**God and the Atheist** Paul Ferguson, 2014-01-31 We are living in an increasingly secular age where man seeks to build his own life without recourse to his Creator God Under the guise of rationalism Christianity is ridiculed as out of date or irrelevant God and the Atheist answers the most fundamental questions about Christianity such as How do we know there is a God How do we know there is only one God How do we know the Bible is the word of God In each chapter Paul Ferguson evaluates and sets out the evidence to answer the atheist's objections to the existence of God In a readable and humorous style he precisely builds a remorselessly logical case using his legal and scientific skills to guide the objective reader to discover the truth of who God is Although the discussion often veers into the academic Ferguson works hard to make it understandable to those without a scientific background

[The Atheist Muslim](#) Ali A. Rizvi, 2016-11-22 In much of the Muslim world religion is the central foundation upon which family community morality and identity are built The inextricable embedment of religion in Muslim culture has forced a new generation of non-believing Muslims to face the heavy costs of abandoning their parents' religion disowned by their families marginalized from their communities imprisoned or even sentenced to death by

their governments Struggling to reconcile the Muslim society he was living in as a scientist and physician and the religion he was being raised in Ali A Rizvi eventually loses his faith Discovering that he is not alone he moves to North America and promises to use his new freedom of speech to represent the voices that are usually quashed before reaching the mainstream media the Atheist Muslim In The Atheist Muslim we follow Rizvi as he finds himself caught between two narrative voices he cannot relate to extreme Islam and anti Muslim bigotry in a post 9 11 world The Atheist Muslim recounts the journey that allows Rizvi to criticize Islam as one should be able to criticize any set of ideas without demonizing his entire people Emotionally and intellectually compelling his personal story outlines the challenges of modern Islam and the factors that could help lead it toward a substantive progressive reformation The Christian Atheist Craig Groeschel,2010-04-06 Are you putting your whole faith in God but still living as if everything is up to you You may believe in God attend church and generally treat people with kindness but are you living as if God doesn t exist Have you surrendered to God completely living every day depending upon the Holy Spirit Pastor and bestselling author Craig Groeschel will lead you on a personal journey toward an authentic God honoring life This honest hard hitting and eye opening look into the ways people believe in God but live as if he doesn t exist is a classic of discipleship training Groeschel s personal journey will help you break down your own barriers between simple belief and a more intentional faith This book will help you Let go of the shame of your past and know that you re forgiven Embrace Christ s profound love for you Believe in the power of prayer Give up control when life doesn t seem fair Trust God with all your anxious thoughts heartache struggles and pain From the author of Winning the War in Your Mind The Christian Atheist is a rallying cry to get honest with God shed the self sufficiency and the hypocrisy and live a life that truly brings glory to Christ **What If I'm an Atheist?** David Seidman,2015-03-10 A guide to atheism and nonbelief shares counsel on the challenges of questioning the views of one s upbringing establishing beliefs about religion and spirituality and addressing the practical aspects of managing religious occasions **Is the Atheist My Neighbor?** Randal Rauser,2015-06-04 Do atheists hate God Many Christians seem to think so For the last three centuries Christians have widely assumed that atheism is always a result of a rebellious sinful rejection of God According to this view at some level atheists really do know there is a God but they sinfully suppress this knowledge because they want to live independently of God But what if that is not correct What if some folks are atheists not because they re sinful and foolish but because they ve thought hard they ve looked carefully and they have simply not found God What if the common Christian assumptions about atheism are little more than an indefensible prejudice What if the atheist really is our neighbor **The Irrelevant Middleman** Sugam Keshri,2023-06-03 In this captivating book the author challenges the existence of God weaving together scientific concepts philosophical ideas and critical reasoning They dismantle traditional arguments posed for the existence and expose the inherent irrelevance of a divine intermediary This book attempts to delve into human nature psychology philosophy The Irrelevant Middleman delves beyond religious dogma critically examining Hinduism its principles philosophies its central

