L.A.'s Legendary Restaurants George Geary, 2016-09-19 L A's Legendary Restaurants is an illustrated history of dozens of landmark eateries from throughout the City of Angels From such classics as Musso Frank and The Brown Derby in the 1920s to the see and be seen crowds at Chasen's Romanoffs and Ciro's in the mid 20th century to the dawn of California cuisine at Ma Maison and Spago Sunset in the 1970s and 80s L A's Legendary Restaurants celebrates the famous locations where Hollywood ate drank and played Author George Geary leads you into the glamorous restaurants inhabited by the stars through a lively narrative filled with colorful anecdotes and illustrated with vintage photographs historic menus and timeless ephemera Over 100 iconic recipes for entrees appetizers desserts and drinks are included But L A's Legendary Restaurants contains much more than the fancy high priced restaurants favored by the Hollywood cognoscenti The glamour of the golden age of drive ins drugstores nightclubs and hotels are also honored What book on L A restaurants would be complete without tales of ice cream sundaes at C C Brown's cafeteria style meals at Clifton's or a mai tai at Don the Beachcomber Most of the locations in L A's Legendary Restaurants no longer exist but thanks to George Geary the memories are still with us **The Opera** Joseph Wechsberg, 2023-09-02 Opera is enjoyed only by those who know something about it This is the idea behind this book It was written for people who love opera and want to know a little more about its history and evolution its lore and lure and the people who create and re create it Joseph Wechsberg Foreword to *The Opera* Joseph Wechsberg musician and lifelong opera addict claqueur listener and critic takes the reader on a journey through centuries of operatic history from *Dafne* performed during the 1590s generally thought to be the first opera to productions at La Scala the Metropolitan or

Vienna's Staatsoper He explains why of the 42 000 operas said to have been written only a few hundred survive These classics are discussed with analyses of their thematic components and musical qualities and biographical vignettes of their composers and performers Mr Wechsberg has written this book very much with the inexperienced opera goer in mind a readable and enjoyable summary of all that the novice to the opera house should know about Within his survey appears a short account of operatic history and material on all the people concerned with opera composers and librettists singers players managers conductors producers audiences claque and critics M F R Music Letters Even the informed reader can learn from Wechsberg how to integrate his material and achieve a degree of perspective when viewing the enormous historical landscape that provides the background for the evolution of the opera Elaine Brody Notes [The World of Harlequin](#) Allardyce Nicoll,1987-03-05 The commedia dell arte was an improvised drama performed by masked players How did the actors react to these demands and limitations What force kept this form of theatre alive for more than two centuries and made Harlequin such a potent image In this study of the commedia dell arte originally published in 1987 Professor Nicoll's concern is not to provide an historical survey of its origins or to trace the ascent and descent of Harlequin or any or any other character or mask but rather to explore critically the answers to these and related questions His arguments are based on the evidence of the play scenarios and contemporary documents as far as possible and are illuminated by many illustrations that are either little known or had not previously been reproduced *Dantis Alagherii Epistolae* Dante Alighieri,1920 *Who's My Bottom?* Christopher Gillett,2011 Very funny painfully honest and invariably true A real insight into a working opera singer's life Nicholas Hytner The descriptions of rehearsals are very funny Ian Hislop It's no exaggeration to say that *Who's My Bottom* made me laugh out loud abruptly and in public places many times and brought tears to my eyes at others Steven Blier LOVED it It was a terrific can't put it down read It arrived two days ago and is already dog eared I loved his style of writing and his frankness and honesty were both refreshing and beguiling Great Graham Clark I loved it I laughed till I cried and I think you are a bloody genius Susan Bullock Terrific By turns hilarious and touching Clive Bayley **The Definitive Diva** John Louis DiGaetani,2021-08-18 Maria Callas was perhaps the greatest opera singer of the 20th century Hers was a life lived on the world stage and her fame extended to the public consciousness of many parts of the world Even after her mysterious death in 1977 her singing and acting continue to thrill new generations of opera fans thanks to her many recordings and her fascinating life This new biography of Callas tells her story from difficult beginnings as the daughter of Greek immigrants to New York City in 1923 to her wonderful performances at La Scala Covent Garden and the Metropolitan Opera Callas was quite a diva and a master at creating a captivating public image She also became notorious because of her very public affair with Aristotle Onassis the wealthy ship owner who left Callas to marry Jacqueline Kennedy **A Huge Revolution of Theatrical Commerce** Matteo Paoletti,2020-08-13 In the first third of the twentieth century South America became the most important market for many European theatrical companies When Italy found itself in various

theatrical crises Walter Mocchi created a transoceanic theatrical empire using his business acumen to craft viable solutions While his efforts were most visible in the sphere of opera he played an extremely significant role in the promotion and circulation of popular forms of musical theatre such as operetta and staged world premieres of works by Italian superstars in Argentina such as Mascagni's Isabeau thus offering an early example of what Stephen Greenblatt calls cultural mobility

Callas: Portrait of a Prima Donna George Jellinek,2019-07-31 Maria Callas was the most glamorous idolized and criticized operatic figure of our time Loved or hated no singer inspired so much discussion nor exercised as much power at the box office as the ugly duckling who triumphed over a bitter childhood to become the Queen of Opera Written in 1960 this is a portrait of the artist at the height of her fame and includes an epilogue that extends the story to Callas' death in 1977 and her posthumous glory a remarkably balanced picture which goes some way towards explaining the burning never contented determination of the woman wonderful array of photographs The Guardian As an artist Maria Callas is greater than the sum

of her abilities Mr Jellinek has written a very sensible and informative account of her career The New Statesman
