Lone Survivor Judge Jury Executioner:

Lone Survivor Louis B. Antoine, 1998 **Judge, Jury and Executioner** Alicia M. Goodman, Matthew J. McEniry, Ryan Cassidy, 2021-09-10 Since the Punisher's first appearance in the pages of Spider-Man 129 the character has become one of the most popular and controversial figures in Marvel's vast universe. The Punisher represents one of the most recognizable types of anti-heroes. His iconic skull insignia stands for a unique type of justice: protecting the innocent while violently eliminating everyone he sees as a villain. This collection examines the Punisher from philosophical perspectives about morality and justice. Essays critique the character through the lenses of gender and feminism, consider the Punisher's veteran status in relation to the Vietnam, Afghanistan, and Iraq wars, and examine how politics and gun violence connect the Punisher's world with the real world. Many iterations of the Punisher are examined, including the Netflix release of Marvel's *The Punisher* comics series such as *Punisher MAX*, *Marvel Knights*, and *Cosmic Ghost Rider*, and several fan-fiction stories.

Undead Apocalypse Stacey Abbott, 2016-09-08 Explores the intersection of the vampire and zombie with 21st Century dystopian and post-apocalyptic cinema. Twenty-first century film and television is overwhelmed with images of the undead. Vampires and zombies have often been seen as oppositional: one alluring, the other repellant; one seductive, the other infectious. With case studies of films like *I Am Legend* and *28 Days Later*, as well as TV programmes like *Angel* and *The Walking Dead*, this book challenges these popular assumptions and reveals the increasing interconnection of undead genres. Exploring how the figure of the vampire has been infused with the language of science, disease, and apocalypse, while the zombie text has increasingly been influenced by the trope of the reluctant vampire, Stacey Abbott shows how both archetypes are actually two sides of the same undead coin. When considered together, they present a dystopian, sometimes apocalyptic vision of twenty-first century existence. Key features: Rather than seeing them as separate or oppositional, this book explores the intersection and dialogue between the vampire and zombie across film and television. Much contemporary scholarship on the vampire focuses on Dark Romance, while this book explores the more horror-based end of the genre. Offers a detailed discussion of the development of zombie television. Provides a detailed examination of Richard Matheson's *I Am Legend*, including the novel, the script, the adaptations, and the BBFC's response to Matheson's script.

Bond of Destiny: A Demonica Novella Larissa Ione, 2021-11-22 New York Times and USA Today bestselling author Larissa Ione returns with a new story in her *Demonica* series. Sold into slavery mere hours after his birth to werewolf parents, Tracker spent decades in service to cruel underworlders. Then the fallen angel Harvester transferred his ownership to a human woman who gave him as much freedom as the unbreakable bond would allow. Still, thanks to his traumatic past, he's afraid to trust, let alone feel love. But when an acquaintance shows up at his door, injured and in need of help, he finds himself longing for a connection. For someone to touch. For someone to care. Stacey Markham has had it bad for Tracker since the day her best friend Jillian was forced to hold his unbreakable slave bond. At first, the fact that he's a werewolf seemed weird to Stacey, but hey, her best