ideologies and Hindutva shedding light on their societal impact while maintaining a balanced perspective The book encourages readers to question the influence of organized religion and embrace a more enlightened worldview It discusses Indian atheism and atheism in general It integrates scientific theories like evolution or the Big Bang with profound philosophical concepts like Morality Bhakti and Duty It invites readers to challenge preconceived notions offering a path towards a more rational and meaningful existence where skepticism and critical thinking prevail and the search for truth and meaning takes center stage Also available on Amazon Ebook Paperback <https://amzn.eu/d/ejDU05F> *SOUL: Stories of 'Ur Life Part-1: The Unlockdown'* A G, 2021-02-25 Friend in need is a friend indeed is a proverb heard by all but applied by few amongst friends groups The emphasis of any given friends group is not just having fun but to support each other at times of great need and problems This emphasis is an attachment when the attachment becomes feelings which in turn become an emotion borne out of love and care then the friends in that group don't stay as friends per se but become family Family is important to give a name virtues and identity to a person but friends help in defining the personality and characteristics value to a person This is the reason why there is a proverb that a person is known by the friends he or she keeps and true friends will not only act support but also show a person the right path towards life A person is like a bridge with two sides and in order to survive through life that person needs a family on one side and friends on the other A person is incomplete in the absence of the other *Wasting Time on God* Paulo Bittencourt, Prefer it as a PDF Visit [tinyurl.com/preferpdf](http://tinyurl.com/preferpdf) The best books about Atheism are the ones written by Paulo Bittencourt because unlike Richard Dawkins Christopher Hitchens and Sam Harris who have never been religious he was raised Evangelical studied Theology and therefore speaks from experience D Barker Arguments so radically thorough sharp and damning that they baffle even some atheists and make them feel sorry for believers in God M Shermer Among theological philosophical and historical arguments in *Wasting Time on God* Paulo Bittencourt who was a devout Adventist active in the church a Theology student and almost became a pastor reveals the reasons why he doesn't believe in invisible beings including the celestial ones and undoubtedly demonstrates that Atheism is the only intellectually honest stance Do you have faith in God Is it unshakable How do you know if you don't put it to the test Read this book to the end If it doesn't make you doubt any of the things you believe nothing else will It will be proven that you really stand firm in the faith Topics covered Allah Atheism Bible Christianity Adventist Baptist Catholic Evangelical Pentecostal Church Communism Devil Evolution Freethought God Gospel Heaven Hell Humanism Islam Jesus Judaism Mohammed Philosophy Protestantism Satan Science Skepticism Socialism etc Paulo Bittencourt was born in Paran Brazil spent his childhood in Rio de Janeiro and studied Theology in S o Paulo Close to becoming a pastor he had doubts dropped out of college ventured through Europe and ended up settling in Austria The book *Ethics* by Bento de Espinosa Baruch Spinoza strengthened his skepticism and consolidated him as a freethinker Paulo Bittencourt dedicates his life to helping people liberate themselves from religion Paulo Bittencourt is the author also of the books *Liberated from Religion* and *Com*

**Man's Rejection of God** RL Keller, 2014 Mahatma Gandhi was quoted as saying I like your Christ I do not like your Christians Your Christians are so unlike your Christ What an indictment of the Christian community Is it true Are we as Christians the reason people keep from embracing Christianity Have we caused people to walk away from the one belief system that can provide redemption for their sins In *Man's Rejection of God Who's Responsible* I devote whole chapters to atheists agnostics apostates hedonists those devoted to the cult of personality and more I look at the three main world religions besides Judaism and Christianity I give the reader a brief look into their belief system and how it compares to that of Christians I touch on those who say they believe in God yet show no visible evidence of it I investigate our being able to relate to others outside the faith I lay out what it means to be vulnerable I take a look at minimalism and individualism and how they can apply to the Christian I look at the impact words have on our lives and also dig into the importance of forgiveness I paint a simple picture of Jesus and underscore that picture with quotes from the great C S Lewis I call for a time of reassessment as we strive to be more genuine and consistent in our faith

**The Monstrosity of Christ** Slavoj Žižek, John Milbank, 2011-02-25 A militant Marxist atheist and a Radical Orthodox Christian theologian square off on everything from the meaning of theology and Christ to the war machine of corporate mafia What matters is not so much that Žižek is endorsing a demythologized disenchanted Christianity without transcendence as that he is offering in the end despite what he sometimes claims a heterodox version of Christian belief John Milbank To put it even more bluntly my claim is that it is Milbank who is effectively guilty of heterodoxy ultimately of a regression to paganism in my atheism I am more Christian than Milbank Slavoj Žižek In this corner philosopher Slavoj Žižek a militant atheist who represents the critical materialist stance against religion's illusions in the other corner Radical Orthodox theologian John Milbank an influential and provocative thinker who argues that theology is the only foundation upon which knowledge politics and ethics can stand In *The Monstrosity of Christ* Žižek and Milbank go head to head for three rounds employing an impressive arsenal of moves to advance their positions and press their respective advantages By the closing bell they have not only proven themselves worthy adversaries they have shown that faith and reason are not simply and intractably opposed Žižek has long been interested in the emancipatory potential offered by Christian theology And Milbank seeing global capitalism as the new century's greatest ethical challenge has pushed his own ontology in more political and materialist directions Their debate in *The Monstrosity of Christ* concerns the future of religion secularity and political hope in light of a monsterful event God becoming human For the first time since Žižek's turn toward theology we have a true debate between an atheist and a theologian about the very meaning of theology Christ the Church the Holy Ghost Universality and the foundations of logic The result goes far beyond the popularized atheist theist point counterpoint of recent books by Christopher Hitchens Richard Dawkins and others Žižek begins and Milbank answers countering dialectics with paradox The debate centers on the nature of

