Labour Of Love:

Labour of Love Øystein Gulvåg Holter, 2017-07-05 Amazed at the stubborn nature of the sexual division of labour in modern society five Norwegian researchers set out to explore the sources of this pervasive resistance to change Moving from the neutral concepts of work and money the lofty notions of love and family and the triviality of domestic organization social science is made to yield some surprising insights into hidden secret and perhaps even sacred structures of everyday life A provocative claim in these pages is that the practical arrangement in the family is informed by the erotic properties of work and semi religious notions of poverty and dirt and is sustained by both sexes This anthology reveals some perplexing aspects of contemporary self understanding and rediscovers sexual meaning as a pillar of modern culture The book is an invitation to reconsider the conditions for gender equality and to explore further the cultural tangle behind this persistent tolerance for injustice within European thinking Big Pharma, Women, and the Labour of Love Thea Cacchioni, 2015-01-01 Cacchioni

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