friend was married to one of the Four Horsemen of the Apocalypse so weird is definitely a matter of perspective Stacey knows the depths of Tracker's trauma and she longs to help him even as he helps her but breaking through his walls isn't easy And it only gets harder when the only blood family he has the pack that gave him away lays claim to him and everything he loves Every 1001 Dark Nights novella is a standalone story For new readers it's an introduction to an author's world And for fans it's a bonus book in the author's series We hope you'll enjoy each one as much as we do The Soul Survivor Jim Roppa, 2020-07-03 The mysterious millionaire and highly successful corporate executive Mathew Anthony alias The Mailman is back in action Mathew and his identical twin brother Thomas have survived a failed assassination attempt intended to close the book on those who were involved in the murder of The Mailman's handler CIA agent Scott Johnson The Corporate Chameleon Regrettably Thomas Anthony's wife Sienna was an inadvertent victim of the assassination attempt and she was terminated This event launched a retaliation journey The Mainstreet Messenger by The Mailman and his brother who were successful with the extermination of all parties involved except one the President of the United States The assassination saga targeting the Anthony Brothers remains an irritant to the President The chronicle with the Anthony brothers continues The Soul Survivor Both brothers have drastically changed their ideals after avenging the death of Sienna Anthony Thomas continues with his campaign quest to become the first Independent candidate to be elected to the Office of the President of the United States Subversive activities are uncovered which suggest the possibility of another attempt on the lives of the Anthony brothers is being constructed This information reinforces the brothers' conclusion that they must devise a plan which will pit them against the most powerful man in the world the President of the United States The Mailman the consummate assassin will face the ultimate test of will and skill by deciding to undertake his most unimaginable delivery The Mailman who fears nothing spends no time thinking about aspirations or destiny thus when an exploit is needed cares little about his own demise The action he must take is straight forward take the sword of Lady Justice rebalance her scale and then remove her blindfold for her to judge his handiwork A journey is about to take place that will not only affect Thomas and Mathew Anthony's respective lives but also the lives of the very nation the brothers so unconventionally love and defend To the brothers one man the President of the United States evolves from being a life's passage distraction to an imminent danger For the Anthony brothers every value principle and belief will be tested to be entrenched or to be tossed aside The very existence of the strongest nation in the world will be pushed to the brink of hell in this survivor takes all conflict SET NO LIMITS HAVE NO FEAR AND ALLOW NO REMORSE Survivors Amy Marsden, 2021-08-16 It's Jennifer's 24th birthday and she planned to spend it having fun with her friends Instead she ends up running for her life through the dark streets of London Her world is torn apart by a new disease the likes of which have never been seen before The government's decision to conceal its deadly nature exacerbates the panic and in all the confusion Jennifer is bitten by an infected person That's it right Her life over Wrong Immune to the virus's ravaging effects Jennifer finds herself with a small group of survivors

Ah Les Femmes! Louis B. Antoine, 2000 A study of gender and race issues examining the tribulations struggles and triumphs of women living in America and focusing especially upon the experiences of black women in that country The

author a psychiatrist first offers a history of the women's rights movement and then in a series of transcribed interviews allows us to read in their own words the accounts of 11 very different women. These women describe in their backgrounds their struggles against poverty, sexism and racism and their thoughts about the future. Whether she is a madam, a welfare mother, a voodoo priestess or an executive, each woman has had to overcome and fight against the prejudices of others, whether those prejudices be against her colour, financial situation or culture. We saw how being a candidate can be deadly, found a new way to reunite with the dead and discovered a new meaning for the phrase "Man in Black." Months later, we're either just starting to reflect on it all or cursing that we ever looked for answers in the first place. For those who still don't regret the last six years, *Lost: It Only Ends Once* takes one final look at the end and all that came after. The author of *Lost Episode Guide For Others* and *Lost: The Island's Greatest Hits* helps sum up the final 18 1/2 hours and updates his list of the 42 greatest episodes, characters and scenes of all time. In the process, he shares his own journey inside the *Lost* fandom and helps fellow *Losties* heed the show's final message: To remember and to let go. [Kids Who Murder](#) Ellie Hayes, 2023-01-23 Generally naive about their world, children are thought to be nearly incapable of serious wrongdoing and are rarely suspects in violent crimes. Yet from the 1960s to the mid 90s, the U.S. saw several waves of juvenile murders that caused widespread public concern. The phenomenon created longstanding debates about the sources or causes of a child killer's mindset. Some blame external triggers like video games, rock music or pornography, while others argue the causes are deeper issues such as an underdeveloped brain, experiencing abuse and neglect. The quest to uncover the causes of these crimes is ongoing, and how the American justice system should handle these young killers remains a controversy. This book assesses ten murder cases in modern American criminal history, examining the minds of the children who perpetrated them. Chapters compile decades of research on the psychology of child murderers in hopes of creating a more coherent understanding of why kids kill. **Publishers' Trade List Annual, 1999** R.R. "We're All Infected" Dawn Keetley, 2014-02-12 This edited collection brings together an introduction and 13 original scholarly essays on AMC's *The Walking Dead*. The essays in the first section address the pervasive bloodletting of the series: What are the consequences of the series' unremitting violence? Essays explore violence committed in self-defense, racist violence, mass lawlessness, the violence of law enforcement, the violence of mourning, and the violence of history. The essays in the second section explore an equally urgent question: What does it mean to be human? Several argue that notions of the human must acknowledge the centrality of the body, the fact that we share a blind corporeality with the zombie. Others address how the human is closely aligned with language and time, the disappearance of which are represented by the aphasic, timeless zombie. Underlying each essay are the game-changing words of *The Walking Dead*'s protagonist Rick Grimes to the

