If I Knew What I Was Doing:

If I Knew Then Jann Arden, 2020-10-27 NATIONAL BESTSELLER Jann Arden bestselling author recording artist and late blooming TV star is back with this funny heartfelt and fierce memoir on becoming a woman of a certain age The power gravity and freedom she's found at fifty seven are superpowers she believes all of us can unleash Digging deep into her strengths her failures and her losses Jann Arden brings us an inspiring account of how she has surprised herself in her fifties by at last becoming completely her own person Like many women it took Jann a long time to realize that trying to be pleasing and likeable and beautiful in the eyes of others was a loser's game Letting it rip and damning the consequences is not only liberating it's a hell of a lot of fun Being the age I am that so many women are is just the best time of my life Jann weaves her own story together with tales of her mother grandmother and great grandmother and the father she came close to hating to show her younger self and all of us that fear and avoidance is no way to live What I'm thinking about now aren't all the ways I can try to hang on to my youth or all the seconds ticking by in some kind of morbid countdown to death she writes but rather how I keep becoming someone I always hoped I could be If I'm lucky one day a very old face will look back at me from the mirror a face I once shied away from I will love that old woman ferociously because she has finally figured out how to live a life of purpose not in spite of but because of all her mistakes and failures

IF I KNEW BACK THEN WHAT I KNOW NOW TAMIKA DAVIS, 2010-03-19 THIS IS A NOVEL ABOUT THE LESSONS OF LIFE THAT THREE BEST FRIENDS LEARN TOGETHER IN HIGH SCHOOL

If I Knew Then What I Know Now Ruby Hillsman, 2011-08-31 Making mistakes because you do not know any better is one thing but to make them over and over is another If this sounds familiar you may require a needed course correction If you are still wandering in the wilderness and cannot find your way out of the thick fog of Mistake City maybe it is time to learn from the mistakes of others It just may be time to take advantage of the wisdom from those who have been there and done that

If I Knew Then, What I Know Now Rose White, 2018-05-22 Regret remorse anguish Rose White always believed that one day she would live happily ever after with the man of her dreams in a house full of their beautiful children When she finally fell head over heels in love she thought that those dreams had come true But when she packed up her belongings and left her parents home at eighteen years of age she soon realized that the man she was running off with wasn't the one she knew After their wedding and the birth of their baby their relationship plummeted into an abyss of lies abuse affairs and manipulation She desperately wanted to reconnect with her estranged family but her husband wouldn't hear of it Left with no other choice but to sneak out of the house with the baby she risked what would only be imminent verbal and physical violence at his hands Rose holds nothing back as she takes readers on her journey reminding them that regardless of their circumstances they're never alone She tells it like it is the good and the bad the pleasure and the pain and how she survived

IF ONLY YOU KNEW Rachel Calista Stone, 2025-01-24 She s the girl everyone envies but no one truly knows On the outside her life is perfect beauty charisma intelligence The kind of girl others wish they could be But behind the dazzling smile and emerald green eyes lies a storm of secrets pain and the heavy burden of power In a world that fears strength and misunderstands complexity she walks a lonely path between adoration and hate They say life is simple For her simplicity isn t an option They take her heart her love and her best then spit her out without a second thought Yet she keeps smiling a master actress in the role of her life fooling the world into believing everything is fine But there s power in truth and truth demands to be heard

This is her story Raw Honest Unfiltered To those who judge If you re ready to point fingers this book isn t for you But if you re prepared to dive deep into a soul shaped by fire heartbreak and the will to rise turn the page Because life isn t perfect Neither is she And that s what makes this story unforgettable What if everything you knew about education was wrong? David Didau,2015-06-10 If you feel a bit cross at the presumption of some oik daring to suggest everything you know about education might be wrong please take it with a pinch of salt What if everything you knew about education was wrong is just a title Of course you probably think a great many things that aren t wrong The aim of the book is to help you murder your darlings David Didau will question your most deeply held assumptions about teaching and learning expose them to the fiery eye of reason and see if they can still walk in a straight line after the experience It seems reasonable to suggest that only if a theory or approach can withstand the fiercest scrutiny should it be encouraged in classrooms David makes no apologies for this why wouldn t you be sceptical of what you re told and what you think you know As educated professionals we ought to strive to assemble a more accurate informed or at least considered understanding of the world around us Here David shares with you some tools to help you question your assumptions and assist you in picking through what you believe He will stew findings from the shiny white laboratories of cognitive psychology stir in a generous dash of classroom research and serve up a side order of experience and observation Whether you spit it out or lap it up matters not If you come out the other end having vigorously and violently disagreed with him you ll at least have had to think hard about what you believe The book draws on research from the field of cognitive science to expertly analyse some of the unexamined meta beliefs in education In Part 1 Why we re wrong David dismantles what we think we know examining cognitive traps and biases assumptions gut feelings and the problem of evidence Part 2 delves deeper Through the threshold looking at progress liminality and threshold concepts the science of learning and the difference between novices and experts In Part 3 David asks us the question What could we do differently and offers some considered insights into spacing and interleaving the testing effect the generation effect reducing feedback and why difficult is desirable While Part 4 challenges us to consider What else might we be getting wrong cogitating formative assessment lesson observation grit and growth differentiation praise motivation and creativity
