Labor Issues In Infrastructure Reform:

Labor Issues in Infrastructure Reform Public-Private Infrastructure Advisory Facility, 2004 Fears of job loss and changes in employment status have often led workers and unions to oppose privatization and to take actions that delay or block reforms Many developing country governments have been reluctant to undertake reforms because of labor opposition and the political costs involved Such difficulties are often compounded by concerns about the social impact of reforms particularly in countries where social safety nets and labor markets are lacking The objective of the Toolkit which includes a CD ROM is to provide practical tools and information to help policy makers and practitioners deal with these sensitive issues The Toolkit helps governments identify and select appropriate strategies and approaches offers guidelines for design and implementation based on best practice and actual experience and indicates the factors influencing the choice of strategy and options The Toolkit is illustrated with examples checklists and templates that walk decision makers through best practice methodologies

Infrastructure Development in the Pacific Region Akira Kohsaka, 2007-01-24 In the past undersupply of public infrastructure was blamed for low productivity growth in the United States in the 1970s while greater private sector participation was emphasized for infrastructure development in the Asia Pacific region before the Asian Economic Crisis in the 1990s This revealing book looks at the current economic situation and the state of infrastructure on both sides of the Pacific Including contributions from leading authorities such as Satya Paul Jim Storey Tony Makin and Naoyuki Yoshino this book closely investigates the experiences of Japan Canada the US China Korea and Australia

Economic Policy Reform Anne O. Krueger, 2000 Anne O Krueger has assembled and deftly summarized an excellent set of papers on the major issues in economic reform in developing countries at the turn of the century Stanley Fischer International Monetary Fund The papers and commentary collected in this volume discuss vital contemporary thinking on economic policy reform in particular the difficulties that leave so much of the world mired in poverty Distinguished contributors address issues ranging from education and privatization to exchange rates and telecommunications reform providing an excellent overview of the current situation and the possible paths into the future

Public Sector Pay and Employment Reform Barbara Nunberg, 1988 Overstaffed bureaucracies afflicted by eroding salaries demoralization corruption moonlighting and chronic absenteeism are often unable to carry out the key tasks of economic recovery What should the Bank do about it *Public Private Partnerships in the Water Sector* Cledan Mandri-Perrott, David Stiggers, 2013-07-31 Public sector funding and resources are often inadequate to meet increasing demands for investment and effective management and a growing case history shows increasing involvement by the private sector in provision of infrastructure and services through PPP arrangements The objective of this book is to determine and make recommendations on means of optimizing the use of Public Private Partnerships PPP in development of infrastructure whilst ensuring the sustainable long term provision of water and waste water services The focus is on providing detailed recommendations on contractual issues and contract structures to achieve this objective Public Private Partnerships in the Water Sector Innovation and Financial Sustainability Identifies what is needed to establish effective and sustainable water and wastewater service reform when using a PPP arrangement and importantly how those issues can be addressed contractually Provides specific recommendations of a comprehensive and detailed approach to contract drafting to ensure effective sustainable and long term provision of water and wastewater services including an approach for adaptation of

public procurement procedures for PPP arrangements Recommends a proposed approach to dealing with the influence of imperfect or unavailable data on the long term effectiveness or sustainability This is a practical and pragmatic book in which the authors share their considerable experience on devising and implementing PPPs in the water sector It is aimed primarily at practitioners working with developing countries but its recommendations will also be suitable for application in developed countries It is also a useful reference for postgraduates and academics studying infrastructure development See also Public and Private Participation in the Water and Wastewater Sector Developing Sustainable Legal Mechanisms Cleoan Mandri Perrott 2009 Private Sector Participation in Water Infrastructure Organisation for Economic Co Operation and Development OECD 2009 OECD Economic Surveys: Italy 2019 OECD,2019-04-01 In recent years Italy achieved a modest recovery supported by global economic conditions expansionary monetary policy and structural reforms However the recovery has recently weakened and Italy continues to suffer from long standing social and economic problems Living standards are roughly the same as in 2000 and poverty rates for young people remain high Large regional disparities have widened over recent decades *Information Infrastructure* Alain Barbu,Rafael Dominguez,William H. Melody,2001-01-01 This publication follows up on the 1993 review of the Bank's experience in telecommunications it assesses how their assistance from has influenced the development of information infrastructure in developing countries It finds that the recommendations from 1993 have generally been heeded with the adoption of a new private sector led agenda and increasing the share of IFC in total Bank Group funding commitments However the ability to play a global policy leadership role has been hampered by a benign neglect of the sector at both the strategic and country management level *Infrastructure Redux* N. Anwar,2014-12-07 The focus of this book is on industrial infrastructures of production and circulation from power distribution and roads to dry ports and airports It looks at how these infrastructures underpin visions of progress and mediate relations between the state and capitalist firms in industrializing districts in Punjab Pakistan *Structural Reforms and Macroeconomic Performance - Initial Considerations for the Fund* International Monetary Fund,2015-10-14 Structural policies have become a prominent feature of today's macroeconomic policy discussion For many countries lackluster economic growth and high unemployment cloud the outlook With fewer traditional policy options policymakers are increasingly focused on the complementary role of structural policies in promoting more durable job rich growth In particular the G20 has emphasized the essential role of structural reforms in ensuring strong sustainable and balanced growth Against this backdrop the 2014 Triennial Surveillance Review TSR called for further work to enhance the Fund's ability to selectively provide more expert analysis and advice on structural issues particularly where there is broad interest among member countries The purpose of this paper is to engage the Board on staff's post TSR work toward strengthening the Fund's capacity to analyze and where relevant offer policy advice on macro relevant structural issues **Brazil** International Monetary Fund. Western Hemisphere Dept.,2017-07-13 This 2017 Article IV Consultation highlights that Brazil

s deep recession appears close to an end The recession triggered by large macroeconomic imbalances and a loss of confidence was exacerbated by declining terms of trade tight financing conditions and a political crisis Growth is projected to be 0.3 percent in 2017 and 1.3 percent in 2018 moving toward 2 percent in the medium term Inflation is projected to undershoot its central target of 4.5 percent in 2017 and 2018 The forecast assumes that a sufficiently strong set of measures are put in place to ensure fiscal sustainability Political instability and spillovers from the corruption investigation are major sources of risk that could threaten the reform agenda and the recovery