other survivors We re all infected The violence of the zombie is also our violence their blind drives are also ours The human characters of The Walking Dead may try to define themselves against the zombies but in the end their bodies harbor the zombie virus they are the walking dead

The Politics of Race, Gender and Sexuality in The Walking Dead Elizabeth Erwin, Dawn Keetley, 2018-08-22 From the beginning both Robert Kirkman s comics and AMC s series of The Walking Dead have brought controversy in their presentations of race gender and sexuality Critics and fans have contended that the show s identity politics have veered toward the decidedly conservative offering up traditional understandings of masculinity femininity heterosexuality racial hierarchy and white supremacy This collection of new essays explores the complicated nature of relationships among the story s survivors In the end characters demonstrate often surprising shifts that consistently comment on identity politics Whether agreeing or disagreeing with critics these essays offer a rich view of how gender race class and sexuality intersect in complex new ways in the TV series and comics

Asian American drag shows interviews with gay Asian American men and a reading of current media and popular culture depictions of Asian Americans Han argues that gay Asian American men used to gender privilege within their own communities must grapple with the idea that as Asians they have historically been feminized as a result of Western domination and colonization and as a result they are minorities within the gay community which is itself marginalized within the overall American society Han also shows that many Asian American gay men can turn their unusual position in the gay and Asian American communities into a positive identity In their own conception of self their Asian heritage and sexuality makes these men unique special and in the case of Asian American drag queens much more able to convey a convincing erotic femininity Challenging stereotypes about beauty nativity and desirability *Geisha of a Different Kind* makes a major intervention in the study of race and sexuality in America *Exiles Vol. 12* Marvel Comics, 2016-10-20 Collects *Exiles* 2001 69 74 The Exiles return to prime earth only to find it not so prime anymore So not only do the Exiles have House of M to deal with they have to face the most powerful mutant on the planet *Dances with Ancestors* David Kowalewski PhD, 2019-11-29 Ancestry is big business these days but mere biological genealogy fails to tap into our spiritual roots The shamans of indigenous cultures have known for millennia how to do this In this comprehensive cross cultural survey Dr David Kowalewski scholar and practicing shaman offers several techniques for engaging the Old Ones the old fashioned way Although modern people have largely lost this tradition the ancestors are coming back strong along with the shamans a welcome happening that may reverse our ancestor deficit disorder Drawing on a global survey of ethnographic reports direct teachings from shamans of many continents and experiences from his own shamanic practice the author presents a wealth of useful ways that shamans have developed around the world and across the ages to connect with ancestors in both our realm and theirs These include spirit plates effigies pilgrimages walkabouts and trips with plant spirits Using these ancient techniques indigenous peoples receive a variety of gifts from their Old Ones including destiny guidance healing protection and wisdom teachings Yet some ancestors may behave like hooligans causing psychological distress and physical woes and even curses against a whole lineage But these maladies are both prevented and countered by shamanic methods such as home cleansing disposal of the deceased s property severance ceremonies and the like The author ends with practical takeaways lessons from the lineages so to speak showing how you and your ancestors through concerted spiritual action can co evolve to higher spiritual planes As a team
