

If Hamilton Were Here Today

J Elliott

If Hamilton Were Here Today:

Arthur Vandenberg Hendrik Meijer, 2017-10-16 The idea that a Senator would put the greater good of the country ahead of his party seems nearly impossible to imagine in our current political climate Originally the editor and publisher of the Grand Rapids Herald Vandenberg was elected to the Senate in 1928 and became an outspoken opponent of the New Deal and a leader among the isolationists who resisted FDR's efforts to aid European allies at the onset of World War II Meijer shows that Vandenberg worked closely with Democratic administrations to build the strong bipartisan consensus that established the Marshall Plan the United Nations and NATO

The Michigan Alumnus, 1923 In v 1 8 the final number consists of the Commencement annual

Washington's Farewell John Avlon, 2017-01-10 A vivid portrait and thoughtful consideration of George Washington's wisdom that couldn't be timelier Kirkus Reviews starred review A revealing look at the first President's Farewell Address a still relevant warning against partisan politics and foreign entanglements George Washington's Farewell Address was a prophetic letter he wrote to his fellow citizens and signed from a parting friend addressing the forces he feared could destroy our democracy hyper partisanship excessive debt and foreign wars In it Washington called for unity among citizens by birth or choice advocated moderation defended religious pluralism proposed a foreign policy of independence not isolation and proposed that education is essential to democracy He established the precedent for the peaceful transfer of power Washington's urgent message was adopted by Jefferson after years of opposition and quoted by Lincoln in defense of the Union Woodrow Wilson invoked it for nation building Eisenhower for Cold War Reagan for religion Once celebrated as civic scripture more widely reprinted than the Declaration of Independence the Farewell Address is now almost forgotten Yet its message remains starkly relevant today In Washington's Farewell John Avlon offers a stunning portrait of our first president and his battle to save America from self destruction Washington's Farewell brings to light Washington's goodbye by elucidating what it meant not only during the early days of the republic but its lasting effect through the centuries Library Journal starred review Now the Farewell Address may inspire a new generation to re-center their politics and reunite our nation through the lessons rooted in Washington's shared experience

Michigan History George Newman Fuller, Lewis Beeson, 1927

The Conversion of Senator Arthur H. Vandenberg Lawrence S. Kaplan, 2015-05-19 The United States has looked inward throughout most of its history preferring to avoid foreign entanglements as George Washington famously advised After World War II however Americans became more inclined to break with the past and take a prominent place on the world stage Much has been written about the influential figures who stood at the center of this transformation but remarkably little attention has been paid to Arthur H Vandenberg 1884 1951 who played a crucial role in moving the nation

from its isolationist past to an internationalist future Vandenberg served as a U S senator from Michigan from 1928 to 1951 and was known in his early career for his fervent anti interventionism After 1945 he became heavily involved in the establishment of the United Nations and was a key player in the development of NATO As chairman of the Senate Foreign Relations Committee during 1947 and 1948 Vandenberg helped rally support for President Truman s foreign policy including the Marshall Plan and his leadership contributed to a short lived era of congressional bipartisanship regarding international relations In *The Conversion of Senator Arthur H Vandenberg* Lawrence S Kaplan offers the first critical biography of the distinguished statesman He demonstrates how Vandenberg s story provides a window on the political and cultural changes taking place in America as the country assumed a radically different role in the world and makes a seminal contribution to the history of U S foreign policy during the initial years of the Cold War *Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments , Full Committee Consideration of H.R. 2260, to Extend Until July 1, 1963, the Induction Provisions of the Universal Military Training and Service Act* United States. Congress. House. Committee on Armed Services,1959 [If Hamilton Were Here Today](#) Arthur Hendrick Vandenberg,1923 **America Builds a School System** Benjamin William Frazier,John Lund,Kent State University,Mary Dabney Davis,Mary Evalyn Crookston,Max Lederer,Nora Ernestine Beust,United States. Office of Education,1941 **Marjorie Dean, College Junior** Josephine Chase,2018-09-20 Reproduction of the original Marjorie Dean College Junior by Josephine Chase [Bulletin](#) United States. Office of Education,1941 [Bulletin](#) ,1941 [Educational Directory](#) ,1941 [Alexander Hamilton and the Persistence of Myth](#) Stephen F. Knott,2002-02-15 Alexander Hamilton and the Persistence of Myth explores the shifting reputation of our most controversial founding father Since the day Aaron Burr fired his fatal shot Americans have tried to come to grips with Alexander Hamilton s legacy Stephen Knott surveys the Hamilton image in the minds of American statesmen scholars literary figures and the media explaining why Americans are content to live in a Hamiltonian nation but reluctant to embrace the man himself Knott observes that Thomas Jefferson and his followers and later Andrew Jackson and his adherents tended to view Hamilton and his principles as un American While his policies generated mistrust in the South and the West where he is still seen as the founding plutocrat Hamilton was revered in New England and parts of the Mid Atlantic states Hamilton s image as a champion of American nationalism caused his reputation to soar during the Civil War at least in the North However in the wake of Gilded Age excesses progressive and populist political leaders branded Hamilton as the patron saint of Wall Street and his reputation began to disintegrate Hamilton s status reached its nadir during the New Deal Knott argues when Franklin Roosevelt portrayed him as the personification of Dickensian cold heartedness When FDR erected the beautiful Tidal Basin monument to Thomas Jefferson and thereby elevated the Sage of Monticello into the American Pantheon Hamilton as Jefferson s nemesis fell into disrepute He came to epitomize the forces of reaction contemptuous of the great beast the American people In

showing how the prevailing negative assessment misrepresents the man and his deeds Knott argues for reconsideration of Hamiltonianism which rightly understood has much to offer the American polity of the twenty first century Remarkably at the dawn of the new millennium the nation began to see Hamilton in a different light Hamilton s story was now the embodiment of the American dream an impoverished immigrant who came to the United States and laid the economic and political foundation that paved the way for America s superpower status Here in Stephen Knott s insightful study Hamilton finally gets his due as a highly contested but powerful and positive presence in American national life **Congressional Record** United States. Congress,1939 *Hearings ... on Sundry Legislation Affecting the Naval and Military Establishments* United States. Congress. House. Committee on Armed Services,1959
