BOOK JACKET Spenser's Irish Work Thomas Herron, 2016-12-05 Exploring Edmund Spenser's writings within the historical and aesthetic context of colonial agricultural reform in Ireland his adopted home this study demonstrates how Irish events and influences operate in far more of Spenser's work than previously suspected Thomas Herron explores Spenser's relation to contemporary English poets and polemicists in Munster such as Sir Walter Raleigh Ralph Birkenshaw and Parr Lane as well as heretofore neglected Irish material in Elizabethan pageantry in the 1590s such as the famously elaborate state performances at Elvetham and Rycote New light is shed here on the Irish significance of both the earlier and later Books of The Fairie Queene Herron examines in depth Spenser's adaptation of the paradigm of the laboring artist for empire found in Virgil's Georgics which Herron weaves explicitly with Spenser's experience as an administrator property owner and planter in Ireland Taking in history religion geography classics and colonial studies as well as early modern literature and Irish studies this book constitutes a valuable addition to Spenser scholarship

in a project of critical recovery to salvage Spenser from the wreckage of Irish history **No Dialect Please, You're a Poet** Claire H  lie, Elise Brault-Dreux, Emilie Loriaux, 2019-07-23 No Dialect Please You re a Poet is situated at the crossroads in research areas of literature and linguistics This collection of essays brings to the forefront the many ways in which dialect is present in poetry and how it is realized in both written texts and oral performances In examining works from a wide range of poets and poetries from acclaimed poets to emerging ones this book offers a comprehensive introduction to poetics of dialects from a variety of regions across two centuries of English poetry **The Kilcolman Notebook** Robert Welch, 1994 This inventive novel explores the labyrinth of colonialism through the mind and strange dreams of the poet Edmund Spenser Moving between quiet reflection at Spenser s Irish home at Kilcolman and the treacherous intrigues of Elizabeth s court the story explores dreams and desires which inhabit the shadow world of politics and power **International Who's Who of Authors and Writers 2004** Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who s Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters **The Western Antiquary, Or, Devon and Cornwall Notebook** , 1884 **The Linen Hall Review** , 1984 International Who's Who in Poetry 2005 Europa Publications, 2004-08-02 The 13th edition of the International Who s Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King s Queen s Gold medal and other poetry prizes Edmund Spenser Jennifer Klein Morrison, Matthew Greenfield, 2017-03-02 Though his writings have long been integral to the canon of early modern English literature it is only in very recent scholarship that Edmund Spenser has been understood as a preeminent anthropologist whose work develops a complex theory of cultural change The contributors to this volume approach Spenser s work from that new perspective rethinking his contribution as a theorist of culture in light of his poetics The essays in the collection begin

with close readings of Spenser's writings and end by challenging the ethnographic allegories that shape our knowledge of early modern England. In this book Spenser is proven to be not only a powerful theorist of allegory and poetics but also a profound and subtle ethnographer of England and Ireland. This is an interdisciplinary volume incorporating studies on history and art history as well as literary criticism. The essays are based on papers presented at *The Faerie Queen in the World 1596-1996: Edmund Spenser among the Disciplines*, a conference which took place at the Yale Center for British Art in September 1996.

"Befitting Emblems of Adversity" David Gardiner, 2001. In *Befitting Emblems of Adversity*, David Gardiner investigates the various national contexts in which Edmund Spenser's poetic project has been interpreted and represented by modern Irish poets from the colonial context of Elizabethan Ireland to Yeats's use of Spenser as an aesthetic and political model to John Montague's reassessment of the reciprocal definitions of the poet and the nation through reference to Spenser. Gardiner also includes analysis of Spenser's influence on Northern Irish poets. And an afterword on the work of Thomas McCarthy. Sean Dunne and Nuala Ni Dhomhnaill and others discuss how Montague's reinterpretation of Spenser influenced this most recent generation of Irish poets.

The Blue Formica Table Robert Welch, 1999. The inter-related poems in this collection are conversations between the poet and his father. The book outlines a difficult relationship and the poems become a gesture toward someone unknown yet terribly familiar, echoing perhaps everyman's relationship with his father. The rigor of the father's approach in language accurate, strenuous and bold is released. The exchanges are sharp and the relationship is dramatically developed. The table forms a focus and an image and the city of Cork is made vibrantly real throughout the poem.
