The Review of Popular Astronomy ,1910 **when the sun rises (legacy of the ancient world)** Mowafak Saqr, When the land was divided into two warring kingdoms the Kingdom of Light and the Kingdom of Darkness war was inevitable Long ago greed drove humans to exploit the legacy of the ancient world an invincible force buried by wars but not forgotten After the fires died down new wounds appeared wounds of betrayal and greed But this is not just a story of war and swords It is a story of loss sacrifice and betrayal that ignites the flames of revenge Can light shine again in a world where darkness creeps in relentlessly Prepare to enter a world torn apart by battles guarded by legends and inhabited by monsters A world where a hero rises to rewrite history where light and darkness clash and when the sun rises the story begins
