and Anglo American Democracy*, Havers contends that the most troubling implication of Straussism is that it provides an ideological rationale for the aggressive spread of democratic values on a global basis while ignoring the preconditions that make these values possible. Concepts such as the rule of law, constitutional government, Christian morality and the separation of church and state are not easily transplanted beyond the historic confines of Anglo American civilization as recent wars to spread democracy have demonstrated.

Political Theory between Philosophy and Rhetoric Giuseppe Ballacci, 2017-11-28. This book explores the significance of rhetoric from the perspective of its complex relationship with philosophy. It demonstrates how this relationship gives expression to a basic tension at the core of politics: that between the contingency of its happening and the transcendence toward which it strives. The first part of the study proposes a reassessment of the ancient quarrel between philosophy and rhetoric as it was discussed by Plato, Aristotle and above all Cicero and Quintilian, who ambitiously attempted to bring them together, creating an ideal that is at the roots of the humanist tradition. It then moves to twentieth century political theory and shows how the questions that emerge from that quarrel still strongly resonate in the works of key thinkers such as H. Arendt, L. Strauss and R. Rorty. The volume thus offers an original contribution that locates itself at the intersection of politics, rhetoric and philosophy.

Leo Strauss Neil G. Robertson, 2021-05-28. Leo Strauss's lifelong

intellectual mission was to recover classical rationalism a pursuit that has made him a controversial figure to this day While his critics see him as responsible for a troubling anti democratic strain in modern politics others argue that his thought is in fact the best defence of responsible democracy Neil Robertson s new introduction to Strauss aims to transcend these divides and present a non partisan account of his thought He shows how Strauss intellectual formation in Weimar Germany and flight from Nazism led him to develop a critique of modernity that tended to support a conservative politics while embracing a radical sense of what philosophy is and can be He examines the way in which Strauss built upon the thought of Nietzsche and Heidegger in order to show how their nihilism led not to a standpoint beyond western rationality but to a recovery of its roots This skillful reconstruction of the coherence and unity of Strauss thought is the essential guide for anyone wishing to fully grasp the contribution of one of the most contentious and intriguing figures in 20th century intellectual history

Judaism, Liberalism, & Political Theology Jerome E. Copulsky,Dana Hollander,Eric Jacobson,Gregory Kaplan,Daniel Weidner,Daniel Brandes,Sarah Hammerschlag,Zachary Braiterman,Robert Erlewine,Oona Eisenstadt,Brian Britt,Bruce Rosenstock,2013-12-05 These essays propose a new and richly detailed engagement between Judaism and the political Jewish Book World Judaism Liberalism and Political Theology provides the first broad encounter between modern Jewish thought and recent developments in political theology arguing in opposition to impetuous associations of Judaism and liberalism and charges that Judaism cannot engender a universal political order The vexed status of liberalism in Jewish thought and Judaism in political theology is interrogated with recourse to thinking from across the Continental tradition This collection of essays which examines political theology from the distinct perspective of Jewish philosophy could not be timelier or more useful for scholars and students navigating what is often viewed as very dense and difficult material Claire Elise Katz Texas A M University

Leo Strauss on Religion Svetozar Y. Minkov,Rasoul Namazi,2024-10-01 Addressing the central theme of his work the complex relationship between religion philosophy and politics the twelve newly available transcripts included in Leo Strauss on Religion offer unprecedented insights into Leo Strauss s thoughts on previously unexplored subjects Essential for both avid readers and newcomers this collection unveils sharper formulations and frank discussions providing a rare peek into the ambiguous aspects of Strauss s renowned reticence in formulating his ultimate thoughts Accompanied by fourteen interpretative essays from distinguished scholars this volume serves as a comprehensive guide to Strauss s intellectual odyssey Offering fresh perspectives these essays navigate the understudied aspects of Strauss s reflections on religion putting his thought in a new perspective thereby enriching the scholarly debate around the controversial yet influential legacy of Leo Strauss

Revelation, Political Philosophy, and the Crisis of Modernity Clark A. Merrill,1998

Political Theology of Kierkegaard Das Saitya Brata Das,2020-02-14 Saitya Brata Das argues that in Kierkegaard s work we find a radical eschatological critique not only of the liberal humanist pathos of modernity but also the political theology of Carl Schmitt that seeks to legitimise the sovereign power of the state by an appeal to a divine or theological foundation

Relating Kierkegaard's notion of Christianity without Christendom to the Schellingian eschatological critique of sovereignty he shows how Schelling's insistence on the eschatological difference between religion and politics is transformed and further intensified in Kierkegaard's critique of historical reason. Such an exception without sovereignty, Das argues, is the very task of our contemporary time.

Political Theologies Hent de Vries, Lawrence Eugene Sullivan, 2006. What has happened to religion in its present manifestations? Containing contributions from distinguished scholars from disciplines such as philosophy, political theory, anthropology, classics, and religious studies, this book seeks to address this question.

