Slapstick or Lonesome No More! Kurt Vonnegut, 1999-05-11 Some of the best and most moving Vonnegut San Francisco Chronicle Slapstick presents an apocalyptic vision as seen through the eyes of the current King of Manhattan and last President of the United States a wickedly irreverent look at the all too possible results of today's follies But even the end of life as we know it is transformed by Kurt Vonnegut's pen into hilarious farce a final slapstick that may be the Almighty's joke on us all Both funny and sad just about perfect Los Angeles Times Imaginative and hilarious a brilliant vision of our wrecked wacked out future Hartford Courant

Slapstick or Lonesome No More Kurt Vonnegut, 2010-02-23 Manhattan has become the Island of Death The former President of the United States stands barefoot in a purple toga around a cooking fire in the lobby of the Empire State Building He is Dr Wilbur Daffodil II Swain and Slapstick or Lonesome No More is his story one of monstrous twins orgies revenge golf utopian schemes and very little tooth brushing In this post apocalyptic black comedy dedicated to Laurel and Hardy Vonnegut is at his most hilarious grotesque and personal

The Vonnegut Effect Jerome Klinkowitz, 2004 Kurt Vonnegut is one of the few American writers since Mark Twain to have won and sustained a great popular acceptance while boldly introducing new themes and forms on the literary cutting edge This is the Vonnegut effect that Jerome Klinkowitz finds unique among postmodernist authors In this innovative study of the author's fiction Klinkowitz examines the forces in American life that have made Vonnegut's works possible Vonnegut shared with readers a world that includes the expansive timeline from the Great Depression during which his family lost their economic support through the countercultural revolt of the 1960s during which his fiction first gained prominence Vonnegut also explored the growth in recent decades of America's sway in art which his fiction celebrates and geopolitics which his novels question A pioneer in Vonnegut studies Jerome Klinkowitz offers The Vonnegut Effect as a thorough treatment of the author's fiction a canon covering more than a half century and comprising twenty books Considering both Vonnegut's methods and the cultural needs they have served Klinkowitz explains how those works came to be written and concludes with an assessment of the author's place in American fiction

Steere,2009-05-26

Rediscovering Confession is about recovering the experience of confession in danger now of becoming a lost art It identifies four elements present in psychotherapy and confession a state of heightened self awareness a growing realization that our predicament points in some meaningful direction beyond itself the necessity to make a relevant response to our situation and a potential for spiritual encounter that accompanies the process Each chapter contains a section devoted to practice with exercises for individual contemplation and experimentation guidelines for forming a confessional partnership directions for conducting discussions in a study group and ways to organize a small confessional group **Revival: Little Golden America (1944)** Ilya Ilf,Eugene Petrov,2018-03-29 *Odnoetazhnyia Amerika* One Storied America First published in the U S S R 1936 Little Golden America First published in England in 1944 Translated from the Russian by Charles Malamuth This is one of the most popular books ever published in the Soviet Union It remains popular in Russia today We Americans cannot figure out what makes it so popular It is a good book interesting and well written but does not contain anything so outstanding as to make it the most popular book ever written Yet almost every Russian seems to have read or to be familiar with Little Golden America It describes the adventures of the two authors Ilya Ilf and Eugene Petrov who arrived in New York City on the passenger ship Normandie After one month in New York they bought a car and started traveling around the United States They went to Chicago and San Francisco and then swept back through the Southern States When they arrived back in New York to return to Europe they said that they had traveled ten thousand miles Forever Pursuing Genesis

Leonard Mustazza,1990 The title of this book *Forever Pursuing Genesis* derives from a statement that Vonnegut once made about the nature of the universe and humankind's place in it This study applies that statement to the narrative themes that Vonnegut has treated in his career **Official Journal**,1901 *Sebago-Wohelo Camp Fire Girls* Ethel Rogers,1915 A description of Camp Fire Girls activities at the Sebago Wohelo camp in Maine Many early traditions of Camp Fire Girls including dress symbolism and language are culturally appropriated from Indigenous peoples The design of this volume and its illustrations and portraits are representative of this *Digging Up Momma* Sarah Shankman,2013-07-16 In her witty southern fried suspense novels Sarah Shankman delivers nonstop action with a hilarious bite Now she sends her acclaimed irreverent heroine New Orleans writer Samantha Adams to a southwestern New Age hot spot to unearth a secret past that was supposed to be six feet under My dearest Sugar I must see you It's urgent I need your help The letter that arrived from Sam's mother was postmarked Santa Fe penned in her mother's handwriting and disclosed details only Johanna Adams could know There was just one catch Johanna Adams had been dead for thirty four years The mind blowing missive could have been an entry from Sam's latest book of bizarre anecdotes *American Weird* or an elaborate hoax Either way it instantly rekindled Sam's impossible wish that her mother hadn't really died in a plane crash when Sam was a child Fueled by her journalistic instincts and a daughter's need for closure Sam touches down among Santa Fe's tourists and crystal gazers jewelry shops and fast food stands But only when she summons the courage to knock on the door of Room 409 at the La Fonda Hotel does her surreal mother seeking adventure take off with no turning back *Song Lyrics* Michel Montecrossa,2004
