The Golden Hour Raymond Gen, 2025-03-21 How did the old Chinese restaurants become so ubiquitous in American culture Prior to the 1980s over 40 000 Chinese American restaurants supplied the USA with dishes like Egg Foo Young Sweet and Sour Pork Chicken Chow Mein and Moo Goo Gai Pan All these iconic dishes were Americanized versions of Cantonese foods This book describes how this phenomenon took place and contains over 150 recipes so that you can replicate the dishes of The Golden Hour Restaurant The Golden Hour is representative of these historic restaurants which not only prospered in large cities like New York San Francisco Chicago Los Angeles Seattle and Dallas but also in small towns like Turlock where The Golden Hour was located in California s agricultural Central Valley These old Americanized Chinese restaurants have largely been replaced by more authentic Chinese cuisines These older dishes and restaurants are on the verge of extinction as the subsequent generations growing up in these restaurants sought other professions This book presents the culture stories and the recipes of this phenomenon

Traditional Slovak Folktales David L. Cooper, 2016-09-16 This delightful collection makes the rich but little known Slovak folk culture available for English language readers Most of the fifty tales assembled here from the collections of folklorist Pavol Dobsinsky are translated into English for the first time The poetic qualities of the originals have been carefully preserved The general reader will enjoy these tales immensely and students will find an insightful introduction to the genres of the folktale and the specifics of Slovak tales For expert readers all of the tales have been classified according to the Aarne Thompson index and many include short commentaries that draw on the work of Viera Gasparikova

Green Hills of Magic Ruth Ann Musick, 2021-12-14 In the early years of this century miners from nearly every country in Europe and Asia Minor migrated to West Virginia to seek employment in its great collieries With them they brought many folktales and legends of their homelands Ruth Ann Musick has collected some of the best and most representative of these stories never before published in book form in *The Green Hills of Magic* In many instances these tales were first related in family circles in the native languages of the tellers later to be translated by their younger English speaking descendants Entertaining in themselves the stories are also excellent examples of the diverse folk beliefs and cultural patterns of the national and ethnic immigrant groups The tales are attractively illustrated with more than twenty black and white drawings

Why is a Red Herring Red? Mitchell Symons, 2020-08-27 Blame it on my father He was a great bloke and all that but he was also one hell of a contrary bugger He d contradict anything anyone said just for the hell of it He d even disagree on the weather which let s face it is the one thing upon which everyone always agrees Anyway along with the old man s bloody gout and his double chin I ve clearly inherited his predilection for looking at the flip side of just about everything So while the rest of the world strains to hear the latest news on the perils of smoking I m the one saying yes but