Leo Strauss on Maimonides Leo Strauss, 2013-04-23. Leo Strauss is widely recognized as one of the foremost interpreters of Maimonides. His studies of the medieval Jewish philosopher led to his rediscovery of esotericism and deepened his sense that the tension between reason and revelation was central to modern political thought. His writings throughout the twentieth century were chiefly responsible for restoring Maimonides as a philosophical thinker of the first rank. Yet to appreciate the extent of Strauss's contribution to the scholarship on Maimonides, one has traditionally had to seek out essays he published separately, spanning almost fifty years. With *Leo Strauss on Maimonides*, Kenneth Hart Green presents for the first time a comprehensive annotated collection of Strauss's writings on Maimonides, comprising sixteen essays, three of which appear in English for the first time. Green has also provided careful translations of materials that had originally been quoted in Hebrew, Arabic, Latin, German, and French, written an informative introduction highlighting the original contributions found in each essay, and brought references to out-of-print editions fully up to date. The result will become the standard edition of Strauss's writings on Maimonides.

Political Theology Today Mitchell Dean, Lotte List, Stefan Schwarzkopf, 2023-02-23. Almost 100 years have passed since Carl Schmitt gave his controversial definition of the sovereign as the one who decides on the exception in his by now classic *Political Theology* (1922). Written at a time of crisis, the book sought to establish the institution of sovereignty not from within a well-functioning governing machine of the state in a situation of normality, but rather as the minimal condition of state order in the moment of governmental breakdown. The book appeared anachronistic already at its publication. Schmitt went against Max Weber's popular thesis defining secularization as a disenchantment of the world, characterizing modern societies and instead suggested that the concepts of modern politics mirrored a metaphysics originating in Christianity and the church. Nevertheless, the concept of political theology has in recent years seen a revival as a field of research in philosophy as well as political theory, as studies in the theological sub-currents of politics, economics, and sociality proliferate.

Leo Strauss's Defense of the Philosophic Life Rafael Major, 2013-01-04. Leo Strauss's *What Is Political Philosophy* addresses almost every major theme in his life's work and is often viewed as a defense of his overall philosophic approach. Yet precisely because the book is so foundational, if we want to understand Strauss's notoriously careful and complex thinking in these essays, we must also consider them just as Strauss treated philosophers of the past on their own terms. Each of the contributors in this collection focuses on a single chapter from *What Is Political Philosophy* in an effort

to shed light on both Strauss's thoughts about the history of philosophy and the major issues about which he wrote. Included are treatments of Strauss's esoteric method of reading, his critique of behavioral political science and his views on classical political philosophy. Key thinkers whose work Strauss responded to are also analyzed in depth: Plato, Al Farabi, Maimonides, Hobbes, and Locke, as well as twentieth-century figures such as Eric Voegelin, Alexandre Kojève, and Kurt Riezler. Written by scholars well known for their insight and expertise on Strauss's thought, the essays in this volume apply to Strauss the same meticulous approach he developed in reading others. The first book-length treatment on a single book by Strauss, Leo Strauss's *Defense of the Philosophic Life*, will serve as an invaluable companion to those seeking a helpful introduction or delving deeper into the major themes and ideas of this controversial thinker.

Politics in Dark Times Seyla Benhabib, 2010-10-25

This outstanding collection of essays explores Hannah Arendt's thought against the background of recent world political events unfolding since September 11, 2001, and engages in a contentious dialogue with one of the greatest political thinkers of the past century with the conviction that she remains one of our contemporaries. Themes such as moral and political equality, action, judgment, and freedom are re-evaluated with fresh insights by a group of thinkers who are themselves well known for their original contributions to political thought. Other essays focus on novel and little-discussed themes in the literature by highlighting Arendt's views of sovereignty, international law, and genocide, nuclear weapons, and revolutions, imperialism, and Eurocentrism, and her contrasting images of Europe and America. Each essay displays not only superb Arendt scholarship but also stylistic flair and analytical tenacity.

Right here, we have countless books **Leo Strauss And The Theological Political Problem** and collections to check out. We additionally find the money for variant types and afterward type of the books to browse. The satisfactory book, fiction, history, novel, scientific research, as well as various additional sorts of books are readily approachable here.

As this Leo Strauss And The Theological Political Problem, it ends up physical one of the favored ebook Leo Strauss And The Theological Political Problem collections that we have. This is why you remain in the best website to look the incredible books to have.

Leo Strauss And The Theological Political Problem Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Leo Strauss And The Theological Political Problem PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Leo Strauss And The Theological Political Problem PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Leo Strauss And The Theological Political Problem free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Leo Strauss And The Theological Political Problem Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Leo Strauss And The Theological Political Problem is one of the best book in our library for free trial. We provide copy of Leo Strauss And The Theological Political Problem in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Leo Strauss And The Theological Political Problem. Where to download Leo Strauss And The Theological Political Problem online for free? Are you looking for Leo Strauss And The Theological Political Problem PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Leo Strauss And The Theological Political Problem. This method for

see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Leo Strauss And The Theological Political Problem are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Leo Strauss And The Theological Political Problem. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Leo Strauss And The Theological Political Problem To get started finding Leo Strauss And The Theological Political Problem, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Leo Strauss And The Theological Political Problem So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Leo Strauss And The Theological Political Problem. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Leo Strauss And The Theological Political Problem, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Leo Strauss And The Theological Political Problem is available in our book collection an online access to it is set as public so you can download it instantly.
