*The Philippine Government* , **Legitimizing Empire** Faye Caronan, 2015-05-30 When the United States acquired the Philippines and Puerto Rico it reconciled its status as an empire with its anticolonial roots by claiming that it would altruistically establish democratic institutions in its new colonies Ever since Filipino and Puerto Rican artists have challenged promises of benevolent assimilation and portray U S imperialism as both self interested and unexceptional among empires Faye Caronan s examination interprets the pivotal engagement of novels films performance poetry and other cultural productions as both symptoms of and resistance against American military social economic and political incursions Though the Philippines became an independent nation and Puerto Rico a U S commonwealth both remain subordinate to the United States Caronan s juxtaposition reveals two different yet simultaneous models of U S neocolonial power and contradicts American exceptionalism as a reluctant empire that only accepts colonies for the benefit of the colonized and global welfare Her analysis meanwhile demonstrates how popular culture allows for alternative narratives of U S imperialism but also functions to contain those alternatives

Philippine Studies, 2005 *Made in the Philippines* James A. Tyner, 2004-08-02 The Philippines is the world's largest exporter of temporary contract labor with a huge 800 000 workers a year being deployed on either six month or two year contracts This labor migration is highly regulated by the government private and non governmental non private organizations Tyner argues that migrants are socially constructed or made by these parties and that migrants in turn become political resources Employing a post structural feminist perspective Tyner questions the very ontology of migration
