God Within:

God Within Oliver Davies, 2006-03 This new edition of a classic book sheds light again on a neglected spiritual tradition It conveys the essence of writers whose works still resonate with contemporary seekers of authentic theological insight Jan van Ruusbroec Johannes Tauler Henry Suso and Walter Hilton in addition to more familiar figures such as Meister Eckhart and Julian of Norwich Book cover *The God Within* Emil Fackenheim, 1996-12-15 For nineteenth century thinkers the central problem of religious consciousness in the modern West was the tension between prevailing concepts of individual autonomy and the traditional Judaeo Christian claim for divine revelation The God Within brings together ten of Professor Emil Fackenheim s essays on the German Idealists who struggled to resolve this tension This philosophic preoccupation found its most searching and comprehensive expression when the traditional notion of God as Transcendent was reconceptualized as the God within The internalization of God s otherness reached its climax with Hegel the subject of Fackenheim s earlier work The Religious Dimension in Hegel s Thought This long awaited companion to that volume examines the earlier stages of the process beginning with its initiator Kant then considering Schelling in both his earlier and later phases and finally looking once more at Hegel The investigation of this movement together with the related themes of history and the literary arts leads to reflection on the significance of taking historicity seriously Included is the classic much cited article Metaphysics and Historicity which connects the philosophy of German Idealists to twentieth century questions of historicity and existential thought in particular The previously unpublished essay Schelling in 1800 1801 Art as Revelation provides an overview of philosophical history from Kant through Fichte and Schleiermacher to the later Schelling All the essays gathered here are concerned with the radical singularity of history and existence on the one hand and the demands of philosophical truth on the other They are informed by Professor Fackenheim s engagement with the profound philosophical challenges of our day particularly his efforts as a Jewish theologian to confront the horrors of the Holocaust We see through Fackenheim s exposition how these thinkers sought to come to terms with the presence of radical evil a problem whose modern relevance is explored in this volume s epilogue the 1988 essay Holocaust and Weltanschauung Philosophical Reflections on Why They Did It *The God Within Me* Michael Faust, 2011-10-23 Psychologist Carl Jung and Nobel Prize winning physicist Wolfgang Pauli collaborated to find a means of bridging the gap between the psychological and scientific worlds between mind and matter They failed but everything they sought has been accomplished by the ancient and controversial secret society known as the Illuminati They have provided a framework for understanding all phenomena of whatever nature either scientific or paranormal Discover their startling theory of everything It explains Rupert Sheldrake s theory of Morphic Resonance homeopathy out of body and near death experiences synchronicity remote viewing hypnosis and many other previously inexplicable phenomena And read about dream gnosis the extraordinary means by which the fortunate few encounter their inner God The Spirit of God Within You Thomas Nelson, 2021-10-12 Who is the Holy Spirit What are the gifts of the Holy

Spirit What does it mean to be filled with the Holy Spirit These common questions and more are answered in this yearlong devotional that combines the writings of Southern Baptist pastors ministry leaders and devoted teachers who seek to remind you about the comfort and contentment that comes from walking God s Way The Spirit of God Within You led by Dr Johnny Hunt includes brief powerful devotions for 52 weeks biblical teachings on ways to learn more about Jesus and the Holy Spirit and to discover a life well lived with Him Scripture readings to support the teachings prayers to encourage a deeper relationship with God and be grateful for the wonderful things He has done for us ways to reflect on and deepen your relationship with God The MyDaily devotional series offers readers invaluable wisdom and Biblical encouragement to stir the hearts of Christians and bring them closer to their Savior Designed with an attractive luxury package The Spirit of God Within You is a beautiful gift for pastors worship leaders or anyone eager to cultivate a sense of praise in their everyday lives
