## Going To Pot:

*Going to Pot* Georges Feydeau, 1970      **Going to Pot** Jill Laurimore, 2015-01-06 In deepest rural England Fliss and Ivor Harley Wright are dead broke and at their wits ends in ancient collapsing Little Waitling Hall The Hall is not even theirs hence they are at the beck and call of both Ivor s terrifying exasperating mother Titty and the bank Their one drop of hope lies in the sale of the family s sole resource The Harley Wright Collection of Commemorative Drinking Vessels Their potential savior comes in the dubious form of a youngish Tom Klaus lawyer to an asset stripper billionaire American In short an unlikely customer He is sent to scout out the goods with what he thinks is a very firm grasp of English culture Instead he finds mud and Titty Can the Harley Wrights persuade Tom to love sodden Suffolk and pull them from their financial mire

*Gone to Pot* Jennifer Craig, 2017-03-07 After losing her job and learning she might also lose her house because of a bad investment Jess a fiercely independent and hilariously wry BC grandma resorts to growing pot in her basement to make ends meet She then has to juggle her public life as a grandmother and member of the town s senior women s group The Company of Crones with her secret life as a pot grower The unusual characters she meets along the way include Swan the enigmatic young woman who introduces her to the grower s world and Marcus the socially awkward gardener who shows her the tricks of the trade Both of her new young friends are more than they appear and Jess adventures in pot growing break down barriers in both her old and new circles The delightful outcome of an almost legitimate business leaves Jess and her associates flushed with success

**Early American Proverbs and Proverbial Phrases** Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is
