

The Labour governments from 1964-1970 and 1974 to 1979 failed to solve the economic problems they faced. How far do you agree?

| | |
|---------------------------------------|---|
| <u>Intro/ Argument</u> | <p>The Labour governments of Wilson and Callaghan were voted out of office in 1970 and 1979 by an electorate who felt that they had failed economically. <u>There biggest failure was their inability to promote meaningful economic growth and tackle the problem of the trade unions.</u> This in turn led to industrial unrest, inflation, devaluation and humiliating international loans. Whilst their economic failings were neither continuous nor uniform and many of the problems they faced beyond their control, it is clear that by 1979 they had failed to solve most of the economic problems they faced.</p> |
| <u>Trade Unions - failure</u> | <p><u>The Wilson and Callaghan governments failed to fundamentally tackle to problem of the over-powerful trade unions. This in turn exacerbated the problem of poor economic growth and inflation. Thus it must be considered their greatest failure.</u></p> <ul style="list-style-type: none">• The situation started favorably with the 1965 Trades Dispute Act and the congenial atmosphere of beer and sandwiches at Number 10.• However, a series of rash, and often unofficial, strikes by the Seamen in 66 and the Dockers in 67 brought the economy to its knees.• The strikes of Mad Friday in 1968 wiped £100 million of the British economy in one day and the electorate were keen for Wilson to curb the destructive power of the unions. In this he failed. |

The Labour Party Since 1979 Eric u University of Stirling Shaw,2002-01-22 The Labour Party since 1979 Crisis and Transformation challenges the claim that Labour s only real hope for the future lies in shedding its ideological baggage It rejects the notion taht the shadow budget was the prime cause of its 1992 defeat and argues that the strategyof seeking an image of responsibility and respectability which under the new leadership has become a paramount concern does not offer the best route forward for the party The effect of this strategy of abandoning traditional tenets and adopting a policy profile more to the tastes of its critics in business and the media will be to deprive Labour of its sheet anchor and even if successful electorally the price will be that the hopes and aspirations of its supporters will be highly unlikely to be fulfilled
