# Labours First Century

**Mary Hilson**

## Labours First Century:

**Labour Inside the Gate** Matthew Worley, 2005-03-24 In 1906 a confident Labour Party felt that it was already rattling the governing classes Its campaigning cartoon which gives this book its title showed the party wielding an axe towards the gates of Parliament cutting through the special interests protecting the old system to aid the working classes What followed was the remarkable transformation of a parliamentary pressure group into a credible governing force The inter war years were a crucial stage in the development of the Labour Party as it grew from pressure group status to national opposition to party of government At the end of the Great War 1914 1918 Labour had a developing national organisation and a fledgling constitution By 1922 it rivalled the war ravaged Liberals as the party of opposition a fact that was affirmed with the formation of the first minority Labour government in January 1924 The second Labour administration of 1929 collapsed amidst the whirlwind of the great depression but the organisational basis of the party remained solid allowing Labour to reinvent itself over the 1930s By the Second World War the foundations had been laid for the landslide victory that brought in the Attlee government of 1945 Matthew Worley has written the first study dedicated solely to this crucial period in Labour s development In an accessible style he provides a comprehensive account of all aspects of the movement Using a wide range of sources he explores this often marginalised period in Labour s history both looking at the parliamentary party and the growing network of constituency parties Worley s approach unites high politics and issues that cross local and national boundaries He combines policy social history and economics with broader themes such as gender and culture Labour inside the Gate will appeal to students and scholars as well as all those interested in Labour s history Its new insights into the 1945 landslide victory illuminate this important period in the growth of the Labour Party as it continues to redefine and realign itself as the new party of government

**The Labour governments 1964-1970 volume 1** Steven Fielding, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This book looks at how the British Labour Party came to terms with the 1960 s cultural revolution specifically changes to the class structure place of women black immigration the generation gap and calls for direct political participation

**The Labour Governments 1964-70, Volume 1** Steven Fielding, 2003 This book looks at how the British Labour Party came to terms with the 1960 s cultural revolution specifically changes to the class structure place of women black immigration the generation gap and calls for direct political participati

*A History of the British Labour Party* Andrew Thorpe, 2017-09-16 After 13 years in power Labour suddenly returned to being the party of opposition in 2010 This new edition of A History of the British Labour Party brings us up to date examining Gordon Brown s period in office and the Labour Party under the leadership of Ed Miliband Andrew Thorpe s study has been the leading single volume text on the Labour Party since its first edition in 1997 and has now been thoroughly revised throughout to include new approaches This new edition Covers the entirety of the party s history from 1900 to 2014 Examines the reasons for the party s formation and its aims Analyses the party s successes and

failures including its rise to second party status and remarkable recovery from its problems in the 1980s Discusses the main events and personalities of the Labour Party such as MacDonald Attlee Wilson Blair and Brown With his approachable style and authoritative manner Thorpe has created essential reading for students of political history and anyone wishing to familiarise themselves with the history and development of one of Britain s major political parties

**The Labour Party and the Planned Economy, 1931-1951** Richard Toye,2003 An exploration of Labour s 1931 pledge to create a planned socialist economy and the reasons for its failure to do so In the general election of 1931 the Labour Party campaigned on the slogan Plan or Perish The party s pledge to create a planned socialist economy was a novelty and marked the rejection of the gradualist evolutionary socialism to which Labour had adhered under the leadership of Ramsay MacDonald Although heavily defeated in that election Labour stuck to its commitment The Attlee government came to power in 1945 determined to plan comprehensively Yet the aspiration to create a fully planned economy was not met This book explores the origins and evolution of the promise in order to explain why it was not fulfilled RICHARD TOYE lectures in history at Homerton College Cambridge

**Labour's Grass Roots** Matthew Worley,2017-11-28 The period between 1918 and 1945 witnessed dynamic social and economic developments in Britain as the notion of a government controlled economy and welfare state took root In order to be understood this shift in the political landscape needs to be seen in context of the growth of mass political movements and the implementation of fuller democratic processes in the aftermath of the Great War But whilst much has been written on the rise of the Labour Party the decline of the Liberals and the domination of the Conservatives in the sphere of high politics much less research has been done on the local or regional experience of Britain s main political parties between the wars This volume brings together ten essays that together provide an introduction to the role influence and effectiveness of Labour Party activists across Britain Taking a systematic and comparative approach that examines a range of representative areas this volume is more than simply a collection of local studies Instead it utilises the local to develop and illuminate the wider dynamics at work inside the Labour Party By emphasising the role of the party membership Britain s social and political evolution can be reconstructed from grass roots level taking into account the priorities and expectations of the people who sustained and cultivated the nation s social political base By addressing reoccurring issues of interest to labour historians such as gender nationalism the co operative movement and trade unionism through the locus of regionalism and local party activity this volume will not only provide scholars with a better understanding of the Labour Party but should stimulate similar much needed research into other political parties and organisations

