La Soledad Y Sus Ríos:

Obras completas de Francisco Giner de los Ríos Francisco Giner de los Ríos, 1919 **Obras completas de D. Francisco Giner de los Ríos: Estudios de literatura y arte** Francisco Giner de los Ríos, 1919 *Diccionario General del Zulia* Jesús Ángel Semprún Parra, Luis Guillermo Hernández, 2018-01-11

El Diccionario General del Zulia es por mucho el libro de Historia del Zulia más importante publicado después de la Historia de Juan Besson. Su contribución al género biográfico es nica en Venezuela y su aporte bibliohemerográfico de la zulianidad no tiene parangón sino en los trabajos de Germán Cardozo Galu y Patricia Pineda. En este libro está resumida y presentada de forma práctica toda la historia del Zulia y se proyecta en ella a los próceres civiles de nuestro futuro. Es un acervo bibliográfico que marca un antes y un después en la investigación historiográfica periodística y artística de todo el Occidente del país. Nuestro libro fundamental en muchos sentidos. En él más puro y exigente que hacer intelectual y tradición del Zulia. Luis Guillermo Hernández y Jesús Ángel Parra ofrecen al país esta monumental erudita y til obra de consulta. Germán Cardozo Galu. El Zulia Plural. Nombre original de este proyecto desde hace más de veintitrés años hoy denominado Diccionario General del Zulia por decisión del curador y de la institución editora es el producto de un extenso proceso de investigación sobre personajes, hechos, instituciones y cualquier otro aspecto del Zulia que a través de 500 años de historia escrita y con la tradición oral milenaria de nuestras etnias lleva a crear este corpus enciclopédico de más de 7 000 entradas. Los consultantes o lectores de este Diccionario encontrarán dos tipos fundamentales de entradas. Las de simple referencia muy cortas que ante un apelativo, un seudónimo o una sigla hace la referencia respectiva a la entrada principal. La entrada original o principal, bien de personajes o de instituciones que tratan de sintetizar lo esencial sobre ellos. Las entradas que corresponden a personajes están compuestas por lugar y fecha de nacimiento y de muerte, profesión u oficio, rasgos biográficos, méritos con su trayectoria y las fuentes. Desde luego no siempre ha sido posible localizar todos los datos señalados por lo cual cuando no aparece alguno no es por falta de investigación sino por haber sido imposible la localización de ese dato. Las fuentes fueron clasificadas en directas, las cuales consisten en libros o folletos publicados por el personaje estudiado y específicas o indirectas que son los escritos sobre el personaje publicados en libros, folletos o en órganos periódicos. Un caso especial corresponde a los artistas visuales a los que se les agregan las principales exposiciones realizadas. En el caso de las instituciones se hizo un recuento de su fundación, miembros, fechas básicas de su trayectoria, fuentes específicas así como todo aquello que se considere importante para conocer su historia o como algunos la denominan su biografía. Se debe señalar que en ocasiones existe información cruzada en las entradas porque hay personajes cuya vida es su obra y viceversa. Por eso en la entrada respectiva se señala la consulta que deberá hacerse en otra entrada. Del mismo modo es preciso indicar que existen entradas sin fuentes específicas en el caso de periódicos o revistas ya que se elaboraron los datos con el órgano periódico en la mano. En el caso de personajes o instituciones porque la información se consiguió en la contraportada de libros sin la firma del autor o en recortes de prensa sin datos de identificación. Este

Diccionario fue elaborado con una acuciosa investigación de las fuentes Por lo tanto cada entrada tiene todas sus fuentes esto puede parecer exagerado en algunos casos pero permitir al lector ampliar el aporte de cada entrada al consultar directamente las fuentes y así hacer su investigación según sus necesidades **El río del olvido** Julio Llamazares, 2011-02-09

El río del olvido es un magnífico relato sobre la experiencia del viaje el recuerdo del camino y la mirada del que llega y la de los otros El autor regresa a los paisajes de una infancia ya perdida a través de un viaje que le llevará a recorrer parte de montaña leonesa bordeando el curso del río Curueo y que desvela a su paso un escenario tan hermoso como sobrecogedor y tan espectacular como perturbador para el espíritu y el alma A través de una prosa bella e intimista y un lenguaje minucioso Julio Llamazares nos muestra la fascinación la nostalgia y el cariño que le provoca un paisaje que guarda memoria en sus piedras del paso feroz del tiempo y nos revela ese mundo rural ese territorio que forma parte de nuestra historia y nuestra memoria
