Cnockaert, 2004 The numbers appear to be incongruous The University of Michigan has won more football games than any other Division I A school yet the program has only produced three Heisman Trophy winners and precious few winners of other individual awards The numbers are understandable however The focus of Michigan football has always been on the team rather than the individual The Team The Team The Team has for decades been one of the program s best known mantras No one player not even someone worthy of the Heisman is considered greater than anyone else Team goals come first Still the storied history of the Michigan football program is composed mostly of the exploits of its players While that history might start with the likes of Tom Harmon Desmond Howard and Charles Woodson it does not end there For every Heisman Trophy winner there are hundreds of other players who helped to make the Michigan winged helmet the most recognized symbol in college football Michigan Where Have You Gone offers a look at 50 of those other players Some had a singular moment that would forever define their careers Others played an exceptional game in many cases against the Wolverines biggest rivals Still others are remembered for a marvelous season All of them helped Michigan become as the words to the school s fight song suggest The leaders and best and the champions of the west **Wonder Goal Fun**