and relation between paradox and parallax between analogy and dialectics between transcendent glory and liberation Slavoj Žižek is a philosopher and cultural critic He has published over thirty books including *Looking Awry* *The Puppet and the Dwarf* and *The Parallax View* these three published by the MIT Press John Milbank is an influential Christian theologian and the author of *Theology and Social Theory Beyond Secular Reason* and other books Creston Davis who conceived of this encounter studied under both Žižek and Milbank

**I Don't Have Enough Faith to Be an Atheist** Norman L. Geisler, Frank Turek, 2021-05-17 To some the concept of having faith in a higher power or a set of religious beliefs is nonsensical Indeed many view religion in general and Christianity in particular as unfounded and unreasonable Norman Geisler and Frank Turek argue however that Christianity is not only more reasonable than all other belief systems but is indeed more rational than unbelief itself With conviction and clear thinking Geisler and Turek guide readers through some of the traditional tested arguments for the existence of a creator God They move into an examination of the source of morality and the reliability of the New Testament accounts concerning Jesus The final section of the book deals with a detailed investigation of the claims of Christ This volume will be an interesting read for those skeptical about Christianity as well as a helpful resource for Christians seeking to articulate a more sophisticated defense of their faith

*Return to God: Men and Women* Vladimir Živković, Who am I and what is the world Where do I come from Where do I go Does God exist If it exists where it can be found What is he like How does he look Is God perfect and does he love me unconditionally Is it true that I can't have a partner live sexuality have money eat and sleep well if I want to achieve happiness and God If I love to live and to indulge my desires does that mean that I'm sinful and that God doesn't like me Does it have the sense to condemn people you God Does it have the sense to love oneself people God What's my path and what's my purpose If I'm

unhappy how can I cure that If I m discontented how much good is that How much are self respect self worth and dignity important What is the real knowledge and how to recognize it There are much more questions like this This book deals with them This book is not offering just mere answers to questions asked previously It also offers guidance to the reader who on its own by perusing this book can consciously experience the truth presented in this book The book Return to God is composed of 3 parts which together form a whole Each part deals with the certain secret of life The first part called Men and Women gives us an insight into similarities and differences between the sexes The modern men and women have their desires and their misconceptions The first part of the book aims at helping the reader to separate the positive desires to destroy hidden self destruction and a bad course to avoid mistakes and to fulfill wishes and achieve happiness This book helps a man gain fundamental and minimal dignity that is essential for happiness in love relationships and marriage Therefore it is essential to understand laws of the first part of trilogy Return to God called Man and Women as the prerequisite for marriage love and sexual relationships happiness Pay close attention to things you consider impossible Biljana Obradovic poetess and the writer of several novels from Valjevo will tell us more about the book Vladimir Zivkovic is a man dedicated to the lifelong study of the soul His writing reveals calmness consistency in his path to God as the only light that sustains the inner being I really like his voice which pays special respect to everyone especially to girls and women By reading his works related to the faith in God and therefore in you I realized that the path of knowledge is difficult but fruitful I realized that badly directed ego might destroy even the greatest minds as well as biggest believers Vladimir talks about the modesty life and balanced desires Thus he shares his knowledge with others to make them deeply think about the life they live nowadays in the modern times I hope he will publish more books to shed light on the path of the just and truly believing men With due respect of this writing I wish you success and a large number of readers Maja Djolovic translator and writer say about the book If you ve just been searching for self help reading and an easy and quick fix for your problems there is no such advice in this book Vladimir s trilogy Return to God is an authentic collection of real life stories and situations which were created by the author as the result of his personal spiritual journaling His stories offer great insights into the modern life of man and women their inner struggle and problems they face in their search for meaning and true spirituality The external influences of the corrupted individuals and society as well as main reasons and internal sources of corruption could be found in our closest surroundings These stories in a nutshell deal with the current lack of morality truth and spiritual guidance in everyday life as well in male female relationships Vladimir sheds the light on possible underlying problems and their true origin in human misconceptions blurred moral vision and false beliefs [How to Talk About Atheism](#) Creation Liberty Evangelism, Christopher J.E. Johnson, 2014-06-13 The atheist cannot justify the existence of the laws of logic which means the atheist cannot be logical **Off the Hook** Earl Wayne Heflinger, 2018-03-15 The author uses his own personal story of being born into a Christian fundamentalist family with extreme beliefs to paint a vivid picture of what life is like in

