Snyder, 2022-12-28 The Renaissance was a period of great intellectual change and innovation as philosophers rediscovered the philosophy of classical antiquity and passed it on to the modern age Renaissance philosophy is distinct both from the medieval scholasticism based on revelation and authority and from philosophers of the seventeenth and eighteenth centuries who transformed it into new philosophical systems Despite the importance of the Renaissance to the development of philosophy over time it has remained largely understudied by historians of philosophy and professional philosophers This anthology aims to correct this by providing scholars and students of philosophy with representative translations of the most important philosophers of the Renaissance Its purpose is to help readers appreciate philosophy in the Renaissance and its importance in the history of philosophy The anthology includes translations from philosophers from the thirteenth to the seventeenth centuries and it ranges from works on moral and political philosophy to metaphysics epistemology and natural philosophy thereby providing historians and students of philosophy with a sense for the nature breadth and complexity of philosophy in the Renaissance Each translation is accompanied by an introduction by a historian of Renaissance philosophy as well as select secondary sources in order to encourage further study This anthology is a companion to *Philosophers of the Renaissance* edited by Paul Richard Blum and published by Catholic University of America Press in 2010 which included essays on the writings of the same group of philosophers of the Renaissance Raymond Lull Gemistos Plethon George of Trebizond Basil Bessarion Lorenzo Valla Nicholas of Cusa Leon Battista Alberti Giovanni Pico della Mirandola Marsilio Ficino Pietro Pomponazzi Niccol Machiavelli Heinrich Cornelius Agrippa von Nettesheim Juan Luis Vives Philipp Melanchthon Petrus Ramus Bernardino Telesio Jacopo Zabarella Michel de Montaigne Francesco Patrizi Giordano Bruno Francisco Suarez Tommaso Campanella
