Frederick Zimmerman,2005-02 The Unauthorized Dan Brown Update includes information about Digital Fortress Angels Demons Deception Point The Da Vinci Code book and movie The Solomon Key and subsequent novels It s a mini book in the sense that it is fairly thin 96 pages to start with although it will grow over time For example detailed chapter by chapter analysis of The Solomon Key will be added soon after that novel is published This is a meta book in the sense that it complements without trying to replace the many worthy books that are already available about The Da Vinci Code This book is unique in that it provides a nimble timely report on all of Dan Brown s activities including everything that is known about The Solomon Key The Da Vinci Code movie and beyond     **The Man Behind the Da Vinci Code** Lisa Rogak,2005

Chronicles the life of author Dan Brown discussing his childhood schooling efforts to avoid the public eye acclaimed novels impact on the literary world and other related topics     33 Keys to Unlocking the Lost Symbol Jr Thomas R Beyer,2010-10-08 This book is designed to appeal to fans of Dan Browns Robert Langdon novels particularly The Lost Symbol 2009 Beyer explores some of the books codes puzzles and historical references Although he does raise some interesting questions How does The Lost Symbols original title The Solomon Key help us to understand the meaning and importance of one of the books characters he also spends a lot of time on matters peripheral to his theme Why for example in a book that is presumably being read by someone who is intimately familiar with Browns novels and their hero Robert Langdon would the author devote nearly 2 full pages to a physical description of the character and an explanation of what he does for a living Similarly the authors lengthy travelogue like description of The Lost Symbols setting Washington D C could be replaced by a simple list of elements from the Brown novel that actually exist in Washington freeing up 30 odd pages for meatier pursuits Recommended for readers who cant get enough of Brown and Langdon but for a better and much more entertaining exploration of Browns techniques try *The Da Vinci Code* 2005 the hilarious Da Vinci Code parody written by A R R R Roberts

**The Immortality Key** Brian C. Muraresku,2020-09-29 THE NEW YORK TIMES BESTSELLER As seen on The Joe Rogan Experience A groundbreaking dive into the role psychedelics have played in the origins of Western civilization and the real life quest for the Holy Grail that could shake the Church to its foundations The most influential religious historian of the 20th century Huston Smith once referred to it as the best kept secret in history Did the Ancient Greeks use drugs to find God And did the earliest Christians inherit the same secret tradition A profound knowledge of visionary plants herbs and fungi passed from one generation to the next ever since the Stone Age There is zero archaeological evidence for the original Eucharist the sacred wine said to guarantee life after death for those who drink the blood of Jesus The Holy Grail and its miraculous contents have never been found In the absence of any hard data whatever happened at the Last Supper remains an article of faith for today s 2.5 billion Christians In an unprecedented search for answers The Immortality Key examines the archaic roots of the ritual that is performed every Sunday for nearly one third of the planet Religion and science converge to paint a radical picture of Christianity s founding event And after centuries of debate to solve history s greatest puzzle Before the birth of Jesus the Ancient Greeks found salvation in their own sacraments Sacred beverages were routinely consumed as part of the so called Ancient Mysteries elaborate rites that led initiates to the brink of death The best and brightest from Athens and Rome flocked to the spiritual capital of Eleusis where a holy beer unleashed heavenly visions for two thousand years Others drank the holy wine of Dionysus to become one with the god In the 1970s renegade scholars claimed this beer and wine the original sacraments of Western civilization were spiked with mind altering drugs In recent years vindication for the disgraced theory

has been quietly mounting in the laboratory The constantly advancing fields of archaeobotany and archaeochemistry have hinted at the enduring use of hallucinogenic drinks in antiquity And with a single dose of psilocybin the psychopharmacologists at Johns Hopkins and NYU are now turning self proclaimed atheists into instant believers But the smoking gun remains elusive If these sacraments survived for thousands of years in our remote prehistory from the Stone Age to the Ancient Greeks did they also survive into the age of Jesus Was the Eucharist of the earliest Christians in fact a psychedelic Eucharist With an unquenchable thirst for evidence Muraresku takes the reader on his twelve year global hunt for proof He tours the ruins of Greece with its government archaeologists He gains access to the hidden collections of the Louvre to show the continuity from pagan to Christian wine He unravels the Ancient Greek of the New Testament with the world s most controversial priest He spelunks into the catacombs under the streets of Rome to decipher the lost symbols of Christianity s oldest monuments He breaches the secret archives of the Vatican to unearth manuscripts never before translated into English And with leads from the archaeological chemists at UPenn and MIT he unveils the first scientific data for the ritual use of psychedelic drugs in classical antiquity The Immortality Key reconstructs the suppressed history of women consecrating a forbidden drugged Eucharist that was later banned by the Church Fathers Women who were then targeted as witches during the Inquisition when Europe s sacred pharmacology largely disappeared If the scientists of today have resurrected this technology then Christianity is in crisis Unless it returns to its roots Featuring a Foreword by Graham Hancock the NYT bestselling author of *America Before*