**Labour united and divided from the 1830s to the present** Emmanuelle Avril,Yann Béliard,2018-08-31 This book seeks to renew and expand the field of British labour studies setting out new avenues for research so as to widen the audience and academic interest in the field in a context which makes the revisiting of past struggles and dilemmas more pressing than ever

*Labour's First Century* Duncan Tanner,Pat Thane,Nick Tiratsoo,2000-09-11 The Labour Party s centenary is an appropriate moment to evaluate its

performance across the twentieth century and to reflect on why a party which has so many achievements to its credit nonetheless spent so much of the period in opposition Duncan Tanner Pat Thane and Nick Tiratsoo have assembled a team of acknowledged experts who cover a wide range of key issues from economic policy to gender The editors also provide a lucid accessible introduction Labour's First Century covers the most important areas of party policy and practice always placing these in a broader context Taken together these essays challenge those who minimize the party's contribution whilst they also explain why mistakes and weaknesses have occurred Everyone interested in British political history whether supporters or opponents of the Labour Party will need to read Labour's First Century *The Labour Party* Steven Fielding,2017-03-14

The Blair government is much less novel and distinctive than has been assumed by most commentators who have Steven Fielding argues taken too much of its rhetoric at face value Setting recent developments in a broader historical context this major new text on the British Labour Party provides a balanced account of its present state and how it got there The Labour Party is forever changing though generally within long established parameters New Labour is but the latest example of this process Workers and Labour in a Globalised Capitalism Maurizio Atzeni,2013-11-25 An introduction to work and society for undergraduate and postgraduate students This new text brings together international experts on work and employment from a range of disciplines to debate key themes and issues related to work in a globalised economy Labour's Crisis Andrew Edwards,2011-09-30 Many books have focused on the rise of and success of the Labour party in Wales but this one focuses on its decline in an understudied part of Wales The British Labour Party in Opposition and Power 1979-2019 Patrick Diamond,2021-01-18 This book provides a novel account of the Labour Party's years in opposition and power since 1979 examining how New Labour fought to reinvent post war social democracy reshaping its core political ideas It charts Labour's sporadic recovery from political disaster in the 1980s successfully making the arduous journey from opposition to power with the rise and ultimately fall of the governments of Tony Blair and Gordon Brown Forty years on from the 1979 debacle Labour has found itself on the edge of oblivion once again Defeated in 2010 it entered a further cycle of degeneration and decline Like social democratic parties across Europe Labour failed to identify a fresh ideological rationale in the aftermath of the great financial crisis Drawing on a wealth of sources including interviews and unpublished papers the book focuses on decisive points of transformational change in the party's development raising a perennial concern of present day debate namely whether Labour is a party capable of transforming the ideological weather shaping a new paradigm in British politics or whether it is a party that should be content to govern within parameters established by its Conservative opponents This text will be of interest to the general reader as well as scholars and students of British politics British political party history and the history of the British Labour Party since 1918 *The Labour Party* B. Brivati,R. Heffernan,2000-05-08 On 27 February 1900 the Labour Representation Committee was formed to campaign for the election of working class representatives to parliament One hundred years on Labour is in government with an overwhelming

majority This book is a unique opportunity both to celebrate and assess critically the Labour Party's role in shaping events of the twentieth century It brings together academics from a variety of disciplines to examine the history of the Party's development Each chapter includes contributions in the form of commentary and analysis from former Labour leaders cabinet ministers and backbench MPs Contributors include Michael Foot Denis Healey David Owen Keith Laybourn Robert Taylor Steve Ludlam Nick Ellison Clare Short and Austin Mitchell among others *The British Labour Party and the Wider World* Paul Corthorn, Jonathan Davis, 2007-10-24 The legacy of Blair and the invasions of Iraq and Afghanistan continue to loom large for the Labour Party whether in opposition or in government giving rise to fierce debates over Labour's attitude and posture towards the wider world This book considers the idea of Labour's international identity examining how world events and Labour's response to them have helped to shape ideology political culture and domestic agendas from the 1920s until the Iraq War It provides a fascinating and original exploration of Labour both on the world stage and at home from the influence of the Soviet Union on political thought in the interwar years to the international student revolts of the 1960s and from media in the 1990s to Kosovo and New Labour Interventionism This is essential reading for scholars of modern British politics as well as anyone interested in the motivations and influences behind the Labour Party's actions on the world stage