toxic ideologies such as fundamentalist religion The book has three parts The first describes the spiritual abuse of his childhood due to stifling rules and restrictions inflicted by his parents caught up in their church's teachings on his thought processes and behavior The remarkably poignant stories show in painful detail how his self esteem was crushed how he was never intended to think for himself and how he was made to feel different and totally out of place in the world all by loving but misguided parents During his school days his social life was severely stunted because he felt like an outsider everywhere but in church The second part discusses his lifelong struggle with spiritual healing and his transition from a spoon fed belief system to a personally chosen worldview He thoughtfully muses about all the significant elements of religious spiritual belief systems God Jesus the Bible sin morality science life after death marriage divorce and others and contrasts his evolving beliefs with those of organized religion This is presented to give the reader a comprehensive illustration of how one particular seeker has constructed a personalized belief system through continual rethinking and updated understanding The third part calls on the author's advanced education and professional experience in business and government in analyzing and developing systems and procedures It describes with a wealth of tips and checklists the process by which he escaped a toxic ideology and came to feel intellectually free and off the hook It ends with heartfelt encouragement for anyone similarly affected by repression to accept all available helpful resources and muster the determination to claim their personal power

**Modern Relationships** Vladimir Živković, 2019 Men and women evolve Their love relationships evolve too In every new era there are different behavioral norms In the modern age there is no more interesting subject for people than love and sexual relationships and achieving happiness in them The main subject of this book is bad behavioral patterns of modern people in love relationships as well as unavoidable attaining of self satisfaction and satisfaction with one's life This book consists of three parts The first part deals with generalities on men women and their dispositions Because of the inevitable question that arises related to any human being when it comes to luck love and meaning of life spirituality and God had to be a mandatory subject of this book Thus the first part is named Return to God Men and Women and it consists of texts which unite search for the meaning and spirituality of the modern man with its own wishes wants and fallacies of the modern men and women The second part of the book is even more intriguing for the mind of the modern man because it deals with sexuality games of seduction and sexual relationships of both sexes It is called Sexuality and Seduction and the title itself reveals that it's the endeavor of living positive sexuality as well as about the truth that's hidden between people playing games of seduction and manipulation The third part of the book is named Return to God Love Relationships and it is the pinnacle of this delicacy because it reveals many secrets but also mistakes that people nurture in the love relationships and due to them they cannot reach happiness and fulfillment All in all this book carries authenticity originality but also the positive experience because it reveals answers to a very big number of troubling and important questions of the modern people to which other books don't offer answers and if they do they are incomplete or wrong in the most of the cases This can

already be reckoned by the incidence of misery and loneliness as well as broken marriages of people of both sexes Even if this book revolts the reader it is also useful for reading in that case Good luck     The False Dialectic Between Christians and Atheists Tom Donovan, 2016 Could it be that atheism and belief in God are both forms of avoidance behavior It s easier to focus on belief than it is to take up a new practice of living Perhaps both are ideological distractions that mystify the nature of reality and what knowledge is What if we admit that we are neither believers nor atheists Does that mean we re nothing Philosophy aims to help us understand the world without appealing to something beyond It s considered to be rooted in the search for eternal truths and when the truth is unclear philosophy is expected to embrace modesty and have a willingness to say I don t know Rejecting the false dialectic of God atheism will help us recognize that the world is our construction and our responsibility so long as we are here Drawing on Georg Luk cs and Max Horkheimer the author argues that belief in God and atheism are both ideological distractions They are both forms of immaturity that can only be transcended through action The real good news is that we can do away with belief in the supernatural but it will take more than non belief it will take philosophical action He takes us on a journey through our philosophical practices to purge ourselves of mystified notions The journey is long but at least the path is strewn with the charm of Socrates Descartes Marx and Sartre In short Prof Donovan says Nothing exists but this world our world Nothing is beyond God and atheism Why not become nothing Make yourself and those who matter proud
