**Become a Person in Heaven While Living** Woo Myung,2024-08-31 The ultimate answer to the questions about the reason and purpose of our existence Why are we born into this world and what do we live for Teacher Woo Myung provides the answer to this deep question through his book The reason why humans are born is to achieve human completion and to become Truth It is not for the purpose of just making money or having a comfortable life In other words he is saying that one needs to know why he is born into this world and where he goes when he dies One has to live the life of Truth know the principle and meaning behind life and death Life of Truth is the life of great liberation without any concerns or worries It is the life lived following the flow of the universe just as nature does It is natural for anyone to have a wishful thinking about living such a life However if you are not able to achieve it in reality what use would it be Teacher Woo Myung talks about how to become a person in Heaven in this reality that we are living in at the moment while living He talks about living the life

of nature's flow This is possible because even though we are currently living with stress having become enslaved to materials fame and desires our original self is nothing like this Which means that you can become a complete existence if you discard the self centered human mind and recover your true nature The ultimate happiness and life of Heaven can be achieved by becoming the mind of Truth while one is alive The author earnestly convey throughout the book that Heaven is not a place one goes to after death that one should go while living Such a level of consciousness cannot be understood from within human conceptions or knowledges not to mention one cannot reach that level It can only be achieved through the process of emptying the mind through self reflection and enlightenment With this method it is possible for everyone to achieve it regardless of their ethnicity level of knowledge or any other background Perhaps it was said that Truth is truly fair because this process that is taking place now is open to everyone The life that all humankind has been yearning and dreaming for is given to all of us who are living at this moment not just to a special someone in a distant future      Lonely No More Margaret Paul, PhD, 2024-03-12 FEEL ALIVE AND CONNECTED ONCE AGAIN Lonely No More The Astonishing Power of Inner Bonding takes the reader on a spiritual journey of self discovery and personal transformation exploring the often conflicting relationship between the false beliefs of the ego wounded self how those false beliefs leave a person lonely and disconnected and how to achieve true spiritual connection Through engaging narratives and practical exercises this book offers valuable insights into achieving a balanced fulfilling relationship with both the self and the Divine Throughout the book I explore various spiritual principles and misconceptions that often hinder individuals from accessing the ever present love and wisdom that is here for all of us By debunking common myths I equip readers with the tools and knowledge needed to break free from limiting beliefs and foster spiritual growth Here's a sampling of what you will learn The difference between getting and sharing love The difference between self responsibility and self sacrifice The difference between our true soul self and our ego wounded self A road map for healing loneliness by promoting self awareness inner healing and personal responsibility Healing other related conditions like anxiety depression shame addictions and relationship problems The opposite of loneliness is not a never ending blissful happy problem free state It is feeling alive and connected once again The ability to feel deeply to express the gamut of one's emotions in a healthy way and to connect to yourself others and life overall to address challenges and triumphs in a way that says yes to life is the goal of this book      **Facebook Marriage** Darrion Assawn, 2012-08-27 Meeting someone online is fine until you run into someone full of lies and deception Before you run off and marry someone from a foreign country read my true story first it might make you think twice      **You Drive Me Crazy** TerapG, 2021-02-04 I looked at him breathing heavily after our kiss He approached his lips so they touched my ears and whispered You're mine Eva Joan he whispered The story of a high school student and a famous architect who is also her boss for a while Jayden Wright is the famous bad boy that enjoys breaking hearts and Eva Joan an innocent high school student that just moved to Paris When both characters encounter each other their story begins with conflict but slowly grows into

attraction However Jayden does not believe in love and does not want to be in a relationship But what happens when they switch roles Will they give up and go their separate ways Will they fight for each other More importantly will Jayden believe in love
