Goerings List:

Goering's List J. C. Pollock, 1995-11-05 Almost 50 years after World War II the collectors who possess the priceless art once plundered by the Nazis are dying under mysterious circumstances The CIA calls on renegade counter terrorist Mike Semko to team up with a beautiful Israeli agent to track down the master terrorist who holds the explosive list of collectors

Goering's List J. C. Pollock, 1993 Thriller about intrigue in the international art world after the fall of communism

Goering's Man in Paris Jonathan Petropoulos, 2021-01-01 A charged biography of a notorious Nazi art plunderer and his career in the postwar art world Petropoulos brings Lohse into sharper focus as a personality and axis point from which to explore a network of art dealers collectors and museum curators connected to Nazi looting What emerges from Petropoulos's research is a portrait of a charismatic and nefarious figure who tainted everyone he touched Nina Siegal New York Times Readers of art history and WWII biographies will appreciate this engrossing deep dive into one of the world's most prolific art looters Publishers Weekly Bruno Lohse 1911-2007 was one of the most notorious art plunderers in history Appointed by Hermann Goering to Hitler's art looting agency in Paris he went on to help supervise the systematic theft and distribution of more than thirty thousand artworks taken largely from French Jews and to assist Goering in amassing an enormous private art collection By the 1950s Lohse was officially denazified but was back in the art dealing world offering masterpieces of dubious origin to American museums After his death dozens of paintings by Renoir Monet and Pissarro among others were found in his Zurich bank vault and adorning the walls of his Munich home Jonathan Petropoulos spent nearly a decade interviewing Lohse and continues to serve as an expert witness for Holocaust restitution cases Here he tells the story of Lohse's life offering a critical examination of the postwar art world

Ungentlemanly Warfare Howard Linskey, 2020-04-28 A secret assassin An impossible mission Failure is not an option 1943 With Nazi Germany facing defeat Reichsmarschall Hermann Goering has authorized mass production of the Messerschmitt Me 163 Komet a jet propulsion engine aircraft faster than any plane in the Allies arsenal But British Intelligence has discovered that the Komet is unstable and German scientist Professor Gaerte has been tasked to fix the plane's flaw To prevent the Komets from getting airborne an undercover task force must infiltrate Nazi occupied France and assassinate Gaerte Captain Harry Walsh is one of Britain's most effective ruthless and unorthodox Special Operations Executive agents Allied with an American OSS and Free French operatives Harry leads his squad behind enemy lines where he's reunited with fellow SOE operative and former lover Emma Stirling But as the team proceeds with their mission an SS officer from Harry's past pursues the Englishman on a very personal mission of revenge Praise for Howard Linskey Linskey is one of the most commanding crime fiction practitioners at work today Financial Times A new master of the gripping gritty thriller Paul Finch One of the best new writers around Mark Billingham Visit us at www.kensingtonbooks.com

Eagles of the Third Reich Samuel W. Mitcham, 2007 Originally published under the title *Men of the Luftwaffe* this insightful well researched book traces the rise and fall of Hitler's air force from the perspective of its top

leaders concentrating on problems of organization policy and aircraft production rather than battles and campaigns
 Publishers Weekly **Goering** Richard Overy, 2020-10-01 Published in the Bloomsbury Revelations series and featuring a new preface by the author this classic biography by acclaimed historian Richard Overy takes the reader on a chilling journey into the heart of Hitler's inner circle Hermann Goering was Hitler's most loyal supporter his designated successor and the second most powerful man in the Third Reich One of the main architects of the Nazi regime he was also instrumental in the creation of the Gestapo and directly ordered the Final Solution But who was the man behind the carefully constructed mask Self indulgent and ruthless sybaritic and brutal egotistical yet capable of self effacement weak willed yet fiercely calculating Goering was a contradictory complex and often bufoonish character He styled himself as the Iron Man but was known to wear togas fur coats and faux medieval hunting outfits A brilliant World War I fighter pilot military leader and mercurial Luftwaffe commander he also loved the opera and took a perverse pride in his ill gotten infamous art collection Richard Overy illuminates the many facets of Goering's personality and charts his story from his golden days as Hitler's most trusted commander to his failures and loss of power after the Battle of Britain his sensational trial at Nuremberg and his ignominious death by suicide on the eve of his execution [The Katyn Forest Massacre](#) United States. Congress. House. Select Committee to Conduct an Investigation and Study of the Facts, Evidence, and Circumstances on the Katyn Forest Massacre, 1952 [Goering](#) Heinrich Fraenkel, Roger Manvell, 2011-03-02 Commander in Chief of the Luftwaffe president of the Reichstag and Hitler's designated successor Herman Goering was one of most capable and sinister leading figures of the Third Reich He played a major role in smoothing Hitler's road to power through helping to secure the support of generals financiers and industrialists and as creator of the secret police he showed formidable energy in crushing all resistance As commander of the Luftwaffe he led the mightiest air force the world had ever seen As the Second World War drew to a close however Goering was a bloated shadow of his former self he became an increasingly discredited figure despised by Hitler and ridiculed by his former fellow henchmen In this classic biography Manvell and Fraenkel have drawn on interviews with members of Goering's family his former associates his enemies and his servants His extravagant lifestyle and tastes his unusual habits and uniforms his cunning ambition and casual brutality are all explored in dramatic detail The result is a thorough and intimate portrayal of this dangerous and contradictory man and an insightful history of the rise and ultimate collapse of the Third Reich *Hermann and Albert Goering* James Wyllie, 2011-09-30 They were the most unlikely of siblings one Adolf Hitler's most trusted henchman the other a fervent anti Nazi Hermann Goering was a founder member of the Nazi Party who became commander of the Luftwaffe ordering the terror bombing of civilians and promoting the use of slave labour in his factories His brother Albert loathed Hitler's regime and saved hundreds possibly thousands across Europe from Nazi persecution He deferred to Hermann as head of the family but spent nearly a decade working against his brother's regime If he had been anyone else he would have been imprisoned or executed Despite their extreme and differing beliefs

