

A dramatic landscape featuring a range of mountains under a vast, cloudy sky. The foreground shows rugged, green-covered mountain peaks, while the background consists of more distant, hazy mountain ranges. The sky is filled with large, white, wispy clouds, and a bright light source, likely the sun, is visible on the horizon, creating a strong glow and long shadows across the landscape. The overall mood is majestic and contemplative.

If Only God Would Answer:

If Only God Used His Brain Snofla Sacul, 2011-08-15 In order to understand this provocative article as my personal analogy that is concerning my outlook on life and religion especially my critical view referring to the creation of our universe and life including all diseases here on earth I will try my best to present my analogy in a most rational way explaining all the short comings in reference to our life including my belief in the Judeo Catholic religion I will especially scrutinize the Judeo Christian religion to which I was introduced in my childhood Unfortunately history and my passed life are now in a distant passed Yes I soon realized that I had to change my stalemated view on life to which I was introduced in my childhood I had to bring it to a platform of a new concept to view Nature and religion from a different angle to a platform of reality As for myself I sense a negative opinion as to my most open and forward references concerning religion and God Some may call me The Diablo s Incarnates Surely each one of us has the privilege to his own opinion This book has no intention to change anyone s mind Its porpoise is to expose the hidden truth which may never be exposed to you otherwise I also would like to point out that in many instances I have repeated myself only to accentuate and highlight the subject in a given paragraph In anticipated criticism and religious hate I am asking to stay anonymous for various reasons If truth is the reason to hate and cause mental unhappiness then one must have objection to the existence of God as God is the only truth *Misused* R.K. Ayers, 2016-08-11 Using relatable stories from the authors 15 years of ministry experience *Misused* reveals the fact faith and truth to difficult statements and thoughts like God will never give you more than you can handle or God should make us happy if we ask for it The book also addresses hard topics such as why bad things happen to Gods people and tips for facing liars in your life The valuable concepts are brought to life in three primary sections How society uses feel good statements The biblical foundation of the statement What should be used instead Within these 3 categories readers are empowered to understand the concepts that truly encourage others with biblical truth and compassion Each chapter ends with questions for thought and discussion making this the perfect tool for an 8 week devotional small group study or personal growth tool

Carter Aikin, 2014-01-03 Moved by God to Act offers a fresh description of Christian moral action as a moment of connection between divine and human agency Through an ecumenical consideration of a variety of resources this book gives an accessible description of the work of God's grace not only in individual Christian agency but also within the dynamics of Christian community Moved by God to Act brings the contemporary theological ethics of community into dialogue with the pneumatology of Thomas Aquinas The ethic emerging from this dialogue lifts up the centrality of God's grace in Christian community while at the same time offering a detailed articulation of the human being as naturally and beautifully drawn into cooperation with God's grace in the ethical life The book concludes by showing how Aquinas stands in substantial harmony with the contemporary authors discussed offering a proper description of God's agency in individual Christian human agency and the dynamics of the body of the Christian community to which the contemporary discourse so rightly points Moved by God to Act is an attempt to speak to the work of God in the life and day to day action of Christians and Christian communities as moved to act by the Holy Spirit
