Breaking Silence 4 Rohit Shetty, Some Emotions are better left unsaid But at times you feel that it would have been better if you had said it Here are some of the unsaid feelings and emotions penned down in form of poetry The book *Breaking Silence* is the series of books that contain these unsaid emotions and feelings The Dreamer Sheila E. Sampare, 2014-08-21 Sheila has been an avid writer since high school Her inspiration as reflected throughout this book is drawn from significant life experiences and her relationships with loved ones near and dear to her In these pages you will read about her special relationship with her siblings in *Sisters In A Daughters Wish* Sheila encapsulates the utmost feeling of pain and loss experienced when she lost her mother Jane to cancer *Dreamer and Beauty of the Night* bring you deep into the thoughts and reflections of this spellbinding authors journey through life Countless other select writings from Sheilas lifetime poetry collection are featured in this book Everybody's Magazine, 1914 *Unbinding Isaac* Aaron Koller, 2020-07-01 *Unbinding Isaac* takes readers on a trek of discovery for our times into the binding of Isaac story Nineteenth century Danish philosopher S ren Kierkegaard viewed the story as teaching suspension of ethics for the sake of faith and subsequent Jewish thinkers developed this idea as a cornerstone of their religious worldview Aaron Koller examines and critiques Kierkegaard s perspective and later incarnations of it on textual religious and ethical grounds He also explores the current of criticism of Abraham in Jewish thought from ancient poems and midrashim to contemporary Israel narratives as well as Jewish responses to the Akedah over the generations Finally bringing together these multiple strands of thought along with modern knowledge of human sacrifice in the Phoenician world Koller offers an original reading of the Akedah The biblical God would like to want child sacrifice because it is in fact a remarkable display of devotion but more than that he does not want child sacrifice because it would violate the child s autonomy Thus the high point in the drama is not the binding of Isaac but the moment when Abraham is told to release him The Torah does not allow child sacrifice though by contrast some of Israel s neighbors viewed it as a religiously inspiring act The binding of Isaac teaches us that an authentically religious act cannot be done through the harm of another human being *The Vietnam Reader* Stewart O'Nan, 2011-03-23 *The Vietnam Reader* is a selection of the finest and best known art from the American war in Vietnam including fiction nonfiction poetry drama film still photos and popular song lyrics All the strongest work is here from mainstream bestsellers to radical poetry from Tim O Brien to Marvin Gaye Also included are incisive reader s questions useful for educators and book clubs in a volume that makes an essential contribution to a wider understanding of the Vietnam War This authoritative and accessible volume is sure to become a classic reference as well as indispensable and provocative reading for anyone who wants to know more about the war that changed the face of late twentieth century America From the Trade Paperback edition *The Emergence of Jewish Theology in America* Robert G. New Nonfiction Film Dara Waldron, 2018-08-09 *New Nonfiction Film Art Poetics and Documentary Theory* is the first book to offer a lengthy examination of the relationship between fiction and documentary from the perspective of art and poetics The premise of the book is to propose a new category of nonfiction film that is distinguished from as opposed to being conflated with the documentary film in its multiple historical guises a premise explored in case studies of films by distinguished artists and filmmakers Abbas Kiarostami Ben Rivers Chantal Akerman Ben

Russell Pat Collins and Gideon Koppel The book builds a case for this new category of film calling it the new nonfiction film and argues in the process that this kind of film works to dismantle the old distinctions between fiction and documentary film and therefore the axioms of Film and Cinema Studies as a discipline of study *The Reaper's Spell* Andre Pereira, 2019-06-04 Randolph Dardai is a conflicted eighteen year old Part of him wants revenge on the man that killed his father when he was five years old the other part of him wants to find a happy life with his crush Semera and his mother As he starts to settle for a more peaceful life his village gets taken over by rebels These rebels are under orders by the same man that killed his father Thoughts of revenge come back again as he manages to barely escape his village alongside Semera and his teacher mentor Oduart Together they embark on a quest to Parisio the city on which the king lives in They hope to get the king to send an army down and take their village back Along the way they encounter new allies face off against wild animals mother nature fatigue and much more sinister obstacles Don't miss the first novel in the War of the Divine series Andre Pereira's debut novel *THE SCARRED OAK* William Walraven, 2020-09-25 This is the story of a young boy growing up in a small village located on the German border in southern Holland He witnessed the start of WWII and all its cruelty He was there when the Allied offensive came through his village He also saw the horror of a defeated retreating German Army When he met the first American soldiers he made himself a promise that when he grew up he would go to America After some very troublesome young years while working in the coal mines and the loss of best friends a very old oak tree changed his life forever When he and young wife finally were ready to emigrate to the USA they came to the conclusion that every country in western Europe had a quota for emigrating to the USA The quota for Holland was filled for eight years The two decided to go to Canada instead In 1958 they emigrated to Canada and after five years and three months they became Canadian citizens In 1966 they emigrated to the USA and in 1972 Eric finally fulfilled his promise to himself to become an American citizen He traveled worldwide and lived through many experiences It was truly an amazing word he lived in

Paul Auster's "The New York Trilogy" as Postmodern Detective Fiction Matthias Kugler, 1999-10-28 Inhaltsangabe Abstract Paul Auster's New York Trilogy published in one volume for the first time in England in 1988 and in the U S in 1990 has been widely categorised as detective fiction among literary scholars and critics There is however a striking diversity and lack of consensus regarding the classification of the trilogy within the existing genre forms of the detective novel Among others Auster's stories are described as metaanti detective fiction mysteries about mysteries a strangely humorous working of the detective novel very soft boiled a metamystery glassy little jigsaws a mixture between the detective story and the nouveau roman a metaphysical detective story a deconstruction of the detective novel antidetective fiction a late example of the anti detective genre and being related to hard boiled novels by authors like Hammett and Chandler Such a striking lack of agreement within the secondary literature has inspired me to write this paper It does not however elaborate further on this diversity of viewpoints although they all seem to have a certain validity and underline the richness and diversity of

Auster's detective trilogy neither do I intend to coin a new term for Auster's detective fiction I would rather place The New York Trilogy within a more general and open literary form namely postmodern detective fiction This classifies Paul Auster as an American writer who is part of the generation that immediately followed the classical literary movement of American postmodernism of the 60s and 70s His writing demonstrates that he has been influenced by the revolutionary and innovative postmodern concepts characterised by the notion of anything goes on a planet of multiplicity as well as by French poststructuralism He may however be distinguished from a traditional postmodern writer through a certain coherence in the narrative discourse a neo realistic approach and by showing a certain responsibility for social and moral aspects going beyond mere metafictional and subversive elements Many of the ideas of postmodernism were formulated in theoretical literary texts of the 60s and 70s and based on formal experiments include the attempt of subverting the ability of language to refer truthfully to the world and a radical turning away from coherent narrative discourse and plot These ideas seem to have been internalized by the new generation of postmodern writers of the 80s to such