Hermann sheltered his brother from prosecution and they remained close throughout the war Here for the first time James Wyllie brings Albert out of the shadows and explores the extraordinary relationship of the Goering brothers **Goering Cross Examined** Jacqueline George,2014-07-13 When Field Marshall Hermann Goering Deputy F hrer and commander of the Luftwaffe appeared before the Nuremburg Tribunal in 1946 to answer for his crimes the world was watching Much of Europe had directly suffered through the war that he and the Nazi system had brought to the continent and now he would have to answer for his crimes On the other hand Germany was full of Nazis who had been defeated but did not feel any part of the guilt for those terrible events Would Goering be able to stand up for them and give them hope for the future Goering proved to be intelligent and resourceful a natural leader who dominated the other defendants at the trial and showed no self doubt at all The evidence he gave on his own behalf made the unthinkable seem reasonable the normal reaction of a government and country under threat from outside forces He denied all knowledge of war crimes and the crimes against humanity that were now being uncovered Only cross examination by American and British prosecutors could force him to admit his complicity but Goering was far too clever to be pinned down easily Here in the actual words spoken by the three adversaries is the story of the American prosecutor Supreme Court Justice Robert Jackson and his British colleague Sir David Maxwell Fyfe fighting to bring the true story of Goering s crimes into the light Using complete court transcripts with commentaries on each session this book allows the reader to follow the battle day by day All three men and especially Goering jump from the pages in the words they used seventy years ago This is Goering from a different angle seen not through his deeds but as you might see him at a town hall meeting He is talkative and charismatic even when on trial for his life and with the ruins of the Third Reich around him His trial is followed through to the end and the book has an Epilogue from his fellow defendant Albert Speer This very readable book brings together the many strands of the Goering war crimes trial in a way that allows the interested but legally challenged reader to appreciate the hubris and depravity of the Reich s Deputy F hrer The reader is left with the impression that Goering throughout his trial believed in the righteousness of the Nazi Cause and was surprised and disappointed in the final outcome Goering s testimony to the Tribunal is both chilling and a fitting final testimony to the Nazi era Charles Gillman Wells *The Beams are Creaking* Douglas Anderson,1985

Inside the Third Reich Albert Speer,1997-04 Speer the Minister of Armaments and War Production under Hitler the man who had kept Germany armed and the war machine running even after Hitler s mystique had faded takes a brutally honest look at his role in the war effort giving readers a complete view of the inside of the Nazi state **Goering** R. J. Overy,2003 **Proceedings of the Zoological Society of London** ,1875 *PROCEEDINGS OF THE SCIENTIFIC MEETINGS OF THE ZOOLOGICAL SOCIETY OF LONDON FOR THE YEAR 1875* ,1875 **The Proceedings of the Scientific Meetings of the Zoological Society of London** Zoological Society of London,1875 [The Katyn Forest Massacre](#) United States. Congress. House. Select Committee to Conduct an Investigation and Study of the Facts, Evidence,

and Circumstances on the Katyn Forest Massacre,1952

The Unsinkable Herr Goering Ian Cassidy,2012-09-19

Contrary to what the so called history books tell you Hermann Goering Hitler s Deputy Head of the Luftwaffe and second most powerful man in Nazi Germany did not leave this world courtesy of a cyanide tablet secreted in the heel of his jackboot minutes before his appointment with the hangman The truth is far more bizarre THE UNSINKABLE HERR GOERING is a monumental debut novel by Ian Cassidy It follows Goering a man blindsided by hubris on his attempted escape from both Germany as well as from the Allies and the inept men of mettle who put a stop to it It is a hilariously depraved story of of villainous villains slightly less villainous heroes bad behavior and even worse beer and uncomfortable underwear Not since A Confederacy of Dunces has a book brought to life such audaciously flawed characters It gets so much wrong yet so much right

Occupation and Insurgency Colin D. Heaton,2008 *Occupation and Insurgency* details German policies towards civilians and captured military forces in the Soviet Union from 1941 1945 and examines them in the context of the laws of war The results of these policies illustrate how an occupying force can establish a sense of legitimacy or spur a stronger resistance among the local citizens While focused upon World War II the book is very relevant to today s war on terror and the handling of current counterinsurgency scenarios Evaluating certain actions by the Germans in the USSR from the standpoint of The Geneva and The Hague Conventions the book also studies many actions that while morally egregious did not qualify as war crimes under the law Some of the events analyzed prompted the 1949 revision of The Geneva Convention The German actions as well as the Soviet responses lend themselves to discussion as related to international law and military actions There is no other book that uses chronicled events to address both the international legal conventions and analyzes these events in both a legal and historical paradigm The book is closely documented including 20 photographs and numerous interview segments with SS officers resistance fighters and other primary persons involved in the war and it provides as well the perspectives of other historians regarding the critical issues discussed *Occupation and Insurgency* is a book that will appeal to all levels of academia as well as the general public with regard to general history World War II and legal studies It complements and goes beyond works such as Christopher Browning s *Ordinary Men* Omer Bartov s *Hitler s Army Soldiers Nazis and War in the Third Reich* Arad Kurowski and Spector eds *The Einsatzgruppen Reports* and Richard Rhodes *Masters of Death*