*Rethinking Labour's Past* Nathan Yeowell, 2022-01-13 The Labour Party after Jeremy Corbyn is charting a new direction Here Nathan Yeowell has brought together a remarkable array of contributors to provide expert insight into twentieth century British history and Labour politics and how they might shape thinking about Labour's future Reframing the span of Labour history and its effects on contemporary British politics the book provides fresh thinking and analysis of various traditions themes and individuals These include the shifting significance of 1945 the need for more grounded interpretations of Tony Blair's legacy and the enduring importance of place identity and aspiration to the evolution of the party Contributions from leading historians such as Patrick Diamond Steven Fielding Ben Jackson Glen O'Hara and Florence Sutcliffe Braithwaite are supplemented by those with experience of Labour electoral politics such as Rachel Reeves and Nick Thomas Symonds The result is an intellectually rich and politically relevant roadmap for Labour's future *The Postwar Moment* Isser Woloch, 2019-01-22 An incisive comparative study of the development of Post World War II progressive politics in Britain France and the United States Toward the end of World War II the three democracies faced a common choice return to the civic order of prewar normalcy or embark instead on a path of progressive transformation In this ambitious and original work Isser Woloch assesses the progressive agendas that crystallized in each of the allied democracies their roots in the interwar decades their development during wartime the struggles to enact them in the early postwar years and the mixed outcomes in each country *The Postwar Moment* examines three progressive postwar manifestos that reveal a common agenda in the three nations The issues at stake included priorities for reconstruction or reconversion full employment via economic planning price controls the roles of trade unions expansion of social security national health care public housing and educational

reform A highly regarded scholar of European history Woloch persuasively adds the United States to a discussion that is usually focused solely on Europe The Struggle for Labour's Soul Matt Beech, Raymond Plant, Kevin Hickson, 2004-08-02 Contributors ranging from Chancellor Gordon Brown to the Guardian newspaper's Polly Toybee discuss the Labour Party's political philosophy and address key topics like globalization constitutional reform equality and the third way

**Interpreting the Labour Party** John Callaghan, Steven Fielding, Steve Ludlam, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license Interpreting the Labour Party consists of twelve essays on the principal thinkers and schools of thought concerned with the political and historical development of the Labour Party and Labour movement The essays are written by contributors who have devoted many years to the study of the Labour Party the trade union movement and the various ideologies associated with them The book begins with an in depth analysis of how to study the Labour Party and goes on to examine key periods in the development of the ideologies to which the party has subscribed Each chapter situates its subject matter in the context of a broader intellectual legacy including the works of Sidney and Beatrice Webb Theodore Rothstein Stuart Hall and Samuel Beer among others Labour and the politics of Empire Neville Kirk, 2017-02-01 This is a pathbreaking comparative and trans national study of the neglected influences of nation empire and race upon the development and electoral fortunes of the Labour Party in Britain and the Australian Labor Party from their formative years of the 1900s to the elections of 2010 Based upon extensive primary and secondary source based research in Britain and Australia over several years it makes a new and original contribution to the fields of labour imperial and British world history The book offers the challenging conclusion that the forces of nation empire and race exerted much greater influence upon Labour politics in both countries than suggested by traditionalists and revisionists alike The book will appeal to undergraduates postgraduates scholars in history and politics and all those interested in and concerned with the past present and future of Labour politics in Britain Australia and more generally

Political Change and the Rise of Labour in Comparative Perspective Mary Hilson, 2006-01-07 A comparative analysis of social change democratization and the development of modern party politics in Britain and Sweden during the period 1880 1930 this book presents the similarities of political changes in these two countries at this time and also in the wider European context with particular reference to the emergence of social democracy as a political current

### **Labours First Century Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Labours First Century has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Labours First Century has opened up a world of possibilities. Downloading Labours First Century provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Labours First Century has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Labours First Century. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Labours First Century. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Labours First Century, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Labours First Century has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Labours First Century Books

1. Where can I buy Labours First Century books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
