existence Rather it is our response to God within the physical psychological social and emotional dimensions of life St Th r se did not grow in holiness apart from the human condition Like all of us she was emotionally scarred by the fragileness of life She was deeply wounded by the death of her mother at the age of four bedridden as the result of a neurotic episode when she was ten struggled with debilitating scruples most of her life and suffered an agonizing dark night of faith St Th r se was no plaster statue saint Her life was a real life As it unfolds before us on the pages of Story of a Soul we see a pilgrim soul who made her way home to God through many raging storms and dark nights The specific nature of Th r se s trials may differ from our own but psychological and emotional suffering are our common lot For example we may not have know the pain of our mother dying when we were four but most of us have know the pain of the loss of a loved one The sufferings that we share with Th r se are universal physical pain anxiety anger sadness depression loneliness doubts of faith to name a few These sufferings make doing the will of God difficult but they are the context of our choices They are the context of holiness

This description is st *God Was in This Place & I, I Did Not Know—25th Anniversary Ed* Lawrence Kushner, 2016-03-01 Selected as a Union of American Hebrew Congregations (UAHC) Significant Jewish Book, Jacob was running away from home. One night he lay down in the wilderness to sleep and had one of the great mystical experiences of Western religion. He dreamed there was a ladder with angels ascending and descending stretched between heaven and earth. For thousands of years, people have tried to overhear what the messengers came down to tell Jacob and us. Now, in a daring blend of scholarship and imagination, psychology and history, Lawrence Kushner gathers an inspiring range of interpretations of Genesis 28:16 given by sages from Shmuel bar Nachmani in third-century Palestine to Hannah Rachel Werbermacher of Ludomir who lived in Poland two hundred years ago. Through a fascinating new literary genre and Kushner's creative reconstruction of the teacher's lives and times, we enter the study halls and sit at the feet of these spiritual masters to learn what each discovered about God's Self and ourselves as they ascend and descend Jacob's ladder. In this illuminating journey, our spiritual guides ask and answer the fundamental questions of human experience: Who am I? Who is God? What is God's role in history? What is the nature of evil? How should I relate to God and other people? Could the universe really have a self? Rabbi Lawrence Kushner brilliantly reclaims a millennium of Jewish spirituality for contemporary seekers of all faiths and backgrounds. *God Was in This Place* is about discovering God's place in the universe and yours.
