only a handful of Black and Asian audience members knew the difference between an Iron Fist and an Eagle's Claw. That changed overnight as Five Fingers kicked off a kung fu craze that would earn millions at the box office, send TV ratings soaring, influence the birth of hip hop, reshape the style of action we see in movies today and introduce America to some of the biggest Asian stars to ever hit motion picture screens. *These Fists Break Bricks* offers a lavishly illustrated exploration of how these high kicking brick breaking movies came to America and raised hell until greed, infomercials and racist fearmongering shut them down. For the first time the full and wild story is told including how CIA agents secretly funded karate movies and how The New York Times fabricated a fear campaign about Black karate gangs as well as the history of Black martial arts in America and the onslaught of Bruce Lee imitators after his death. With a foreword by RZA of the Wu Tang Clan and brand new material on superstars like Jackie Chan, Michelle Yeoh and Donnie Yen plus spotlights on unsung performers, film poster artists and money laundering film distributors, this revised and expanded edition is a master class in kung fu cinema history.

Fighting Stars Kyle Barrowman, 2024-09-05 *Fighting Stars* provides a rich and diverse account of the emergence and legacies of Hong Kong martial arts cinema stars. Each of the chapters, written by a host of renowned international scholars, focuses on an individual film star, considering issues such as martial arts practices and philosophies, gender and age, national identities and conflicts, cinematic genres and aesthetic choices in order to understand their local and transnational cultural influence.
